§44. Contesting election; referral for prosecution

A. Whenever the board determines as a result of an investigation that violations of law, irregularities, error, or fraud have occurred in the conduct of an election which in the judgment of the board has resulted in the apparent qualification for the general election or the apparent election of a candidate not entitled to be so qualified or elected, the board, upon the favorable vote of three members, may institute suit to contest the election in order to protect the interest and rights of the state in fair and honest elections. In addition, for the same cause and upon the same vote, the board may intervene in any suit instituted by any other party to contest an election.

B. In any suit instituted by the board to contest an election, the provisions of Chapter 9 of this Title shall apply, except that:

(1) An action instituted by the board to contest an election shall be brought in the district court for the parish where the state capitol is situated.

(2) In any such suit, each candidate for said office and the secretary of state shall be impleaded and shall be a party to the suit. (4) The petition shall cite:

(a) Each candidate for said office; and

(b) The secretary of state in his official capacity as the chief election officer of the state.

(5) The petition shall contain, but shall not be limited to, the following:

(a) The grounds on which the election is contested;

(b) The allegation that except for substantial irregularities or error, fraud, or other unlawful activities in the conduct of the election, a different candidate would have qualified for a general election or would have been elected.

(6) The petition shall comply with Article 891 of the Louisiana Code of Civil Procedure, except to the extent that the provisions of that Article or the Articles cited therein conflict with the provisions of this Section.

(7) Service of process shall be on the secretary of state, or the commissioner of elections as provided herein, and shall otherwise comply substantially with the provisions of R.S. 18:1408. By filing notice of candidacy a state candidate appoints the secretary of state, or the commissioner of elections as provided herein, as his agent for service of process in any action instituted by the board under provisions of this Section. No exceptions or responsive pleadings may be filed to the answer of a party, and every fact alleged therein is considered as denied or avoided by effect of law as to all other parties. If a party does not appear on the date set for the trial, either in person or through counsel, such failure to appear precludes him from thereafter filing an answer, and from asserting his claims or defenses in the suit and the court shall not appoint an attorney to represent him pursuant to R.S. 18:1409(A).

(10) Each party may appear and assert his claim or defense as he sees fit.

(11) The court may grant the board injunctive relief prohibiting the parties from instituting or prosecuting in any court of this state or of the United States any other action or proceeding on the matters involved in the suit.

(12) The court may render judgment for costs, or any part thereof, against any party, as it may consider equitable.

C. Whenever the board determines as a result of an investigation or otherwise that a violation of the Election Code has occurred which is subject to criminal penalties, the board shall present all information

concerning such alleged violation to the district attorney for the judicial district in which the alleged violation occurred. The district attorney may immediately proceed with such criminal actions or investigations as are justified by the facts presented or available to him. (3)(a) A person appointed by the parish governing authority as registrar on or after July 1, 1997, shall be employed with an annual salary of step one of the appropriate population range, unless the person is promoted from chief deputy or confidential assistant and such would result in a reduction in compensation. In such an instance, the newly appointed registrar shall receive a salary increase to the amount of the nearest step in the appropriate population range which will provide a minimum increase in salary of five hundred dollars.

(b) Each parish governing authority shall continue to compensate its registrars at no less than the same annual dollar amount as that paid by the particular parish on July 1, 1991, including both the prior mandated parish portion and any supplements authorized. B. No law to increase or decrease that portion of the salary payable by the parish shall be enacted hereafter unless notice of intent to enact such a law has been published on two separate days, without cost to the state, in the official journal of each locality affected by the enactment of the increase or decrease in the salary figures. The last day of publication shall be at least thirty days prior to introduction of the bill.

C. The annual compensation of each registrar of voters shall be based upon the most recent census taken by the United States Government, Louisiana Tech University population estimates for Louisiana parishes, or upon the population figures of each parish as determined by its governing authority as provided by law.

D. The state portion of each salary shall be paid biweekly by the state through the secretary of state, and the parish portion of each salary shall be paid monthly by the parish governing authority on the warrant of the respective registrars. If the most recent population figures referred to in R.S. 18:55(A) and 59(B) and (C) increase over the prior parish population so as to change the population range of the parish, the registrar of voters, chief deputy, and confidential assistant shall receive an increase in compensation to the nearest step in the new population range or a minimum increase of five hundred dollars for the registrar, three hundred dollars for the chief deputy, and two hundred dollars for the confidential assistant.

A deputy registrar shall be a qualified voter of the state of Louisiana. Each deputy shall take the constitutional oath of office. A confidential assistant may perform all the duties of a chief deputy if he meets the qualifications of a deputy.

B.(1) The annual salary of the chief deputy registrar of voters in each parish shall be based on the most recent population figures as shown by the latest federal decennial census, the Louisiana Tech University population estimates for Louisiana parishes, or as determined by the governing authority of each parish in accordance with law.

(3)(a) A person appointed as chief deputy by the registrar on or after July 1, 1997, shall be employed with an annual salary of step one of the appropriate population range unless the appointment is a promotion from confidential assistant of the parish and would result in a reduction in compensation. In such an instance, the newly appointed chief deputy shall receive an increase in salary of the amount required to place him on the nearest step and give him a minimum increase of three hundred dollars.

(b) Each parish governing authority shall continue to compensate its chief deputy registrar at no less than the same annual dollar amount as that paid by the particular parish on July 1, 1991, including both the prior mandated portion and any supplements authorized. The difference between the amount of compensation due each chief deputy and the amount payable by the parish governing authority shall be paid by the state through the secretary of state.

(4)(a) Each chief deputy shall automatically receive an annual salary increase to the next step on July first until his salary equals the highest step of the appropriate population range. However, a chief deputy whose salary is less than step one of the applicable population range shall receive an annual salary increase of four thousand five hundred dollars until that amount would cause his salary to exceed step one. At that time, he shall receive a salary increase to the amount of the nearest step which will provide an increase of not less than three hundred dollars.

(b) Each chief deputy whose salary is at the level of step one or higher shall be evaluated as to merit in January. The criteria and procedure for the merit evaluation shall be determined by the Registrar of Voters Association. It shall provide that each chief deputy will be evaluated by the registrar of his parish. Upon a finding of "excellent" on a merit evaluation, the chief deputy shall receive a salary increase to the next step until his salary equals the highest step of the appropriate population range.

C.(1) The annual salary of the confidential assistant to the registrar of voters in each parish shall be based on the most recent population figures as shown by the latest federal decennial census, the Louisiana Tech University population estimates for Louisiana parishes, or as determined by the governing authority of each parish in accordance with law.

(2) The salary ranges and pay schedule for the confidential assistant shall be as follows:

(3)(a) A person appointed by the registrar as confidential assistant on or after July 1, 1997, shall be employed with an annual salary of step one of the appropriate population range.

(b) Each parish shall continue to compensate its confidential assistant at no less than the same annual dollar amount as that paid by the particular parish on July 1, 1991, including both the prior mandated portion and any supplements authorized. The difference between the amount of compensation due each confidential assistant and the amount payable by the parish governing authority shall be paid by the state through the secretary of state.

(4)(a) Each confidential assistant shall automatically receive an annual salary increase to the next step on July first until his salary equals the highest step of the appropriate population range. However, a confidential assistant whose salary is less than step one of the appropriate population range shall receive a salary increase of four thousand five hundred dollars until that amount would cause his salary to exceed step one. At that time, he shall receive a salary increase to the amount of the nearest step which would provide an increase of not less than two hundred dollars.

(b) Each confidential assistant whose salary is at the level of step one or higher shall be evaluated as to merit in January. The criteria and procedure for the merit evaluation shall be determined by the Registrar of Voters Association. It shall provide that each confidential assistant be evaluated by the registrar of his parish. Upon a finding of "excellent" on a merit evaluation, the confidential assistant shall receive a salary

increase to the next step until the confidential assistant's salary is equal to the highest step of the appropriate population range.

D. No law to increase or decrease that portion of the salary payable by the parish shall be enacted hereafter unless notice of intent to enact such a law has been published on two separate days, without cost to the state, in the official journal of each locality affected by the enactment of the increase or decrease in the salary figures. The last day of publication shall be at least thirty days prior to introduction of the bill.

E. The annual compensation of each chief deputy registrar of voters and confidential assistant shall be based upon the most recent census taken by the United States Government, the Louisiana Tech University population estimates for Louisiana parishes, or upon the population figures of each parish as determined by its governing authority as provided by law.

F. The state portion of the salary of each chief deputy registrar of voters and confidential assistant shall be paid biweekly by the state through the secretary of state, and the parish portion of the salary shall be paid monthly by the parish governing authority on the warrant of each chief deputy and confidential assistant. The funds for the parish portion of the salary shall be annually appropriated by the parish governing authority and the funds for the state portion of the salary shall be annually appropriated by the legislature to the secretary of state.

G.(1) The annual salary of a person employed on July 1, 1991, in the position of chief deputy registrar of voters or confidential assistant shall not be decreased by the provisions of this Section.

(2) When the position of chief deputy registrar of voters or confidential assistant is vacated, the salary for such position shall be paid in accordance with the provisions of Subsections B and C hereof.

H. The portion of the salaries of permanent employees, other than registrars, chief deputies, and confidential assistants, which is being paid by the state on August 30, 1983, shall be paid by the state and the portion of such salaries being paid by the parish governing authority on August 30, 1983, shall be paid by the parish governing authority. The state shall pay one-half the salary and the parish governing authority shall pay one-half the salary of such permanent employees who are employed after August 30, 1983.

I.(1) A registrar may employ and fix the compensation of such additional temporary personnel as he finds necessary from time to time in order to efficiently perform a duty imposed upon him by law within the time the law requires that the duty be performed. The compensation so fixed shall be approved by the parish governing authority and shall be paid from funds appropriated by the parish governing authority.

(2) Temporary personnel, whether or not compensated, may with the authorization of the registrar be utilized for the purpose of registering voters and conducting absentee by mail and early voting.

J. In any parish in which the registrar had no extra clerical personnel on the effective date of the code, the registrar shall receive fifteen hundred dollars per year for extra clerical help and for expenses. However, in any of such parishes the registrar, in addition to employing extra clerical help or in lieu thereof, may appoint a deputy registrar, whose salary shall be paid out of this additional fifteen hundred dollars per year. A deputy registrar so appointed shall be governed by all of the provisions of law relating to deputy registrars of voters.

(2) Based on the parish population range as shown by the latest federal census, the Louisiana Tech University population estimates for Louisiana parishes, or census of the parish governing authority, the maximum number of authorized positions in each parish is established as follows:

(2) In addition to the number of authorized positions established in the office of a registrar of voters as provided in Subsection A of this Section and Paragraph (1) of this Subsection, one state employee position is established in the office of the registrar of voters in St. Landry Parish, subject to annual appropriations of the legislature.

C. (2) If a reduction in the number of positions in the office of a registrar of voters is necessary because of a change in parish population pursuant to Subsection C hereof, the number of positions shall be reduced by attrition.

A. The Louisiana Voter Registration Administrators' Certification Program is hereby established to formalize and recognize the professional standards of registrars of voters, chief deputy registrars, and confidential assistants to registrars of voters in the state.

B. The voter registration administrators' certification program is designed to provide registrars of voters, chief deputy registrars, and confidential assistants educational courses and a curriculum to develop core skills required for election and voter registration administration and to establish additional professional bonds of achievement. The program will accomplish these goals by introducing registrars of voters, chief deputy registrars, and confidential assistants to registrars of voters to new ideas that will enhance effective performance in registration administration; creating opportunities to enhance professional development through attendance and involvement in respective state associations; emphasizing the need for continued maintenance of high standards for the registrars of voters offices; and providing recognition for the attainment of enhanced managerial and administrative skills.

C. Only those persons holding the position of registrar of voters, chief deputy registrar, and confidential assistant to a registrar of voters shall be eligible for participation in the voter registration administrators' certification program.

D.(1) The requisite education and training will be provided through courses of the Certified Elections Registration Administrator program administered through Auburn University and the Election Center, a national certification designation. Any course taken by a registrar of voters, chief deputy registrar, or confidential assistant shall be a course that is required for the attainment of certification or maintenance of such certification.

(2) The Voter Registration Administrators' Certification Program requires the following: a minimum of twelve courses of twelve hours in length for a total of one hundred forty-four hours to be completed within five years; maintenance of a yearly rating of "excellent" as determined through the standards specified in R.S. 18:55(A); five years work experience related to the administration of elections and voter registration; and completion of all continuing education course hours required to maintain certification. If these requirements are not met, the registrar of voters, chief deputy registrar, or confidential assistant, as the case may be, will lose certification and certification compensation until certification requirements are once again attained.

E.(1) The Voter Registration Administrators' Certification Program Committee is hereby created to govern the certification program. The certification committee shall be composed of five members who shall serve one-year terms and who may be reappointed. The members shall be appointed as follows:

(a) One member shall be the chairman of the Legislative Committee of the Registrar of Voters Association who shall serve as chairman of the committee.

(b) One member shall be the chairman of the subcommittee of the Legislative Committee of the Registrar of Voters Association appointed to explore the creation of a certification program.

