**ORDER ADOPTING AND
APPROVING SPECIAL MASTERS'
REPORT AND
REDISTRICTING MAPS AS
MODIFIED BY THE COURT**

23 This matter is before this Court pursuant to this Court's Orders of September 21,
24 2011 and October 14, 2011. A hearing was held by this Court on October 27, 2011, with
25 all parties appearing, except the League of Women Voters of Las Vegas Valley. This
26 Court having considered the briefs of counsel, the arguments of counsel and the Report
27 and Redistricting Maps prepared by the Special Masters, makes the following order,

28 **RECEIVED**
OCT 27 2011
TRACIE K. LINDEMAN
CLERK OF SUPREME COURT

I.

1
2 First, this Court would like to express its thanks and the thanks of the citizens of
3 the State of Nevada to the Special Masters, Thomas Sheets, Alan Glover, and Robert
4 Erickson, for the job they did in the redistricting of the State as to four (4) Congressional
5 Districts, twenty-one (21) Senate Districts and forty-two (42) Assembly Districts. They
6 did this job with patience, experience, efficiency, and professionalism. They did so
7 independently in a non-partisan manner and with the best interest of the citizens of the
8 State of Nevada.

9 Secondly, the court expresses its thanks to the staff provided by the Legislative
10 Counsel Bureau, namely Kathy Steinle and Brian Davie, for their assistance to the Special
11 Masters. The Court reviewed the hearings before the Special Masters and reviewed their
12 work at the Nevada Legislative Counsel Bureau. The dedicated work by all of these
13 individuals is appreciated.

14 Thirdly, it is important to note that the Courts of the State of Nevada were brought
15 into the redistricting dispute by the parties. The parties chose to file their legal actions
16 necessitating a resolution of these issues. In this proceeding, the Court is called upon to
17 resolve the impasse created by the continuing failure of the Legislature to pass legislation
18 acceptable to the Governor.

19 Because an impasse existed based on the Nevada Legislature Maps being vetoed by
20 the Governor, there was a need to resolve the matter in a timely, cost effective, and
21 practical manner. It is unfortunate that this was not taken care of through the legislative
22 process, and this Court could possibly have sent this matter back to the Nevada State
23 Legislature, but given the level of conflict, to what avail? Courts exist to help people
24 resolve their legal disputes.

25 Here, the parties at the first hearing in this matter on July 12, 2011 specifically
26 placed on the record before this Court that they agreed that this Court should go forward
27 with the redistricting. It was based on this agreement and understanding that this Court
28 proceeded. Further, at no time during this process did any of the parties file any motion to

1 divest the Court of Jurisdiction. If the Supreme Court *sua sponte* wishes to address the
2 issue of jurisdiction, then it certainly can choose to do so. This issue was not briefed or
3 argued before this Court. As to the issues raised by the Secretary of State in its motion
4 filed with the Supreme Court, this Court felt that these issues could not be addressed until
5 the Special Masters had drawn the Redistricting Maps and considered the evidence
6 presented in regard thereto. Having done so and based on the rulings set forth herein,
7 these issues appear to be moot to this Court.

8 As to the Motion for Reconsideration filed by the League of Women Voters of Las
9 Vegas Valley on September 29, 2011, this Motion was never submitted to this Court for
10 determination; pursuant to FJDCR, Rule 15(6), and further, based on the work by the
11 Special Masters it is moot. Therefore, the Motion for Reconsideration is denied.

12 II.

13 It is conceded by the parties that the existing Congressional Districts and
14 Legislative Districts are unconstitutionally mal-apportioned. These mal-apportionments
15 violate the Fourteenth Amendment of the U.S. Constitution. Therefore, the current Nevada
16 Congressional Districts and Legislative Districts are hereby declared to be invalid.

17 III.

18 IT IS HEREBY ORDERED that the Report and Redistricting Maps as to the four
19 (4) Congressional Districts are approved.

20 A. The Court finds that in the drafting of the Congressional Districts the
21 Special Masters complied with this Court's Order of September 21, 2011 and established
22 four equal districts, while taking into consideration the redistricting standards outlined by
23 the Court; and

24 B. The Court further finds that the Special Masters properly applied the
25 standard of Section 2 of the Voting Rights Act and the 1982 Amendments thereto in
26 determining that under *Thornberry v. Gingles*, 478 U.S. 30, 44 (1986), there was no
27 grounds or basis for the establishment of a majority-minority district. The facts found by

28 ///

1 the Special Masters relevant to the preconditions established in *Thornburg v. Gingles*, 478
2 U.S. 30, 50-51 (1986), for a Voting Rights Act claim are supported by the record.

3 1. As to the first precondition, no minority community is “sufficiently
4 large and geographically compact to constitute a majority in a single-
5 member [congressional] district.” *Gingles*, 478 U.S. at 50. *See also*
6 *Bartlett v. Strickland*, 129 S. Ct. 1231, 1249 (2009) (“Only when a
7 geographically compact group of minority voters could form a
8 majority in a single-member district has the first *Gingles* requirement
9 been met.”) The result is the same whether the Court considers
10 voting age population (VAP), citizen voting age population (CVAP),
11 and the census numbers.