(c) Three members shall be registrars of voters, chief deputy registrars, or confidential assistants to registrars of voters who have received the designation of Certified Elections Registration Administrator.

(2)(a) Documents establishing the successful completion of the certification program shall be submitted to and approved by the certification committee. Upon approval of the application for certification, a person holding the position of registrar of voters, chief deputy registrar, or confidential assistant to a registrar of

voters shall receive the designation of Louisiana Certified Elections Administrator and notice of the approval shall be forwarded to the legislative auditor by the certification committee.

(b) If, on July 1, 2006, a registrar of voters, chief deputy registrar, or confidential assistant to a registrar of voters has completed the educational and experience requirements as provided in Subsection D of this Section and the documents showing the successful completion of the program have been submitted to and approved by the certification committee and such approval documented to the secretary of state, the registrar of voters, chief deputy registrar, or confidential assistant to a registrar of voters shall be granted a seven percent increase in his annual salary as set forth in R.S. 18:55 or 59.

(c) A registrar of voters, chief deputy registrar, or confidential assistant to a registrar of voters shall complete the requirements of Subsections D and E of this Section in order to receive the seven percent compensation enhancement. If a registrar of voters, chief deputy registrar, or confidential assistant to a registrar of voters does not complete the certification program as provided in Subsections D and E of this Section, his salary shall remain as provided in R.S. 18:55 or 59. If, after certification, a registrar of voters, chief deputy registrar, or confidential assistant to a registrar of voters does not receive certification renewal within each three-year period, his salary shall revert back to the salary scale provided for in R.S. 18:55 or 59. Notwithstanding the provisions of R.S. 18:57, the failure to maintain certification shall result in the loss of the compensation enhancement provided for in this Section.

A. Except as otherwise provided by the laws governing absentee registration, electronic registration, and mail registration, each applicant shall establish his identity, age, and residency. The registrar or any person authorized to accept voter registration applications shall require the applicant to submit his current Louisiana driver's license, if he has one, or his birth certificate, or other documentation which reasonably and sufficiently establishes the applicant's identity, age, and residency. A birth certificate shall be used only to establish the applicant's identity and age. For the purposes of this Subsection, a short-form birth certification card shall be acceptable as a birth certificate. If the registrar or any person authorized to accept voter registration applications has good reason to believe that the applicant is not the person he represents himself to be or is not qualified to register as provided in R.S. 18:101, he shall require the applicant to produce two witnesses who reside in his precinct to make oath to establish his identity, age, and residency.

§106. Physical disability; inability to write English; language minority groups; execution of documents; assistance

A. Upon the request of an applicant for registration or for any registered voter, without any formality, the registrar shall assist such person in the filling and execution of an application, affidavit, or other form or document governed by the voter registration laws. Any person authorized to accept voter registration applications shall assist such person in the completion and execution of an application used for registration, change of address, or change of name.

B. If the person requesting assistance has a physical disability or is unable to read or write English, the registrar or any person authorized to accept voter registration applications shall assist the person by reading the documents to him and by executing the documents by writing what the person dictates. If the applicant or voter does not speak English adequately for such dictation, the dictation shall be given and taken through an interpreter. If the applicant or voter is able to sign his name to the document, he shall do so. If he is unable to sign his name, he shall sign with his mark in the presence of two witnesses, who shall sign as witnesses to his mark.

C.(1) If subsequent to registration a voter acquires a physical disability and needs assistance in voting, he shall notify the appropriate registrar in person or by mail and shall furnish the registrar proof of disability.

(2) For purposes of this Subsection proof of disability means one of the following:

(a) A certificate of a medical doctor or optometrist certifying to the irremediable nature of the physical disability.

(b) A copy of a current mobility impairment identification card bearing a photograph of the voter and the international symbol of accessibility issued by the secretary of the Department of Public Safety and Corrections as authorized by R.S. 47:463.4.

(c) A copy of current documentation showing eligibility for social security disability benefits, veteran's disability benefits, paratransit services, benefits from the office for citizens with developmental disabilities, or benefits from Louisiana Rehabilitation Services.

(d) A completed and signed voter registration application attesting that the voter has a physical disability and requires assistance in voting.

(3) If notifying the registrar by mail, in addition to notice and proof of disability, the voter shall furnish the registrar a copy of his Louisiana driver's license, his Louisiana special identification card issued pursuant to R.S. 40:1321, or other generally recognized picture identification card that contains the name and signature of the voter, or a form on which the person has listed the names and addresses of at least two persons residing in his precinct who could make oath, if required, to the effect that the person is physically disabled. If he is unable to sign his name to the notice sent by mail, he shall sign it with his mark witnessed by the signatures of two witnesses.

(4) The failure of a voter to comply with this Subsection, or the furnishing of notice and proof during the time that the registration records are closed, shall not deprive the voter of his right to vote and to receive assistance in voting if he complies with the requirements of the laws governing the conduct of elections with respect to assistance to voters in casting their votes.

D. If an applicant for registration or registered voter is a member of a language minority group, as determined under the federal Voting Rights Act that entitles the applicant to registration notices, forms, instructions, materials, information, or other assistance in the language applicable to his language minority group, the registrar or any person authorized to accept voter registration applications shall supply such materials, information, and assistance in conformity with the federal Voting Rights Act.

§106.1. Change of registration for voters with disabilities and documentation establishing disability

A. If a person with a disability who is registered to vote in one parish changes his registration to another parish, he shall be eligible to vote absentee by mail in his new parish of registration without having to submit to the registrar of voters for the new parish additional documentation establishing his disability, provided the person is otherwise qualified to vote and meets one of the following conditions:

(1) Prior to January 1, 2010, the person was approved by a parish board of election supervisors as being eligible to participate in the Special Program for Handicapped Voters as such program existed prior to January 1, 2010.

(2) The person had submitted to the registrar for his previous parish of registration current proof of disability from a physician along with a certification from the physician indicating that by reason of the voter's disability the voter is unable to appear in person to vote either during early voting or at the polling place on election day.

B. The registrar of voters for the new parish of registration shall request a copy of the documentation on file relating to the person's disability from the registrar of voters for the person's previous parish of registration.

§107. Party affiliation not required for registration; change in party affiliation

A. An applicant need not be a member of a political party or declare a party affiliation in order to be registered, but in such case the words "no party" or an abbreviation thereof on the application form shall be circled.

B. A registrant may change his party affiliation by making application therefor in writing to the registrar. When he receives the request, the registrar shall note the political party designated by the registrant and the date of the change in the registrant's information on the state voter registration computer system and, if the original application is available in hard copy in the registrar's office, on the original application form.

C. If a registrant has registered without declaration of party affiliation and afterwards desires to affiliate with a party, he shall make written application therefor to the registrar, and the registrar shall enter in the registrant's information on the state voter registration computer system and, if the original application is available in hard copy in the registrar's office, on the original application form, the party the registrant selects and the date of the change.

D. If a registrant has registered with a declaration of party affiliation and afterwards desires to affiliate with no party, he shall make written application therefor to the registrar, and the registrar shall enter in the registrant's information on the state voter registration computer system and, if the original application is available in hard copy in the registrar's office, on the original application form, the words "no party" or an abbreviation thereof and the date of the change.

E. The provisions of Subsections B, C, and D of this Section, relative to party affiliation, shall be subject to the provisions of R.S. 18:135(B).

F. Notwithstanding the provisions of Subsections B and C of this Section, a registrant shall not be designated as being affiliated with more than one party at the same time.

§108. Prior registration; surrender of certificate or notice of registration before new registration; change of place of registration

A. If the registrant's application indicates that the applicant previously registered as a voter in any other parish, and if the previous voter registration certificate or notice of registration is available, then before making a new registration the registrar shall require the applicant to surrender his previous certificate or notice for cancellation. The registrar shall promptly notify the registrar of the parish in which the applicant has registered previously, through the statewide voter registration system, of the present registration. The other registrar shall verify the cancellation of the voter's registration in the other parish; however, the cancellation shall not be made as long as the registrant has the right to vote in the parish of his former residence as provided in R.S. 18:110(C).

B. Notwithstanding the provisions of Subsection A of this Section, the statewide voter registration system may identify a duplicate registration based upon criteria as established by the Department of State. If all criteria correspond exactly, the Department of State or the registrar receiving a new registration shall transfer the registration through the statewide voter registration system to the parish of the registrar receiving the new application, which shall cancel such duplicate registration in the other parish; however, the cancellation shall not be made as long as the registrant has the right to vote in the parish of his former residence as provided in R.S. 18:110(C). The Department of State shall promptly give notice of any cancellation made pursuant to this Subsection to the registrar of the parish in which the applicant was previously registered.

C. For any voter whose registration has been canceled because the voter has registered in another parish or in another state, if such voter makes application to register in the parish in which he was previously registered to vote within three years after the cancellation of his registration in that parish, and the registrar determines that he is qualified to register to vote in that parish, the voter's information in the statewide voter registration system from his previous registration shall be reinstated, except that any necessary changes shall be made to such information, including but not limited to the voter's new address, and he shall receive an updated certificate or notice of registration.

§109. Notice of registration and change in registration

After receiving from the registrar the information concerning a new registrant or a change in name, address, or polling place made with respect to the registration of any person, the Department of State promptly shall deliver a notice to the appropriate registrar that the person is registered or that his registration has been changed. The registrar shall then mail the notice, postage prepaid, to each new registrant and to

each person whose registration was changed. The notice shall show the parish, ward, precinct, and registration address of the registrant. The notice shall list an abbreviation of the name of the political party if the registrant is registered as being affiliated with a recognized political party, "other" if the registrant is registered as being affiliated with a political party that is not recognized, or "no party" or an abbreviation thereof if the registrant is registered with no political party affiliation. However, the registrar shall not be required to send such a notice to any voter who is on the inactive list of voters unless the change in registration involves a change in the voter's address. The secretary of state shall prescribe the form to be used on the notice; however, "Return Service Requested" shall be printed on the front of the notice, and the return address shall be that of the registrar. When a notice is returned by the postmaster, the registrar shall proceed in accordance with the applicable provisions of Part V of this Chapter.

§110. Removal from precinct; removal from parish

A.(1) At any time prior to closing of registration for any election a registrant who changes his residence within the parish may change his registration without reregistering by making application by mail to the registrar or by appearing in person at the office of the registrar and making application for a change of registration or by any other manner authorized in this Part. If the registrant is unable to sign his name to the application, he shall sign it with his mark, witnessed by the signatures of two witnesses. The application shall state that he is unable to sign his name.

(2) The application shall contain the name in full; address appearing on the registration records; present residence, including apartment or room number, if any; date of change of residence; date of application, and signature of voter.

(3) Upon receipt of an application for a change of registration, the registrar shall compare the signature on the application with the signature on the original application card, any subsequent signature in the records of the registrar, or the signature on any microfilm, microfiche, or scanned or electronically captured computerized images of documents in the records of the registrar. If the signatures are sufficiently alike to identify the applicant as the registered voter, the change shall be made and the date of the change of residence and the new ward and precinct shall be recorded in the registrant's information on the state voter registration computer system and, if the original application is available in hard copy in the registrar's office, on the original application form. If the application is signed by a mark witnessed by the signatures of two witnesses, the registrar shall make the change on the basis of the application.

(4) The registrar shall send the notice referred to in R.S. 18:109 to a voter whose registration is changed.

B.(1) A change of registration based upon a change of residence within a parish received after the closing of registration for a primary election shall become effective the day after the general election or special general election when a special primary election is held in conjunction with a general election except as follows:

(a) A person whose registration has been canceled pursuant to R.S. 18:193(G).

(b) A person whose registration has been canceled or whose address has been corrected pursuant to R.S. 18:196(C).

(2) The change of residence of a registrant from one precinct to another in the same parish does not deprive him of the right to remain as a legal registrant, as to all issues upon which he was entitled to vote prior to his change of residence, in the precinct from which he has removed until he changes his registration as provided in Subsection A of this Section and has the right to vote in the precinct to which he has moved.

(3) However, in a regularly scheduled general election where the only candidate's election appearing on any ballot in the parish is a special primary election, then in such instance, the change shall become effective prior to the special primary election. In a regularly scheduled or special general election, where the change of registration does not change any issues or candidate offices upon which the voter was entitled to vote prior to the change, the change shall become effective prior to the regularly scheduled or special general election.

C. The removal from one parish to another parish does not deprive any registrant of the right to remain a legal registrant in the parish from which he has removed, as to all issues upon which he was entitled to vote prior to his change of residence, until he registers and has the right to vote in the parish to which he has moved or until three months after he moved, whichever is sooner.

D. Any registrant may have his name cancelled from the file of eligible voters by filing a written statement of such request with the registrar of voters for the parish in which he is registered.

§111. Change of name

A. In order to remain a legal registrant, a person who changes his name by virtue of a judgment of court shall produce in the presence of or, if required, file with the registrar or any person authorized to accept voter registration applications a certified copy of the judgment or his affidavit setting forth the pertinent facts containing the change of name.

B. A married woman, at her option, may be registered in her maiden name, her present husband's name, or in a hyphenated combination thereof. If divorced, widowed, or remarried, she may be registered in her maiden name, in the surname of her deceased or former or present husband, or in a hyphenated combination thereof. A change of name allowed by this Subsection shall be made by producing in the presence of the registrar or other person authorized to accept voter registration applications her affidavit stating the name under which she desires to be registered as allowed by this Section.

C. If a registered voter, subsequent to his registration, is no longer capable of signing his name without using a mark, he shall file an affidavit, meeting the requirements of R.S. 18:200, with the registrar of voters attesting to that fact and stating the reason for such a change in signature.

§112. Endorsement of changes

Whenever any change is made with respect to the registration of any person, the date of the change and all pertinent information concerning the change shall be entered by the registrar in the registrant's information on the state voter registration computer system. If the original application is available in hard copy in the registrar's office, the document indicating the change shall be attached to the original application for registration and any other official registration records.

§113. Denial of registration; remedies of applicant

A. Any person who alleges that he possesses the qualifications for voting who is denied registration or reinstatement may apply for relief, without cost, to the district court having jurisdiction of civil causes for the district in which he offers to register or seeks to be reinstated.

B. In addition to the rights and remedies established by Subsection A of this Section, a person who violates the provisions of the National Voter Registration Act of 1993 shall be subject to the provisions for enforcement and to the penalties contained in such Act.

§114. Registration at driver's license facilities

A. It is the intention of the legislature to encourage the broadest possible participation in the electoral process by the citizens of this state. Therefore, voter registration services provided for in this Section shall be available at all driver's license facilities in this state.

B.(1) Each application to obtain, renew, or change the name or address on a driver's license or identification card issued by the Department of Public Safety and Corrections made by an applicant who is eighteen years or older shall also serve as an application for voter registration by the applicant unless the applicant declines to register to vote through specific declination or by failing to sign the voter registration application. Each application to obtain a driver's license issued by the Department of Public Safety and Corrections made by an applicant who is sixteen years old shall also serve as an application for voter registration by the applicant unless the applicant declines to register to vote through specific declination or by failing to sign the voter registration application. In addition, any person age seventeen may register to vote at any time prior to the first election at which he shall have attained the age of eighteen years. However, no one under the age of eighteen years shall be permitted to vote in any election.

(2) Any change of address or change of name submitted to the Department of Public Safety and Corrections for the purpose of changing the information contained on a driver's license or identification card issued by the Department of Public Safety and Corrections shall serve as a notification of change of address or change of name for voter registration unless the registrant states at the time of submitting the change of address or change of name that the change is not for voter registration purposes.

C. Repealed by Acts 1994, 3rd Ex. Sess., No. 10, §2, eff. Jan. 1, 1995.

D. The secretary of state shall design and provide a standard notice informing the public of the eligibility requirements for and availability of voter registration, which notice shall be posted in each driver's license facility of the state.

E. The secretary of state and the deputy secretary for public safety services of the Department of Public Safety and Corrections shall develop voter registration application forms for use at driver's license facilities. Such forms shall be in conformity with the National Voter Registration Act of 1993.

F. Procedures for voter registration pursuant to this Section shall be as follows:

(1) The notice form, as provided for in this Section, shall be posted in a prominent place in each driver's license facility wherein voter registration applications are to be accepted.

(2) Any employee authorized to accept an application to obtain, renew, or change the name or address on a driver's license or identification card shall offer voter registration to any person making such an application, shall obtain written and signed confirmation of any declination of the offer of voter registration, and, upon request, shall provide assistance to any person who desires to register to vote. Such assistance may consist of answering any question that person might have about completing the registration form. However, if the person requesting assistance has a physical disability or is unable to read or write English, the

authorized employee shall provide such assistance as is allowed to be provided by registrars of voters under the provisions of R.S. 18:106.

(3) Prior to generating the portion of the form which is an individual registration form, the authorized employee shall require the applicant to submit his current Louisiana driver's license, if he has one, or his birth certificate or birth certification card, or other documentation which reasonably and sufficiently establishes the applicant's identity, age, and residency.

(4) Each applicant shall be required to complete the registration application form in the presence of an authorized employee.

(5) Upon completion of the registration application form, the applicant shall return the form to an authorized employee.

(6) The authorized employee shall ensure that the registration form has been completely filled out.

(7) The applicant shall sign the affidavit provision of the registration form before the authorized employee who, for purposes of this Section, shall be authorized to administer any oath required on the registration form. The authorized employee shall inform the applicant that he will not be officially registered to vote until the application is received and approved by the registrar of voters.

(8) Upon completion of these procedures, the authorized employee shall, within five working days, return the completed registration application to the registrar of voters within the parish where the office is located who shall transmit such application to the appropriate registrar of voters for the parish in which the applicant resides, as determined from the information contained on the registration application. If a registration application is accepted within five days before the last day for registration, each driver's license facility shall transmit the completed voter registration application forms at the conclusion of each business day. If the information contained on the application form is insufficient to register the applicant, the registrar of voters shall mail a notice to the applicant at the address provided on the application form informing the applicant that he has ten days from the date on which the notice was mailed to provide the necessary information. If the applicant fails to provide the necessary information within that time, the applicant shall not be registered and the registrar shall so advise the applicant.

(9) Upon receipt of the completed registration form, the registrar shall, if the information thereon establishes that the applicant meets the requirements for registration, register the applicant and mail notice of registration to the applicant's residence, as provided on the application. Any completed voter registration application transmitted to and received by a registrar by a driver's license facility shall be considered an update of any existing registration for that person. However, if a registrar accepts any application for registration, change of name, or change of address that has been received by a driver's license facility while the registration records are closed for a particular election as required by R.S. 18:135(A), none of the changes in a registration shall be effective until at least the day after the particular election has been held. In the case of a change of address, the change shall be effective in accordance with the provisions of R.S. 18:110(B).

G. No individual shall be registered to vote pursuant to this Section if he does not meet the requirements for registration as provided in Chapter 4 of Title 18 of the Louisiana Revised Statutes of 1950, except where said provisions are specifically in conflict herewith.

H. Any public official or employee who attempts to register any person without complying with the applicable provisions of this Section shall be subject to a fine of not more than five hundred dollars or be imprisoned for not more than six months, or both.

I. The secretary of state, after consultation with the deputy secretary for public safety services of the Department of Public Safety and Corrections, shall adopt rules and regulations to provide for the implementation of this Section. Such rules and regulations shall be adopted in accordance with the Administrative Procedure Act and shall be subject to oversight by the House Committee on House and Governmental Affairs and the Senate Committee on Senate and Governmental Affairs.

J. The transmittal of a change of address or change of name shall be handled in the same manner as the transmittal of a voter registration application.

K. If an applicant declines to register to vote, the fact that the applicant has declined to register will remain confidential and will be used only for voter registration purposes. The fact that any particular applicant has submitted an application to register to vote at a driver's license facility shall be kept confidential and shall be used only for voter registration purposes.

L. Each driver's license facility shall maintain such statistical records on the number of applications to register to vote as requested by the secretary of state.

The secretary of state shall report his findings to the Senate Committee on Senate and Governmental Affairs and the House Committee on House and Governmental Affairs no later than January 1, 2007, and at least biennially thereafter.

B. If the secretary of state certifies that it is feasible to shorten the period of time between the close of voter registration and the election and a majority of the members of each committee concur that such change is feasible, the secretary of state shall develop a plan in writing that proposes to change the close of voter registration, the number of days prior to the election that voter registration would close, what types of voting technology and equipment would be used, and any necessary procedural changes relative to voter registration and the conduct of the election.

C. The written plan to change the close of voter registration shall be submitted by the secretary of state to the Senate Committee on Senate and Governmental Affairs, the House Committee on House and

Governmental Affairs, and the governor as soon as practicable following the committees' concurrence with his certification. If a majority of the members of the Senate Committee on Senate and Governmental Affairs and of the House Committee on House and Governmental Affairs approve the plan, such plan shall be submitted to the members of each house of the legislature for approval by mail ballot as provided in this Section. If a majority of the members of each house of the legislature and the governor approve the plan, the secretary of state shall take all steps necessary to implement the plan and all officials of the state and of any political subdivision thereof shall cooperate with and provide assistance to the secretary of state as necessary to implement the plan.

D.(1) In order to obtain the approval of a majority of the elected members of each house of the legislature, the secretary of the Senate and the clerk of the House of Representatives shall jointly prepare and transmit a ballot to each member of the legislature by certified mail with return receipt requested unless the legislature is in session and the ballots may be distributed and returned during the session as provided in this Subsection.

(2)(a) The ballot shall be uniform and the materials sent with the ballot shall include:

(i) A copy of the secretary of state's certification that it is feasible to shorten the period of time between the close of voter registration and the election and the number of days the time period would be reduced.

(ii) A copy of the plan for the change of the close of voter registration.

(iii) A copy of the roll call votes of the Senate Committee on Senate and Governmental Affairs and the House Committee on House and Governmental Affairs on the approval of the plan.

(iv) The date and time on which the ballot may be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, in order for the ballot to be valid.

(b) Each ballot shall contain the name of the member to whom it is to be mailed or delivered, and the member shall sign the ballot after casting his vote.

(3) The ballots mailed to all members shall be postmarked on the same day and shall be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, within fifteen days after the postmarked date; or, when such ballots are delivered to the members of the legislature while in session, the ballots shall be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, within five days after the date the ballots were delivered to members. No ballot received after five o'clock p.m. on the fifth day after the date on which the ballots were delivered to the members during session or after five o'clock p.m. on the fifteenth day after the date on which the ballots were mailed shall be valid or counted, and the date and time received shall be marked on each such ballot and the ballot shall be marked "Invalid". Prior to five o'clock p.m. on the fifth day after the date when delivered to the members of the legislature while in session or prior to five o'clock p.m. on the fifteenth day after the postmarked date if mailed to the members of the legislature, a member may withdraw his ballot or change his vote upon his written request.

(4) At any time after the deadline for submitting the ballots as provided in Paragraph (3) of this Subsection, but prior to the eighteenth day after the date on which the ballots were mailed, or prior to the eighth day after the date on which the ballots were delivered to the members of the legislature in session, the secretary of the Senate and the clerk of the House of Representatives shall jointly open and tabulate the vote in roll call order for each house of the legislature. The clerk and the secretary shall hold such ballots unopened and shall not disclose the contents to any person until the day when such ballots are opened and tabulated. The tabulation sheet shall indicate by name each member who voted in favor of the plan, each member who voted against the plan, each member who did not return the ballot by the deadline, and each member whose ballot was invalid because it was not marked or signed by the member. The secretary of the Senate and the clerk of the House of Representatives shall each sign the tabulation sheet and cause a certified copy thereof to be transmitted to the secretary of state, the governor, and the chairmen of the Senate Committee on Senate and Governmental Affairs and the House Committee on House and Governmental Affairs.

(5) The tabulation sheet shall be a public record.

(6) If regular mail service is impaired, the secretary of the Senate and the clerk of the House of Representatives shall utilize any method necessary to deliver the ballots, including commercial delivery, electronic transmission, or hand delivery, and shall keep a record of the manner of delivery utilized to deliver the ballot to each member and the date the ballot was so transmitted to each member. For the purposes of this Subsection, if such an alternative delivery method is so required, the date on which the ballot was so transmitted shall be considered to be the date postmarked.

The secretary of state shall be responsible for the preservation and maintenance of all such materials released to him, or to his designee, until the materials have been returned to the control and custody of the registrar.

C. For purposes of this Part, the original application for registration shall include the actual document or form completed by the voter and all documented changes thereto.

B. Each registrar shall keep a master file consisting of all original applications for registration made by persons who are currently registered, if available in hard copy, arranged alphabetically for the parish or for

each ward and precinct or for each precinct of the parish, or any microfilm, microfiche, or scanned or electronically captured computerized images of such documents. The parish governing authority shall provide the registrar with safe, secure, and fireproof storage space for use as a depository for the master file.

C.(1) The Department of State shall provide each registrar with an updated registration list upon request by the registrar for office use.

(2)(a) Prior to each election, the registrar shall obtain one current precinct register for each precinct in the parish where an election is to be held. The Department of State shall provide the registrar with one duplicate precinct register in electronic form. Each precinct register shall contain information for identification of the voter at the polls, a space which the voter shall sign at the time he votes, a space for the initials of the commissioner at the polls, a space for the date of the election, and space for such other information as is deemed necessary.

(b) Prior to delivery of the precinct register to the contractor authorized by the secretary of state to deliver voting machines pursuant to R.S. 18:1371, the registrar shall add the names and collateral information on those mail registrants and registrants who submitted an electronic application pursuant to R.S. 18:115.1 who were verified after the printing of the precinct register. Subsequent to the delivery of the precinct register, the registrar shall add the names and collateral information on those mail registrants and registrants who submitted an electronic application pursuant to R.S. 18:115.1 who were verified after the delivery of the precinct register. Such listing of registrants shall be considered another supplement to the official list of voters and a part of the precinct register. The voting record of each registrant shall be entered on the computer system as soon as feasible following an election.