12 2. As to the second precondition, the Court finds that Nevada’s
13 Hispanic community generally “is political cohesive.” *Gingles*,
14 478 U.S. at 51.

15 3. As to the third precondition, the Court finds that Nevada’s white
16 majority does not “vote sufficiently as a bloc to enable it—in the
17 absence of special circumstances—usually to defeat the minority’s
18 preferred candidate.” *Id.* Because only one of the three *Gingles*
19 preconditions is satisfied, the Voting Rights Act does not require the
20 creation of majority-minority districts in Nevada. *See, e.g.*
21 *Strickland*, 129 S. Ct. At 1248 (“Majority-minority districts are only
22 required if all three *Gingles* factors are met[.]”) Further, only after a
23 party has established all three preconditions does a court go on to
24 determine whether, based on the totality of the circumstances, a
25 violation of the Voting Rights Act occurred. *Strickland*, at 1241.

26 C. As set forth in the Special Masters’ Report, the Special Masters held public
27 hearings, reviewed the evidence and arguments of the parties and other interested persons
28 appearing before them. The Court finds that the lines drawn for these four districts

1 represent reasonable application of the criteria and are in compliance with all legal
2 requirements.

3 IV.

4 IT IS HEREBY FURTHER ORDERED that the Report and Redistricting Maps for
5 the twenty-one (21) Nevada Senate Districts and forty-two (42) Nevada Assembly Districts
6 are approved, as modified by the Court herein.

7 A. The Court finds that in the drafting of the twenty-one (21) Nevada Senate
8 Districts and forty-two (42) Nevada Assembly Districts, the Special Masters complied with
9 this Court's Order of September 21, 2011 and established the twenty-one (21) Senate
10 Districts and forty-two (42) Nevada Assembly Districts within the directions set forth by
11 the Court, while taking into consideration the redistricting standards outlined by the Court,
12 except as set forth below.

13 B. The Court further finds that the Special Masters properly applied the
14 standard of the Voting Rights Act and the 1982 Amendments thereto in determining that
15 under *Thornberry v. Gingles, supra*, there was no grounds or basis for a violation thereof.
16 See, discussion above as to the application of the preconditions. Given the fact that all
17 three preconditions are not met as to the Legislative Districts (the third precondition was
18 not met) there is no need to apply the totality of circumstances test. There was no evidence
19 presented to the Special Masters reflecting any discrimination nor did the Special Masters
20 discriminate in any way toward the State of Nevada's Hispanic community.

21 C. The Special Masters' Redistricting Maps properly nested the Assembly
22 Districts within the Senate Districts, saving taxpayer money and avoiding voter confusion.

23 D. Assembly Districts 37 and 34 are redrafted by the Court, in consultation with
24 and agreement by the Special Masters, to reflect the correct address as to the incumbent,
25 Assemblyman William Home. This was necessitated based on an error generated by
26 information at the Legislative Counsel Bureau, which required a modification to be made.
27 A corrected Assembly Redistricting Map was placed into evidence reflecting the changes to
28 Assembly Districts 37 and 34, along with documentation in support thereof.

1 E. Senate Districts 18, 6, 8 and 9 were redrafted by the Court to correct in this
2 Court's opinion a failure of the Special Masters to meet the criteria outlined by the Court in
3 its Order of September 21, 2011 to have districts drawn in a compact manner while
4 avoiding irregular shapes. In regard to Senate District 8, the Court, in consultation with and
5 agreement of the Special Masters, had the Special Masters redraw Senate District 8, which
6 then necessitated changes to Senate Districts 18, 6 and 9, as well. This necessitated some
7 redrafting of the Assembly Districts nested thereunder.

8 F. Senate District 12 was redrafted to correct an error as to one registered voter
9 in the City of Mesquite who was improperly placed in Senate District 19. The City of
10 Mesquite is now one hundred percent (100%) in Senate District 12.

11 G. Senate District 19 was not redrafted as requested by various individuals
12 residing therein to create a "Cow County Senate District." These individuals were never
13 parties to this matter nor did they present their requests to the Special Masters when they
14 had an opportunity to do so. However, this Court in conjunction with the Special Masters,
15 reviewed this issue and determined that there was no viable alternative to honor their
16 request. Additionally, none of the legislative proposals (SB 497, SB500, AB566, and
17 AB567) created such a Senate District, with all of these legislative proposals, picking up a
18 portion of Clark County in Senate District 19. The Court would note this is an open Senate
19 seat without an incumbent. Therefore, no change was made by this Court to Senate
20 District 19.

21 H. As set forth in the Special Masters' Report, the Special Masters held public
22 hearings, reviewed the evidence and arguments of the parties and other interested persons
23 appearing before them. The Court finds that the lines drawn for the Senate Districts and
24 Legislative Districts, as modified, represent reasonable application of the criteria and are in
25 compliance with all legal requirements.