(4) The registration records to be used at the polls for voter identification shall contain information, if applicable, showing that the registrant has a physical disability or is unable to read. If the registrant is unable to read or write English, the records shall show in which language he is entitled to printed materials, ballots, and assistance if he is a member of a language minority group under a determination made under the federal Voting Rights Act. A voter entitled to assistance whose record so indicates may be given such assistance at the polls at the voter's request.

D. The registrar in each parish shall keep a cancellation file in which he shall place the original application for registration of each person whose registration is canceled, if the original application is available in hard copy in the registrar's office.

In such instances, the registrar shall cause his employees to make copies of the requested records or print the information electronically, if the electronic copy contains the same information, and deliver them to the voters or request the secretary of state to reproduce such records which may then be forwarded to the registrar for delivery to the voters. §192. Annual canvass; costs

A.(1)(a) No later than June thirtieth in each parish, the registrar of voters shall annually canvass the names of the registrants in all precincts in the parish. Failure of the registrar to conduct an annual canvass as provided in this Paragraph shall constitute willful misconduct relating to his official duty for the purposes of R.S. 18:53. The Department of State shall use the United States Postal Service or its licensee to verify the names and addresses of the registrants in all precincts in the state. A verification by the United States Postal Service or its licensee shall constitute a valid canvass of the registered voter.

(b) In conducting the verification, if the United States Postal Service or its licensee provides a corrected address, the Department of State shall furnish the corrected address to the appropriate registrar of voters. Upon receiving a corrected address inside the parish, the Department of State may make the change on the statewide registration system and the registrar of voters may make the change on his records. If a change is made, the registrar shall mail a new voter identification card to the voter using the corrected address provided and an address confirmation card as provided in R.S. 18:193. In the event the new voter identification card using the corrected address is returned to the registrar and the voter has failed to return the address confirmation card, the registrar shall consider the address not corrected. His records should be changed to reflect the prior address on file for that voter. If the corrected address is outside the parish, the registrar of voters shall not make the change on his records and shall send an address confirmation card as provided in R.S. 18:193.

(2) For a registrant whose address was not verified or whose corrected address is outside the parish, the registrar shall send an address confirmation card as set forth in R.S. 18:193.

B. The parish governing authority shall provide to the registrar of voters the funding necessary for the mailing of new voter identification cards in the conduct of the canvass.

However, a person shall not be placed on the inactive list of voters if there is address information available to the registrar from the United States Postal Service or its licensee which indicates the voter has moved to another address within the parish.

B. For the purposes of this Section, "address confirmation card" shall mean a postage prepaid and pre-addressed return card, sent by forwardable mail. The Department of State shall be responsible for developing the address confirmation card and for informing the registrant about his voting rights under the address confirmation process and the address confirmation card shall be submitted by the Department of State to the House and Governmental Affairs Committee of the House of Representatives and the Senate and Governmental Affairs Committee of the Senate for review.

C. If the registrant responds to the address confirmation card and has not moved or has moved within the parish, the registrar shall remove the person's name from the inactive list of voters if it is on the inactive list and correct the voter's address if necessary.

D.(1) If the voter responds to the address confirmation card and has permanently moved to a different parish, the registrar shall transfer the voter's registration information to the new parish of residence.

(2) If the voter responds to the address confirmation card and has permanently moved outside the state, the registrar shall cancel the voter's registration.

E. A voter on the inactive list of voters who fails to respond to the address confirmation card shall remain on the inactive list of voters until his address is confirmed in accordance with the procedures set forth in R.S. 18:196 or not later than a period of two regularly scheduled federal general elections, at which time the registrar shall cancel the voter's registration.

F. A list of names and addresses to whom address confirmation notices are sent and whether or not each person responded to the confirmation notice shall be maintained for a period of two years and shall be open to inspection and copying as provided in R.S. 18:154. Ninety days prior to a regularly scheduled federal primary election, the names and addresses of those persons on the inactive list shall be published for one day in the official journal of the parish governing authority or in a newspaper calculated to provide maximum notice in the parish.

G.(1) If the registrar has reason to believe that the name of a person has been illegally or fraudulently placed upon the registration records or that a registrant no longer is qualified to be registered for a reason other than a change of residence or address, or that the registrant has deliberately given an incorrect address, he shall immediately notify the person. The notice shall be mailed first class, postage prepaid, to the address on file at the registrar's office.

(2) The notice shall state the alleged irregularity in the registration and shall inform the person that he must appear in person at the office of the registrar of voters within twenty-one days after the date on which the notice was mailed to show cause why his name should not be removed.

(3) If the registrant fails to appear within the required twenty-one days, the registrar shall cancel his name from the list of eligible voters. If the registrant appears and shows cause within the twenty-one days, the registrar shall not cancel the registration.

(4) Records of such activity shall be maintained in accordance with the provisions provided in Subsection F of this Section.

H. If the registrar determines that a voter's registration has been cancelled through error of the registrar, the registrar shall reinstate the voter's registration as though the cancellation had never occurred and shall notify the registrant of the reinstatement.

I. For the purposes of this Section, "residence address" shall mean the registrant's place of residence except in the case of a registrant to whom the United States Postal Service will not deliver mail to his place of residence, it shall mean the registrant's mailing address.

A. If the registrant whose registration is challenged for any lawful cause is a member of the United States Service or is a person who is temporarily residing outside the territorial limits of the United States, the registrar shall mail the registrant an address confirmation card. The registrant's name shall be placed on the inactive list of voters upon mailing of such card.

B.(1) Upon receipt of the address confirmation card or any written request for continued registration, the registrar shall place the registrant's name on the official list of voters.

(2) However, any registrant whose name appears on the inactive list of voters shall be eligible to sign a petition and such petition signature, if valid, shall be sufficient to return the registrant to the official list of voters. If the registrant still resides at the address on file at the office of the registrar of voters, the address on the petition shall be considered written confirmation of the continuation of that address for that registrant. However, if the address is different from that on file at the office of the registrar of voters, the address on the petition shall be considered written confirmation of the change of address of the registrant.

B. A registrant whose name is on the inactive list of voters may vote:

(3) If the registrant has moved to an address within the parish in a different precinct, at the polling place of such registrant's last address on file at the office of the registrar of voters for that election only upon affirming in writing that such registrant still resides in the parish by completing an address confirmation card affirming the new address within the parish.

(4) If the registrant has moved to an address outside the parish, at the polling place of such registrant's last address on file at the office of the registrar of voters for that election only upon affirming in writing that such registrant has moved within the last three months and no longer resides in the parish by completing an address confirmation card affirming the new address outside the parish and that the length of time since the move has not exceeded three months. If such registrant does not affirm that he has moved within the last three months, he shall not be permitted to vote.

C.(1)(a) If a registrant whose name is on the inactive list of voters appears at the polls and votes as provided under Paragraph (B)(1), (2), or (3) of this Section, the registrar shall transfer the registrant's name to the official list of voters and make any necessary corrections in the registrant's registration records.

(b) If the registrant appears at the polls and confirms that he has permanently moved to a different parish, the registrar shall transfer the registrant's registration information to the registrar of the new parish of residence.

(c) If the registrant appears at the polls and confirms that he has permanently moved outside the state, the registrar shall cancel the registrant's registration.

(2)(a) If a registrant whose name is on the inactive list of voters votes absentee by mail or during early voting, the registrar shall transfer the registrant's name to the official list of voters and make any necessary corrections in the registrant's registration records if the information on the address confirmation card, as required by R.S. 18:1309, or the residence address provided in an application to vote by mail so indicates.

(b) If the registrant confirms that he has permanently moved to a different parish, the registrar shall transfer the registrant's registration information to the registrar of the new parish of residence.

(c) If the registrant confirms that he has permanently moved outside the state, the registrar shall cancel the registrant's registration.

(3) If a registrant whose name appears on the inactive list of voters has returned an address confirmation card or other signed notice confirming an address change to the registrar of voters that was received after the close of books prior to a primary election and before the close of books for the general election, the registrar shall transfer the registrant's name to the official list of voters prior to the general election and make any necessary corrections in the registrant's registration records.

A. When the governing authority of a parish or municipality renames a street or road, or assigns a name to a previously unnamed street or road, or reassigns numbers of buildings or lots on a street or road, or assigns numbers to previously unnumbered buildings or lots on a street or road, the governing authority shall transmit a certified report of such action to the registrar of voters of the parish in accordance with the provisions of Subsection B of this Section.

B.(1) The report shall include but not be limited to:

(a) The prior name and new name of the street or road which was renamed.

(d) The prior designation, if any, and new numbers of previously unnumbered dwellings on a street or road assigned numbers.

(3) The information required by this Section shall be complete through the date of transmittal to the registrar, which shall be not later than the tenth day after the changes in names of streets or roads or numbers of dwellings become effective.

C.(1) When the registrar determines from the reports required by this Section that the address of a voter has been changed by action of the governing authority of a parish or municipality and that the change was not caused by a change in the place of residence of the voter, the registrar may change the registration records of each voter affected by such action of the governing authority for the sole purpose of correcting the address of the voter on those records.

(2) The registrar may make the changes authorized by this Subsection without authorization of the voter, but notice of such change shall be mailed to the voter not later than ten days after the change is made.

D.(1) The registrar may solicit and receive information relative to rural route changes, number changes, and other address changes imposed by action of local authorities of the United States Postal Service. When the information received from the United States Postal Service indicates that the address of a voter has been changed by action of the postal authority or for any reason except by a change in the place of residence of the voter, the registrar shall change the registration records of the voter affected for the sole purpose of correcting the address of the voter on those records.

(2) The registrar may make the change authorized by this Subsection without authorization of the voter, but notice of the change shall be mailed to the voter not later than ten days after the change is made.

CHAPTER 5. PRIMARY AND GENERAL ELECTIONS

PART I. GENERAL PROVISIONS

§401. Purpose and nature of primary and general elections

A. Purpose. Primary and general elections are held to elect persons to Congress and to all the elective offices in this state, except the office of presidential elector.

B. Nature. All qualified voters of this state may vote on candidates for public office in primary and general elections without regard to the voter's party affiliation or lack of it, and all candidates for public office who qualify for a primary or general election may be voted on without regard to the candidate's party affiliation or lack of it.

Acts 1976, No. 697, §1, eff. Jan. 1, 1978; Acts 2006, No. 560, §1, eff. Jan. 1, 2007; Acts 2010, No. 570, §1, eff. Jan. 1, 2011.

§401.1. Election emergency; purpose; elections emergency contingency plan

A. Due to the possibility of an emergency or common disaster occurring before or during a regularly scheduled or special election, and in order to ensure maximum citizen participation in the electoral process and provide a safe and orderly procedure for persons seeking to qualify or exercise their right to vote, to minimize to whatever degree possible a person's exposure to danger during declared states of emergency, and to protect the integrity of the electoral process, it is hereby found and declared to be necessary to designate a procedure for the emergency suspension or delay and rescheduling of qualifying, early voting, and elections.

B. The governor may, upon issuance of an executive order declaring a state of emergency or impending emergency, suspend or delay any qualifying of candidates, early voting, or elections. The governor shall take such action only upon the certification of the secretary of state that a state of emergency exists. A clerk of court, as the chief election officer of the parish, may bring to the attention of the secretary of state any difficulties occurring in his parish due to natural disasters.

C. If any delays or suspensions are authorized by the governor, the delayed qualifying, early voting or election day voting shall resume or be rescheduled as soon thereafter as is practicable. In the event the voting on election day is delayed or suspended and early voting has been completed prior to the issuance of the executive order delaying or suspending election day voting, early voting for the rescheduled election day may be reopened upon authorization of the governor for a reasonable time prior to the new election date. Notice of the delay or suspension and rescheduling of the election day or early voting shall be published at least once in a newspaper of general circulation in the affected area if time permits and, where practicable, broadcast as a public service announcement on radio and television stations, or by any other means of communication available at that time.

D.(1) As soon as possible following an emergency, the clerk of court shall identify the number of polling places that are functional and the number of polling places that have been destroyed. If a polling place is destroyed, inaccessible, or unsafe, efforts should be made to work with federal, state, and local emergency management agencies to permit the orderly establishment of a new polling place. An alternate emergency location shall be designated by the parish clerk of court in conjunction with the local parish governing authority, represented by its presiding officer, and advertised by any means available.

(2) The clerk of court in conjunction with the secretary of state shall coordinate with local police and the National Guard in an effort to provide security for existing polling places, including securing salvageable voting equipment from destroyed or damaged polling places to prevent further damage and looting.

E. If an election is rescheduled involving a multiparish or statewide office, every effort should be made to withhold returns for the affected races until the affected parishes have conducted rescheduled elections and are able to certify returns to the secretary of state.

F. Computation of all time intervals in the electoral process affected by any delay or suspension shall be redesignated by the secretary of state. Notice thereof shall be disseminated to parish boards of election supervisors as expediently as possible by any means available.

G. Nothing in this Section shall be interpreted as extending or as an extension of the time period for an election.

§401.2. Relocation of polling places; state of emergency

A. Notwithstanding the provisions of R.S. 18:534, 535, 536, and 537, if any polling place is determined by the clerk of court in conjunction with the secretary of state to be destroyed, inaccessible, or unsafe due to an emergency or common disaster occurring before or during a regularly scheduled or special election, the secretary of state may issue a certification of a state of emergency allowing the relocation of any such polling place when such action would allow voting to continue without the necessity of the issuance of an executive order by the governor for a suspension or delay pursuant to R.S. 18:401.1(B). Upon issuance of such a certification, the clerk of court and the presiding officer of the parish governing authority shall relocate any such polling place. The polling place shall be relocated to the nearest feasible and accessible location as determined by the secretary of state, upon the recommendation of the clerk of court in conjunction with the presiding officer of the parish governing authority.

B. When a polling place is relocated pursuant to Subsection A, the clerk of court in conjunction with the secretary of state shall give adequate notice of the change of the location to each voter registered to vote at that polling place and to each candidate to be voted on at that polling place, if practicable, in the following manner:

(1) Each candidate shall be given immediate notice by telephone or by electronic means, and by certified mail where reasonable time exists, of the new location of any polling places that have been relocated.

(2) A sign shall be posted at any former polling place directing voters to the new location of the polling place, if practicable.

(3) An employee of the parish governing authority shall be stationed at any former polling place, if practicable, for the purpose of directing potential voters to the new location of the polling place. Such employee shall be required to take the constitutional oath or affirmation. The clerk of court shall administer the oath.

(4) If reasonable time exists, the notice of the change in location shall be published by the clerk of court in the official journal of the parish and in any other newspaper of general circulation in the precinct or precincts affected. Publication of the notice shall appear under the heading, NOTICE OF CHANGE OF POLLING PLACE.

C. The clerk of court may take any other reasonable steps as it deems necessary or desirable to inform the voters and the candidates of the change in location, including but not limited to posting notices on utility poles and advertisements in the electronic media.

Acts 2003, No. 1220, §1, eff. Jan. 1, 2004.

§401.3. Emergency plan by secretary of state; gubernatorial and legislative approval

A. Due to the occurrence of a gubernatorially declared emergency or disaster occurring before or during a regularly scheduled or special election, and in order to ensure maximum citizen participation in the electoral process and provide a safe and orderly procedure for persons seeking to exercise their right to vote, minimize to whatever degree possible a person's exposure to danger during declared states of emergency, and protect the integrity of the electoral process, it is hereby declared to be necessary to provide a procedure for the development of an emergency plan for the holding of elections impaired as a result of such an emergency or disaster.

B.(1) After the issuance of an executive order by the governor declaring a state of emergency and if the secretary of state determines that such emergency impairs an election that may otherwise be held except for technical, mechanical, or logistical problems with respect to the relocation or consolidation of polling places within the parish, potential shortages of commissioners and absentee commissioners, or shortages of voting machines, the secretary of state shall certify such facts and the reasons therefor to the governor, the Senate Committee on Senate and Governmental Affairs, and the House Committee on House and Governmental

Affairs. If the governor and a majority of the members of each committee concur that such an emergency plan is necessary, the secretary of state shall develop an emergency plan in writing that proposes a resolution to technical, mechanical, or logistical problems impairing the holding of the election with respect to the relocation or consolidation of polling places within the parish, potential shortages of commissioners and absentee commissioners, or shortages of voting machines.

(2) If, in addition to the resolution of the technical, mechanical, or logistical problems as provided in Paragraph (B)(1) of this Section, the secretary of state determines that it is necessary and feasible to conduct early voting in certain parishes to enable displaced voters to vote, the secretary of state may include in the emergency plan a proposal to conduct early voting at the offices of the registrars in certain parishes in the state. Any early voting authorized by the provisions of this Paragraph shall be conducted in the same manner as provided in R.S. 18:1309(A).

C. The written emergency plan shall be submitted by the secretary of state to the Senate Committee on Senate and Governmental Affairs, the House Committee on House and Governmental Affairs, and the governor as soon as practicable following their concurrence with his certification. If a majority of the members of the Senate Committee on Senate and Governmental Affairs and of the House Committee on House and Governmental Affairs approve the emergency plan, such plan shall be submitted to the members of each house of the legislature for approval by mail ballot as provided in this Section. If a majority of the members of each house of the legislature and the governor approve the emergency plan, the secretary of state shall take all steps necessary to implement the plan and all officials of the state and of any political subdivision thereof shall cooperate with and provide assistance to the secretary of state as necessary to implement the plan.

D.(1) In order to obtain the approval of a majority of the elected members of each house of the legislature, the secretary of the Senate and the clerk of the House of Representatives shall jointly prepare and transmit a ballot to each member of the legislature by certified mail with return receipt requested unless the legislature is in session and the ballots may be distributed and returned during the session as provided in this Subsection.

(2)(a) The ballot shall be uniform and the materials sent with the ballot shall include:

(i) A copy of the secretary of state's certification that the emergency impairs an election that may otherwise be held except for certain technical, mechanical, or logistical problems and the reasons therefor.

(ii) A copy of the emergency plan.

(iii) A copy of the roll call votes of the Senate Committee on Senate and Governmental Affairs and the House Committee on House and Governmental Affairs on the approval of the emergency plan.

(iv) The date and time on which the ballot may be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, in order for the ballot to be valid.

(b) Each ballot shall contain the name of the member to whom it is to be mailed or delivered, and the member shall sign the ballot after casting his vote.

(3) The ballots mailed to all members shall be postmarked on the same day and shall be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, within fifteen days after the postmarked date; or, when such ballots are delivered to the members of the legislature while in session, the ballots shall be returned to the secretary of the Senate or the clerk of the House of Representatives, as the case may be, within five days after the date the ballots were delivered to members. No ballot received after five o'clock p.m. on the fifth day after the date on which the ballots were delivered to the members during session or after five o'clock p.m. on the fifteenth day after the date on which the ballots were mailed shall be valid or counted, and the date and time received shall be marked on each such ballot and the ballot shall be marked "Invalid". Prior to five o'clock p.m. on the fifth day after the date when delivered to the members of the legislature while in session or prior to five o'clock p.m. on the fifteenth day

after the postmarked date if mailed to the members of the legislature, a member may withdraw his ballot or change his vote upon his written request.

(4) At any time after the deadline for submitting the ballots as provided in Paragraph (3) of this Subsection, but prior to the eighteenth day after the date on which the ballots were mailed, or prior to the eighth day after the date on which the ballots were delivered to the members of the legislature in session, the secretary of the Senate and the clerk of the House of Representatives shall jointly open and tabulate the vote in roll call order for each house of the legislature. The clerk and the secretary shall hold such ballots unopened and shall not disclose the contents to any person until the day when such ballots are opened and tabulated. The tabulation sheet shall indicate by name each member who voted in favor of the plan, each member who voted against the plan, each member who did not return the ballot by the deadline, and each member whose ballot was invalid because it was not marked or signed by the member. The secretary of the Senate and the clerk of the House of Representatives shall each sign the tabulation sheet and cause a certified copy thereof to be transmitted to the secretary of state, the governor, and the chairmen of the Senate Committee on Senate and Governmental Affairs and House Committee on House and Governmental Affairs.

(5) The tabulation sheet shall be a public record.

(6) If regular mail service is impaired, the secretary of the Senate and the clerk of the House of Representatives shall utilize any method necessary to deliver the ballots, including commercial delivery, electronic transmission, or hand delivery, and shall keep a record of the manner of delivery utilized to deliver the ballot to each member and the date the ballot was so transmitted to each member. For the purposes of this Subsection, if such an alternative delivery method is so required, the date on which the ballot was so transmitted shall be considered to be the date postmarked.

- (i) Three commissioners for precincts with more than three hundred active registered voters eligible to vote in the election.
- (ii) Two commissioners for precincts with three hundred or fewer active registered voters eligible to vote in the election.

(2) The governing authority of a municipality, the governing authority of a parish, or the governing authority of a district having a governing authority, with the approval of the parish board of election supervisors, may adopt a resolution to reduce the number of such additional commissioners to not less than two for each precinct in the municipality, in the parish outside of a municipality, or in the district outside of a municipality in a district election, respectively, whenever in the opinion of the governing authority such reduction is not detrimental to the conduct of an election. In no event shall there be less than one commissioner-in-charge and two additional commissioners per precinct.

(3) The parish board of election supervisors may submit a written request to the secretary of state, on or before the twenty-third day prior to an election, for additional commissioners for overcrowded precincts. The written request shall include the number of additional commissioners requested and an explanation of the need for additional commissioners. If the secretary of state determines that there is a need for additional commissioners and that the allocation of additional commissioners is feasible, he may approve the allocation of additional commissioners.

(4) For an election held within one year following the date of the issuance of any gubernatorial proclamation declaring a state of emergency, if a parish board of election supervisors determines that there is a parishwide shortage of commissioners because a significant number of commissioners have been temporarily displaced due to such emergency, the board may submit a written request to the secretary of state, on or before the twenty-third day prior to an election, for additional commissioners from other parishes. The written request shall include the number of additional commissioners requested and an explanation of the need for additional commissioners. If the secretary of state determines that there is a need for additional commissioners and that the allocation of additional commissioners is feasible, the secretary of state shall approve the request and notify the parish board of election supervisors of the parish affected by the emergency. The board of such affected parish shall request the parish boards of election supervisors to submit lists of available commissioners by the fifteenth day prior to the election. The clerk of court of the affected parish shall ensure that the selected commissioners have received adequate training on the voting machines that are used in the affected parish and on any procedures necessary for the conduct of the election. The selected commissioners, upon approval by the secretary of state, shall be entitled to appropriate reimbursement for travel expenses.

D. Oath. On election day, before a commissioner enters upon the performance of his duties, he shall take the constitutional oath or affirmation. The commissioner-in-charge shall administer the oath.

Each such course of instruction shall be open to the public, and the clerk shall publicize each course in a manner reasonably calculated to encourage maximum attendance and participation. For informational purposes, the registrar may assist the clerk of court in conducting the course.

(b) The clerk shall furnish to the persons who attend the course of instruction a copy of the informational pamphlet provided by the secretary of state, and he shall instruct them in the use of voting machines and the duties of commissioners in conducting primary and general elections. The clerk shall instruct the commissioners that it is their duty to offer any voter who does not have picture identification as provided in R.S. 18:562(A) an affidavit to sign to that effect. All such instruction and materials shall be provided pursuant to minimum standards issued by the secretary of state for the course of instruction.

(c) The clerk shall issue a certificate of instruction to each person who attends the course of instruction for commissioners and achieves a satisfactory score on the test issued by the secretary of state for that course of instruction. The clerk is prohibited from issuing a certificate to any person who has not attended the course of instruction for commissioners and achieved a satisfactory score on the test for that course of instruction.

(2)(a) A certificate issued under the provisions of this Subsection to any person who attends and satisfactorily completes a course of instruction shall be valid through December thirty-first of the year of expiration of the term of office of the clerk who conducted the school.

(b) The certificate shall indicate that the commissioner shall notify the clerk of any change in party affiliation and that failure to do so shall result in the commissioner being unable to serve as a commissioner.

(c) After receiving notification of change in party affiliation from the commissioner, the clerk shall notify the parish board of election supervisors of such change.

(3)(a) After each course of instruction for commissioners is completed, the clerk of court shall promptly file a report with the parish board of election supervisors stating the time and place the course of instruction was held, the number of persons who attended the course, the manner in which the course was publicized, and the name, social security number, party affiliation, if any, and mailing address of each person who attended the course to whom a certificate of instruction was issued. The clerk of court shall also provide a report to the secretary of state in the manner required by the secretary of state.

(b) The parish board of election supervisors shall retain and preserve the reports for the unexpired term of office of the clerk who conducted the course of instruction.

(4) From the reports received from the clerk, the parish board of election supervisors shall prepare a list containing the names, addresses, and party affiliations of all persons registered to vote in each ward to whom certificates of instruction have been issued during the term of office of the clerk of court who issued the certificate.

(5) *Repealed by Acts 2017, No. 176, §5, eff. June 14, 2017.*

B.(1) The clerk of court shall conduct a course of instruction for commissioners-in-charge, commissioners, and alternate commissioners who are selected to serve in each election. The course shall be held after the selection of these officials but not less than four days prior to each election. The course shall primarily cover the procedures to be used in the election for which the officials were selected. The clerk of court shall instruct the commissioners-in-charge, commissioners, and alternate commissioners that it is their duty to offer any voter who does not have picture identification as provided in R.S. 18:562(A) an affidavit to sign to that effect.

(2) The clerk of court shall issue a certificate of instruction to each person who attends and satisfactorily completes the course of instruction provided for in this Subsection or maintain a list of such persons in the state voter registration computer system.

(3) After the completion of a course of instruction required by this Subsection, the clerk of court shall promptly file a report with the parish board of election supervisors stating the name of each person to whom a certificate was issued, the kind of certificate, the social security number, the party affiliation, and the mailing address of each such person. The clerk of court shall also provide a report to the secretary of state in the manner required by the secretary of state.

(4) The parish board of election supervisors shall furnish to each commissioner-in-charge a list of the names, addresses, and party affiliations of all persons registered to vote in the ward who have received certificates of instruction for the course of instruction required by this Subsection.

(5)(a) The clerk of court shall not be required to conduct the pre-election course of instruction provided for in this Subsection if at least fourteen days prior to the election, the clerk of court mails a notice to each commissioner-in-charge, commissioner, and alternate commissioner who has been chosen for the election informing them that the course of instruction will not be conducted for the election. In such case, for purposes of compensation and replacement, the commissioners from that parish shall be treated as though they had attended the pre-election course of instruction.

(b) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, the clerk of court shall conduct at least one pre-election course of instruction provided for in this Subsection prior to a presidential or congressional general election.

C. When a proposed constitutional amendment is to be included on an election ballot, prior to each course of instruction for commissioners and commissioners-in-charge for such election, the secretary of state shall furnish each clerk of court with a statement, which has been approved by the attorney general, explaining the scope and nature of such proposed amendment in simple, unbiased, concise, and easily understood language. Upon approval, such statement shall be posted on the website of the secretary of state at least until the election returns have been promulgated.

§433. Commissioners-in-charge; course of instruction; selection; commission; disqualification; replacement

A. Course of instruction. (1) The clerk of court shall conduct a course of instruction for commissioners-in-charge during the period beginning August first through the end of December of each year. The course shall be open to any certified commissioner who meets the qualifications set forth in R.S. 18:424(B).

(2) *Repealed by Acts 2009, No. 369, §3.*

(3) During the week prior to the date scheduled for the course of instruction, the clerk shall notify each commissioner of the date, time, and place where he will conduct the course of instruction. The course of instruction shall include but shall not necessarily be restricted to instruction in the operating of voting machines, relevant laws and regulations concerning the conduct of elections, and matters pertaining to the powers and duties of commissioners-in-charge. The clerk shall instruct the commissioners-in-charge that it is their duty to offer any voter who does not have picture identification as provided in R.S. 18:562(A) an affidavit to sign to that effect.

(4) The clerk shall issue a certificate to each person who successfully completes the course of instruction by being present for the entire period of the course.

(5) On or before the last day of December of each year, but after the date of the course of instruction, the clerk of court shall file with the parish board of election supervisors and the secretary of state a certified list containing the name of each person to whom he has issued a certificate, together with the social security number, the party affiliation, the mailing address, and the ward in which each such person is registered to vote.

(6) A person who receives a certificate for attending a course of instruction for commissioners-in-charge may be selected as hereafter provided to serve in any precinct of the ward where he is registered to vote.

B. Selection. (1) The parish board of election supervisors shall meet at 10:00 a.m. on the second Friday in January of each year to select a commissioner-in-charge to serve at each precinct in the parish. The

meeting shall be open to the public. The board shall have previously posted a notice on the front door of the courthouse stating the location within the courthouse where the meeting is to be held. The selection of commissioners-in-charge shall be made from the certified list furnished by the clerk as required by Paragraph (A)(5) of this Section and in the manner hereafter set forth.

(2) For any precinct in which only one qualified person on the list resides, that person shall be appointed commissioner-in-charge.

(3) For any precinct in which more than one qualified person on the list resides, the names of all such persons shall be compiled on one list, in alphabetical order according to surnames, and numbered consecutively from first to last. The parish board of election supervisors shall select a person to conduct a drawing. A ball made of plastic or similar material with a number corresponding to each of the numbers on the compiled list of qualified commissioners-in-charge for each precinct shall be placed in a receptacle and thoroughly mixed. The members of the board may participate in the mixing. The person conducting the drawing shall draw one ball from the receptacle and shall announce and publicly display the number on the ball. The person whose number on the compiled list of qualified commissioners-in-charge corresponds with the number on the ball drawn from the receptacle shall be the commissioner-in-charge for the precinct.

(4) For any precinct in which no qualified person on the list resides, the parish board of election supervisors shall select a qualified person whose name is on the list and who resides in the ward in which the precinct is located. The selection shall be by drawing in the same manner as is provided in Paragraph (3) of this Subsection.

(5) If the number of persons eligible to serve as commissioners-in-charge who reside in the ward is insufficient to provide a commissioner-in-charge for each precinct, the parish board of election supervisors shall select a qualified person on the list within the parish. If the number of persons eligible to serve as commissioner-in-charge within the parish is insufficient to provide a commissioner-in-charge for each precinct, the parish board of election supervisors shall appoint sufficient additional persons who have attended a general course of instruction for commissioners and have received a certificate of instruction within the preceding year to provide a commissioner-in-charge for each precinct in each ward.

(6) The parish board of election supervisors may opt to select the commissioner-in-charge for any precinct from the lists of all persons qualified to serve as a commissioner-in-charge in the entire parish without utilizing the selection process set forth in Paragraphs (2) through (5) of this Subsection. The parish board of election supervisors must vote unanimously to make such a selection.

(7) Any person on the list of qualified persons furnished by the clerk who is not chosen as a commissioner-in-charge shall be eligible to serve as a commissioner.

(8) After the commissioners-in-charge are selected, the parish board of election supervisors shall compile a list containing the name, social security number, party affiliation, and mailing address of each and the clerk of court shall enter the list in the state voter registration computer system.

C. Commission. Immediately after the commissioners-in-charge are selected, the parish board of election supervisors shall issue a commission to each commissioner-in-charge.

D. Term of office. A commissioner-in-charge shall serve a term of office of one year, commencing on the third Monday in January of the year of selection, provided that the commissioner-in-charge remains on the list of certified commissioners during his term of office.

E.(1) Removal. The parish board of election supervisors may remove any commissioner-in-charge for cause.

(2) Disqualification. Upon a finding by the parish board of election supervisors that a commissioner-in-charge has performed his duties in a negligent manner, after appropriate hearing and opportunity for the commissioner-in-charge to be heard, the board shall disqualify him from service as a commissioner-in-charge. Such disqualification shall continue until the commissioner-in-charge has been recertified as having

again attended the entirety of the course of instruction for commissioners-in-charge conducted pursuant to R.S. 18:433(A). Performance of duties in a negligent manner shall include failure to perform any of the duties of commissioner-in-charge or performance of any of the duties of commissioner-in-charge incorrectly.

F. Vacancy. A vacancy in office caused by the removal for cause, death, disqualification, or resignation of a commissioner-in-charge shall be filled for the remainder of the unexpired term of office in the same manner as the original appointment.

G. Replacement. (1) Except as provided in Subsection H of this Section, if it becomes certain that a commissioner-in-charge will not be able to serve for a primary election, or if a commissioner-in-charge fails to attend a course of instruction held immediately prior to a primary election as provided in R.S. 18:431(B), the parish board of election supervisors shall select a replacement commissioner-in-charge who shall serve for both the primary and general elections. Except as provided in Subsection H of this Section, if it becomes certain that a commissioner-in-charge will not be able to serve for a general election, or if a commissioner-in-charge fails to attend the course of instruction held prior to a general election, the parish board of election supervisors shall select a replacement commissioner-in-charge who shall serve for the general election.

(2) The selection of a replacement commissioner-in-charge as required by Paragraph (1) of this Subsection shall be made promptly upon receipt by the board of the list prepared by the clerk of court of all persons who have successfully completed the course of instruction for a particular election. The replacement commissioner-in-charge shall be selected at random from the following categories in the order of priority listed:

(a) A commissioner or alternate commissioner who has received a certificate of instruction from a course of instruction for commissioners-in-charge and who has successfully completed the course of instruction held immediately prior to the particular election, or, if none,

(b) A commissioner who has received a certificate of instruction from a general course of instruction for commissioners and who has successfully completed the course of instruction held immediately prior to the particular election, or, if none,

(c) An alternate commissioner who has received a certificate of instruction from a general course of instruction for commissioners and who has successfully completed the course of instruction held immediately prior to the particular election.

H. Replacement. (1) If a commissioner-in-charge fails to appear at the polling place at least thirty minutes before the time when the polls are to open on election day, the commissioners in attendance at the polling place shall immediately notify the clerk of court of the absence. Immediately upon receipt of the notice, the clerk of court shall select a replacement commissioner-in-charge for that precinct. Subject to the provisions of Subsection G of this Section, a replacement commissioner-in-charge selected for a primary election also shall serve for the general election. The replacement commissioner-in-charge shall be selected from the following categories in the order of priority listed:

(a) A commissioner serving at the polling place who has attended a course of instruction for commissioners-in-charge and the course of instruction for the particular election.

(b) A person who has attended both a course of instruction for commissioners-in-charge and the course of instruction for the particular election.

(c) A commissioner serving at the polls who has attended the course of instruction for the particular election.

(d) An alternate commissioner serving at the polls who has attended a course of instruction for the particular election.

(2) A commissioner-in-charge who fails to appear at the polling place at least thirty minutes before the opening of the polls on election day is disqualified for the remainder of his term unless he establishes to the satisfaction of the parish board of election supervisors that his absence was for just cause.

I. The president, or in his absence or inability the secretary, of the parish board of election supervisors shall promptly issue a commission to a replacement commissioner-in-charge selected under the provisions of Subsection G or H of this Section. The commissioners present at the polling place shall administer the constitutional oath or affirmation to the replacement commissioners-in-charge.

J. A replacement commissioner-in-charge selected under the provisions of Subsection F, G, or H of this Section shall exercise the same powers, duties, and functions and shall receive the compensation of a commissioner-in-charge.

§434. Commissioners and alternate commissioners; selection; commission; disqualification; replacement

A. Time and place of selection. (1) The parish board of election supervisors shall meet at 10:00 a.m. on the twenty-ninth day before a primary election to select the commissioners and alternate commissioners for each precinct. However, if the deadline for the close of the registration records provided in R.S. 18:135(A)(1) is moved due to a legal holiday, the meeting to select commissioners and alternate commissioners for each precinct shall be moved to the day after the close of the registration records. The meeting shall be open to the public. The board shall have previously posted a notice on the front courthouse door designating the location within the courthouse where the meeting is to be held.

(2) The board shall publish at least one notice, in the official journal of the parish, of the date, time, and location of the meeting herein required. The notice shall be published at least five days prior to the date of the meeting.

B. Method of selection. The number of commissioners required for each precinct for the election and the same number of alternate commissioners shall be selected for each precinct from the certified list furnished by the parish board as required in R.S. 18:431(A)(4) in the following manner:

(1) The names of all the qualified commissioners for each precinct shall be compiled on one list, in alphabetical order according to surnames, and numbered consecutively from first to last.

(2) The parish board of election supervisors shall select a person to conduct the drawing.

(3) A ball made of plastic or a similar material with a number corresponding to each of the numbers on the compiled list of proposed commissioners for a precinct shall be placed in a receptacle and thoroughly mixed. The members of the parish board of election supervisors may participate in the mixing.

(4) The person conducting the drawing shall draw the same number of balls as the number of commissioners required to serve the precinct at the election from the receptacle and shall announce and publicly display the number on each ball as it is drawn. Each person whose number on the compiled list of commissioners corresponds with the number on a ball drawn from the receptacle shall be a commissioner for the precinct unless he has already been selected as the commissioner-in-charge for the precinct.

(5) If one of the persons selected already has been selected as the commissioner-in-charge, the ball drawn for that person shall be set aside, and the drawing shall continue until a person not previously selected as the commissioner-in-charge is selected.

(6) The parish board of election supervisors may opt to select one of the commissioners needed in each precinct from the lists of all persons qualified to serve as a commissioner in the entire parish, without

utilizing the selection process set forth in Paragraphs (2) through (5) of this Subsection. The parish board of election supervisors must vote unanimously for each precinct for which it makes such a selection.

(7) When the appropriate number of commissioners have been selected, as provided in Paragraphs (4), (5), and (6) of this Subsection, the person conducting the drawing shall determine if each political party recognized pursuant to R.S. 18:441(C) having one or more local or municipal candidates on the ballot to be voted on in the precinct is represented by at least one commissioner. If none, one ball shall be set aside for each political party recognized pursuant to R.S. 18:441(C) thus still to be represented, beginning with the last ball drawn for a person affiliated with a political party recognized pursuant to R.S. 18:441(C) that has more than one commissioner at the precinct. The drawing shall continue until one of the persons affiliated with each of such political parties is selected, unless there are no remaining certified commissioners in the parish to represent such political parties.

(8) After the appropriate number of commissioners have been selected for each of the precincts in an election, the person conducting the selection shall select the alternate commissioners by drawing additional balls from the receptacle for each of the precincts and shall announce and publicly display the number on each ball as it is drawn. Each person whose number on the compiled list of qualified commissioners corresponds with the number on a ball drawn from the receptacle shall be an alternate commissioner for the precinct for which selected unless he already has been selected as the commissioner-in-charge for the precinct, in which event the ball drawn for that person shall be set aside and the drawing shall continue until a person not previously selected as the commissioner-in-charge for the precinct is selected.

(9) The drawing shall continue in this manner until the appropriate number of commissioners and alternate commissioners have been selected for each precinct in each parish. However, if there are not enough qualified commissioners to select the appropriate number of commissioners and alternate commissioners for each precinct, the parish board of election supervisors shall select a person to serve as a commissioner or an alternate commissioner from the list containing the names of persons within that ward who have received certificates of instruction from the clerk of court pursuant to R.S. 18:431(A)(1). If no person on that list is available to serve as a commissioner or alternate commissioner, the parish board of election supervisors shall select any person within the parish who has received a certificate of instruction from the clerk of court pursuant to R.S. 18:431(A)(1).

C. Commission. Once the commissioners and alternate commissioners are selected for a primary and general election, the parish board of election supervisors shall immediately:

(1) Issue a commission to each person who was selected as a commissioner together with a written notice stating the time, date, and place of the course of instruction to be held before the election.

(2) Issue a commission to each person who was selected as an alternate commissioner, together with a written notice stating the time, date, and place of the course of instruction to be held before the election and a written notice stating that an alternate commissioner who does not replace an absent or unqualified commissioner may serve as a watcher in the primary and general elections if his name is included on a timely filed list of watchers.

D. Replacement of a commissioner. (1) If prior to the day of the election a commissioner notifies the parish board of election supervisors that he is unable to serve as commissioner, the parish board of election supervisors shall select an alternate commissioner to serve in place of the absent commissioner. An alternate commissioner who replaces an absent commissioner in a primary election shall replace the absent commissioner in the general election. If there are no alternate commissioners or an insufficient number of alternate commissioners available, the parish board of election supervisors shall select a person to serve as commissioner from the list containing the names of persons within that ward who have received certificates of instruction from the clerk of court pursuant to R.S. 18:431(A)(1). If no person on that list is available to serve as commissioner, the parish board of election supervisors shall select any person within the parish who has received a certificate of instruction from the clerk of court pursuant to R.S. 18:431(A)(1). If there is no such qualified person available, the parish board of election supervisors shall select a watcher.

(2) If a commissioner fails to appear at the polling place at least thirty minutes before the time when the polls are to open on election day, or if a commissioner is selected as commissioner-in-charge, the commissioner-in-charge shall select an alternate commissioner to serve in place of the absent commissioner. An alternate commissioner who replaces an absent commissioner in a primary election shall replace the

absent commissioner in the general election. If there are no alternate commissioners or an insufficient number of alternate commissioners available, the commissioner-in-charge shall select a person to serve as commissioner from the list containing the names of those who have received certificates of instruction that was furnished him by the parish board of election supervisors pursuant to R.S. 18:431(A)(5). If no person on that list is available to serve as commissioner, the commissioner-in-charge shall select any person present at the polls who possesses the qualifications of a commissioner as set forth in R.S. 18:425(B). If there is no such qualified person available, the commissioner-in-charge shall select a watcher.

(3) If by 8:00 a.m. on the day of the election the commissioner-in-charge has been unable to replace a commissioner pursuant to this Subsection, any replacement thereafter made shall require the approval of the clerk of court.

E. Disqualification. (1) A commissioner who fails to appear at the polling place at least thirty minutes before the opening of the polls on election day is disqualified from serving as such in the next primary and general elections held in the ward where he is registered to vote unless he establishes to the satisfaction of the parish board of election supervisors that his absence was for just cause.

(2) Upon a finding by the parish board of election supervisors that a certified commissioner has performed his duties in a negligent manner, after appropriate hearing and opportunity for the commissioner to be heard, the board shall disqualify the commissioner from service as a commissioner. Such disqualification shall continue until the commissioner has been recertified as having again attended the course of instruction for commissioners conducted pursuant to R.S. 18:431(A) and as having achieved a satisfactory score on the test prepared by the secretary of state for that course of instruction. Performance of duties in a negligent manner shall include failure to perform any of the duties of commissioner or performance of any of the duties of commissioner incorrectly.

F. Removal for cause. Any commissioner selected under the provisions of this Section may be removed for cause by the parish board of election supervisors at any time after his selection and before the closing of the polls on election day. Any commissioner removed for cause under the provisions of this Subsection shall not serve as a commissioner in any election for twelve months after his removal.

§435. Watchers; appointment and commission

A.(1)(a) Each candidate is entitled to have one watcher at every precinct on election day where the office he seeks is voted on in a primary or general election. The candidate or his authorized representative shall file one list of watchers on a form provided by the secretary of state or on a form which contains the same information as required by the form provided by the secretary of state. When a candidate's list of watchers is filed by the candidate's authorized representative, a letter of authorization from the candidate shall accompany the list of watchers; however, the list of watchers shall be signed by the candidate.

(b) In the case of a presidential election, each slate of candidates for presidential elector is entitled to have one watcher at every precinct. The state central committee of each recognized political party shall be responsible for filing the list of watchers for its slate of candidates for presidential elector, and the list of watchers shall be signed by the chairman of the state central committee. The list of watchers for an independent or other party slate of candidates for presidential elector shall be signed and filed by any person so authorized by the presidential candidate supported by the slate of electors. A letter of authorization from the presidential candidate, or an authorized agent of his campaign, shall accompany the list of watchers.

(2) In addition to the watchers provided for in Paragraph (1), each candidate may designate one watcher as a "super watcher" who shall have the qualifications, powers, and duties of watchers provided for by R.S.

18:427 and who shall be admitted as a watcher in every precinct in the designated parish where the office the candidate seeks is on the ballot in the primary and general election. The selection of the super watcher shall be made in the same manner as for watchers set forth in this Section.

(3) Any person who is supporting or opposing a proposition or question to be submitted to the voters or supporting or opposing the recall of a public officer and who has filed a report required by R.S. 18:1486 for such election is entitled to have one watcher at every precinct where the issue he seeks to influence is voted on in an election. For the purposes of this Subsection, "person" means any individual, partnership, association, labor union, political committee, corporation, or other legal entity, including its subsidiaries.

(4) The commissioners shall regulate the number of watchers inside the polling place as provided in R.S. 18:427.

B.(1)(a) A list of watchers shall be filed with the clerk of court by hand delivery, facsimile, mail, or commercial courier before 4:30 p.m. on the tenth day before the primary or general election; however, if the tenth day before the primary or general election falls on a Saturday, Sunday, or other legal holiday, the list shall be filed on the next day which is not a Saturday, Sunday, or other legal holiday. For purposes of this Paragraph, "commercial courier" shall have the same meaning as provided in R.S. 13:3204(D).

(b) A list of watchers submitted by a candidate for the primary election may be used for the general election only if the candidate notifies the clerk of court in writing by 4:30 p.m. on the tenth day before the general election that he wants to use the same list of watchers.

(2) Except for a candidate or recognized political party filing for a slate of candidates for presidential elector, any person filing a list of watchers must attach a certified statement that the report required by R.S. 18:1486 has been filed with the supervisory committee in compliance with the Campaign Finance Disclosure Act.

(3) A list of watchers shall contain only one watcher and one alternate watcher for each precinct where the candidate or person submitting the list is entitled to have a watcher. The list shall be typed or legibly written, and it shall contain the name and mailing address of each watcher and alternate watcher, and a designation of the precinct where he is to serve.

C. The parish board of election supervisors shall promptly issue a commission to each watcher named on a timely filed list of watchers. A person shall not be commissioned as a watcher if he has been appointed as a commissioner-in-charge or selected as a commissioner in the same election. A person selected as an alternate commissioner may be commissioned as a watcher. However, if the alternate commissioner must replace an absent or unqualified commissioner, he shall not serve as a watcher in the same election and his commission as a watcher shall be deemed void. Prior to the opening of the polls on election day, the parish board of election supervisors shall deliver to each precinct a list of the watchers and alternate watchers who are entitled to serve at the election. The list shall specify the precinct or precincts for which each watcher is eligible to serve. A watcher must present his commission to the commissioner-in-charge of the precinct for which he is eligible to serve prior to serving at the polling place.

D. A candidate, or person as defined in Subsection A of this Section, shall be entitled to have both a watcher and an alternate watcher serve at the same precinct on election day. However, the watcher and alternate watcher may not serve at the same time.

Each candidate to be voted on in the special primary election or delayed primary election may appoint one watcher for each precinct in which that candidate is to be voted on. Notwithstanding the provisions of R.S. 18:427(C) or of any other law to the contrary, the watchers so appointed shall be allowed to remain in the polling place at all times.

B. When a special general election to fill a vacancy or an anticipated vacancy in elective public office is called to be held at the same time as a previously scheduled primary election, the commissioners who were selected to serve at the special primary election for which the special general election is to be held shall also be the commissioners for both the previously scheduled primary and general elections. If a state central committee of a political party fixes an additional fee, then at the time a state candidate or a candidate for presidential nominee qualifies with the secretary of state, the secretary of state shall collect the additional fee and make a record containing the name of the candidate from whom received, the amount of the fee, and the state central party committee with which the candidate is affiliated. After the close of the qualifying period for state candidates in a primary election, the secretary of state shall immediately transmit all additional fees so collected to the state central committee for the party with which the candidate is affiliated. The fee so imposed and collected shall be retained and used by that state central party committee.

(2) A state central committee of a political party may fix and impose an additional fee on all candidates for membership on that committee; however, if an additional fee as authorized by Paragraph (1) herein is imposed on state candidates, then a fee of not less than twenty-five dollars shall be assessed and collected from all candidates for membership on the state central committee. The additional fee shall be paid at the time of qualification as a candidate and shall be collected by the official with whom the candidate qualifies. The official who collects these additional fees shall make a record containing the name of each candidate from whom received, the amount of the fee, and political party with which the candidate is affiliated. After the close of the qualifying period for a candidate in a primary election, the clerk shall immediately transmit all additional fees so collected to the parish executive committee with which the candidate is affiliated. The fee so imposed and collected shall be retained and used by that parish executive committee.

(2) A parish executive committee of a political party may fix and impose an additional fee on all candidates for membership on such committee; however, in no event shall the additional fee be in an amount in excess of one-half of the qualifying fee fixed by law. If an additional fee as authorized by Paragraph (1) herein is imposed on local and municipal candidates, then a fee of not less than twenty-five dollars shall be assessed and collected from all candidates for membership on the parish executive committee. The additional fee shall be paid at the time of qualification as a candidate and shall be collected by the official with whom the candidate qualifies. The official who collects these additional fees shall make a record containing the name of each candidate from whom received, the amount of the fee, and the political party with which the candidate is affiliated. After the close of the qualifying period for a candidate in a primary election, the official who collected the additional fees shall immediately transmit all additional fees so collected to the parish executive committee on which the candidate is seeking membership. The fee so imposed and collected shall be retained and used by the parish executive committee imposing the fee.

E. Clerks' fees. Each clerk of court may retain from the qualifying fees of each local and municipal candidate and each candidate for membership on a political party committee a fee of not more than ten percent, but not less than ten dollars, which shall be retained by the clerk and used by him to cover his office expenses for filing and recording the candidate's qualifying papers. However, the sums retained by the clerk of court shall be retained only from those qualifying fees that are remitted to the secretary of state.

F. Financial statements. Each state central committee and each parish executive committee shall file a financial statement annually, certified by the treasurer or, if none, by the chairman, as to its accuracy, with the legislative auditor. Each parish executive committee shall file a copy of the financial statement with the state central committee of the party with which it is affiliated. The financial statement shall be in a form approved by the legislative auditor.

G. Use of fees. Fees collected by state central committees and parish executive committees pursuant to this Section shall be used solely for the operation of such committees. No such fees shall be used for the direct benefit of any particular candidate for public office.

H. Notice of imposition of fees. Each state central committee and parish executive committee shall, no later than thirty days prior to the beginning of qualifying, notify, in writing, the secretary of state and the clerk of court of any parish affected, if said committee will impose additional qualifying fees on candidates. However, once the notice of imposition is filed in accordance with this Subsection, a notice need not be filed again unless the state central committee or parish executive committee discontinues such imposition or changes the amount of fees to be imposed.

A person may only be nominated as a candidate in a primary election by persons who are registered to vote on the office he seeks who sign a nominating petition for him no more than one hundred twenty days before the qualifying period opens for candidates in the primary election. In addition to his signature, each voter who signs a nominating petition shall date his signature and shall provide the ward and precinct in which he is registered to vote, his residence address, including the municipal number, the apartment number, if any, the rural route and box number, or any other physical description that will identify his actual place of residence. Once a voter has signed a nominating petition, he may not withdraw the nomination. The secretary of state shall prepare forms which may be used by any person who seeks nomination as a candidate by nominating petition. The secretary of state shall furnish copies of the forms to each clerk of court, and the forms shall be available, upon request, at the office of the secretary of state or at the office of the clerk of court. Nothing in this Subsection shall be construed to require nominating petitions to be filed only on forms prepared by the secretary of state.

(6) Any office not hereinabove provided for shall require the signatures of at least one-half of one percent of the registered voters in the voting area from which the officer is elected. The number of signatures of registered voters required shall be calculated based on the number of voters who are registered thirty days before the qualifying period ends.

(7) Notwithstanding any provision of this Section to the contrary, if qualifying for any public office is reopened pursuant to R.S. 18:469(A) after the death of a candidate - twenty-five in the area from which the public officer is elected.

Each sheet of the nominating petition shall set forth the candidate's name, the address of his domicile, the office for which the signers nominate him, the political party with which he is affiliated, if any, and the date of the primary election for which he seeks to qualify. The name of each voter who signed the nominating petition shall be typed or legibly written on the petition, and each signature on the nominating petition shall be dated and witnessed by the candidate or the person who obtained the signature on his behalf. E. Certification. (1)(a) A nominating petition shall be submitted to the registrars of voters in the parishes where the signers reside. A nominating petition shall be submitted to the registrars in such parishes not less than thirty days before the qualifying period ends for candidates in the primary election or, in the case of presidential electors, in the presidential election, except that in a special election called pursuant to R.S. 18:402(E), 601(A)(2), or 1279, a nominating petition shall be submitted by the candidate to the registrars of voters in such parishes not less than fourteen days before the qualifying period ends for candidates in the special election. (b) In the case of an election for which qualifying has been reopened pursuant to R.S. 18:469(A) after the death of a candidate, the nominating petition shall be submitted by the candidate during such qualifying period to the registrars of voters in the parishes where the signers reside.

(2) The registrar for each parish shall endorse upon the nominating petitions, whether original or supplemental, the date and time of submission and shall promptly certify the nominating petitions, in the order received, by determining and certifying on each nominating petition which of the signers who provided a residence address in the parish signed the nominating petition timely and are registered to vote on the office the candidate seeks. A supplemental nominating petition shall be certified in the order in which it is received, without regard to the time when the original nominating petition for that candidate was submitted. A registrar may stop certifying the signatures on a nominating petition when the total number of the signers he has certified as having signed the petition timely and as being registered to vote on the office the candidate seeks equals one hundred fifteen percent of the number of qualified voters required to nominate the candidate for the office he seeks. A registrar's certification shall be conclusive as to the number of qualified voters who timely signed a nominating petition, and evidence to the contrary shall not be admitted in an action objecting to the candidacy of the candidate who filed the nominating petition.

If more candidates receive a majority than there are offices to be filled, those of such candidates receiving the highest total of votes shall be elected, to the number required to fill all of the offices. Any votes received by a withdrawn candidate or a deceased candidate shall be void and shall not be counted for any purpose whatsoever.

B. Election of unopposed candidates for public office. If, after the close of the qualifying period for candidates in a primary election, the number of candidates for a public office does not exceed the number of persons to be elected to the office, the candidates for that office, or those remaining after the withdrawal of one or more candidates, are declared elected by the people, and their names shall not appear on the ballot in either the primary or the general election.

During this same period he may not vote for any candidate for membership on a party committee for the political party which he has renounced and abandoned, and the registrar shall so inform him;

B. The registrar of voters shall notify the secretary of state and the other members of the parish board of election supervisors of all such determinations.

C. Whenever the polling place for a precinct to which a voter is assigned is not opened pursuant to the provisions of Subsection A of this Section and it is subsequently determined on election day that a voter is eligible to vote and has not voted absentee by mail or during early voting, the voter may cast his vote at the polling place nearest the precinct at which he is registered, provided such polling place has the ballot for which he is eligible to vote on a voting machine. The registrar of voters shall authorize a commissioner at the nearest polling place to allow the voter to vote after the voter completes and signs the affidavit of voter form. §532. Establishment of precincts

A. Subject to the provisions of R.S. 18:532.1 and 1903, the governing authority of each parish shall establish precincts, define the territorial limits for which each precinct is established, prescribe their boundaries, and designate the precincts. The governing authority of each parish shall by ordinance adopt

the establishment and boundaries of each precinct in accordance with the timetable as set forth herein and in accordance with R.S. 18:532.1.

B.(1)(a) Each precinct shall be a contiguous, compact area having clearly defined and clearly observable boundaries coinciding with visible features readily distinguishable on the ground and approved extensions of such features, such as designated highways, roads, streets, rivers, or canals, and depicted on United States Bureau of the Census base maps for the next federal decennial census, except where the precinct boundary is coterminous with the boundary of a parish or an incorporated place when the boundaries of a single precinct contain the entire geographic area of the incorporated place. Except as otherwise provided in this Paragraph, on and after July 1, 1997, any precinct boundary which does not coincide with a visible feature shall be changed by the parish governing authority to coincide with a visible feature in accordance with R.S. 18:532.1.

(b) For the purposes of this Paragraph, the term "approved extension" shall mean an extension of one visible feature to another visible feature which has been approved by the secretary of the Senate and the clerk of the House of Representatives or their designees and which is or which will be a census tabulation boundary.

(2) No precinct shall be wholly contained within the territorial boundaries of another precinct, except that a precinct which contains the entire geographical area of an incorporated place and in which the total number of registered voters at the last general election was less than three hundred may be so contained.

(3) No precinct shall contain more than two thousand two hundred registered voters within its geographic boundaries. Within thirty days after the completion of each canvass, the registrar of voters of each parish shall notify the parish governing authority of every precinct in the parish which contains more than two thousand two hundred registered voters within its geographic boundaries. Within sixty days of such notification, the parish governing authority shall divide such precincts by a visible feature in accordance with R.S. 18:532.1.

(4)(a) No precinct shall contain less than three hundred registered voters within its geographical boundaries, except:

(i) When necessary to make it more convenient for voters in a geographically isolated and unincorporated area to vote. A voter in a geographically isolated and unincorporated area shall mean a voter whose residence is outside an incorporated place and who would have to travel by roadway more than ten miles or cross a public ferry to a polling place to vote if the precinct were not established.

(ii) When the precinct contains the entire geographical area of an incorporated place.

(iii) When the precinct may not be merged with any adjacent precinct due to voting district boundaries, provided that such a precinct has a consolidated polling place with an adjacent precinct and the number of commissioners for the polling place has been reduced in accordance with R.S. 18:425.1 and 1286.1.

(b)(i) No precinct shall be established as authorized in this Paragraph unless it is in compliance with the provisions of R.S. 18:532.1(C) and unless the parish governing authority has submitted documentation to the Department of State that the precinct meets one of the criteria in this Paragraph and the parish governing authority has received written approval for the establishment of the precinct from the secretary of state. However, a precinct may contain less than three hundred registered voters if the parish governing authority is responsible for all election expenses incurred in the precinct as provided in R.S. 18:1400.7.

(ii) In addition to the authority in Item (i) of this Subparagraph, the secretary of state may permit the establishment of precincts with less than three hundred registered voters under extraordinary and unforeseen circumstances.

(c) Within thirty days after the completion of each canvass, beginning with the 1996 canvass, the registrar of voters of each parish shall notify the parish governing authority of every precinct in the parish which contains fewer than three hundred registered voters within its geographic boundaries. Within sixty

days after such notification, the parish governing authority shall merge such precincts with other precincts, unless the approval of the Department of State has been granted as provided in this Paragraph.

(5) The provisions of Paragraph (4) of this Subsection shall not be effective from January 1, 2009, through December 31, 2013.

C. Each parish governing authority shall provide and maintain at all times a suitable map showing the current geographical boundaries with designation of precincts and a word description of the precinct geographical boundaries. Each parish governing authority shall send a copy of each map, with description attached, to the registrar of voters and the secretary of state. The map may be composed of one or more sheets but each sheet shall not exceed three feet by four feet. The map shall include all existing roads, streets, railroad tracks, and drainage features but shall not include underground utility lines, land use and zoning symbols or shadings, symbols for vegetation cover, topographic contour lines, and similar items that obscure the basic street pattern and names. All features, names, titles, and symbols on the map shall be clearly shown and legible. The map sheet of the entire parish shall be on a scale of one inch equals one mile to one inch equals two miles. Map sheets of each incorporated place within the parish shall be on a scale of one inch equals eight hundred feet to one inch equals sixteen hundred feet. Each map sheet shall indicate the date of the base map or the date of last revision. Wherever the boundaries of a precinct or incorporated place are coterminous, they shall be clearly indicated as such.

D. The parish governing authority shall also furnish, a map clearly indicating the boundaries of each parish governing authority district, school board district, special election district, representative district, and senate district.

E.(1) In complying with the provisions of this Section for the establishment of precincts and the prescription of their boundaries, each parish governing authority and registrar of voters shall coordinate with the secretary of the Senate and the clerk of the House of Representatives, or their designees, pursuant to their authority to submit a plan for census data for reapportionment under the provisions of Chapter 13 of this Title and shall adopt or adjust precinct boundaries as may be necessary to comply with this Section.

(2) The proposed precinct boundaries submitted to the United States Bureau of the Census by a parish through the secretary of the Senate and the clerk of the House of Representatives or their designees, and approved by the Bureau of the Census as block boundaries for each federal decennial census, shall be the precinct boundaries for the parish for reapportionment purposes following each federal decennial census.

§532.1. Changing boundaries

A. The parish governing authority shall have authority, in accordance with this Section, to change the configuration, boundaries, or designation of an election precinct. Any change so determined shall be adopted by ordinance of the parish governing authority. Within fifteen days after adoption of the ordinance, the parish governing authority shall send to the secretary of state a certified copy of the ordinance and a copy of the map showing the new precinct boundaries and designations together with a written description of such boundaries. The parish governing authority shall comply with the provisions of R.S. 18:1941 when changing precinct boundaries.

B.(1) A parish governing authority shall change a precinct only by dividing the precinct into two or more precincts except as provided in Paragraph (2) of this Subsection.

(2)(a) When in order to make it more convenient for voters to vote, or to facilitate the administration of the election process, or to accomplish reapportionment, or to comply with the provisions of R.S. 18:532(B)(1) or (4), it becomes necessary to merge all or part of a precinct with adjacent precincts, a part

or parts may be merged but only when the parts that are joined are in the same legislative, Public Service Commission, State Board of Elementary and Secondary Education, state, federal, and local governing authority voting district as such districts have been redistricted subsequent to the release of the latest federal decennial census. However, no precinct shall be merged unless the local governing authorities and the parish, city, or other local public school boards within the area affected by the merger have completed redistricting and received preclearance pursuant to the Voting Rights Act of 1965.

(b) In order to establish block boundaries for the 2010 federal decennial census, proposed precinct consolidations submitted for review through December 31, 2008, in accordance with Subsection C of this Section, shall not be subject to the requirement that the precincts or parts of the precincts shall be in the same state, local, and municipal office voting district and shall not be subject to the provisions of Paragraph (C)(3) of this Section; however, any consolidation accomplished pursuant to the provisions of this Subparagraph shall be effective for the following purposes at the following times:

(i) Not later than January 1, 2010, for the purpose of establishing block boundaries for the 2010 federal decennial census and for reapportionment purposes.

(ii) Not later than July 1, 2011, for all purposes.

(c) The provisions of Subparagraph (b) of this Paragraph shall not apply to consolidations required by R.S. 18:532(B)(4).

(3) Any establishment, division, or merger of precincts as provided in Paragraphs (1) and (2) herein shall be considered a change in precinct boundaries and shall be subject to the requirements of this Section.

C.(1) The parish governing authority shall comply with the provisions of R.S. 18:532(A), (B), (C), and (E) when changing any precinct boundary.

(2)(a) In determining features to be used as precinct boundaries, the parish governing authority shall consult with the secretary of the Senate and the clerk of the House of Representatives or their designees. The parish governing authority shall submit proposed changes in precinct boundaries to the secretary and the clerk or their designees on United States Bureau of the Census maps prepared for the next federal decennial census and, where practicable, by electronic medium. No change in a precinct boundary may be made by the parish governing authority without prior review and approval by the secretary and the clerk or their designees, except as provided in this Paragraph. Such review shall consist of a determination whether the proposed precinct change coincides with a visible feature depicted on a base map that will be used by the United States Bureau of the Census to determine visible tabulation boundaries for the federal decennial census.

(b) The secretary of the Senate and the clerk of the House of Representatives or their designees shall send a report of the findings resulting from the review to the parish governing authority within forty-five days after the receipt of the proposed precinct changes. If the secretary of the Senate and the clerk of the House of Representatives or their designees fail to respond within forty-five days after the receipt of the proposed precinct changes, the proposed visible feature for precinct boundaries shall be deemed to be approved by the secretary of the Senate and the clerk of the House of Representatives or their designees.

(3)(a) In addition to the requirements of Paragraph (2) of this Subsection, when the proposed precinct change involves a merger authorized by Paragraph (B)(2) or Subparagraph (D)(1)(b) of this Section, prior to adoption by ordinance, the parish governing authority shall submit proposed changes of the merger to the secretary of state. No change in a precinct merger may be made by the parish governing authority without prior review and approval by the secretary of state, except as provided in this Paragraph. Such review shall consist of a determination whether the proposed merger of the precincts establishes a precinct or precincts where all parts of each proposed new precinct are in the same state, local, and municipal office voting district.

(b) The secretary of state shall send a report of the findings resulting from the review to the parish governing authority within forty-five days after the receipt of the proposed precinct changes. If the secretary of state fails to respond within forty-five days after the receipt of the proposed precinct mergers, the proposed

mergers shall be deemed to be approved by the secretary of state. No precinct shall be merged until all local governing authorities and the parish or city school board within the area affected by the merger have completed redistricting and such redistricting has been precleared pursuant to the Voting Rights Act of 1965.

D.(1)(a) Notwithstanding any other law to the contrary, no election precinct shall be created, divided, abolished, or merged, or the boundaries thereof otherwise changed between January first of any year of which the last digit is nine and December thirty-first of any year of which the last digit is three.

(b) Notwithstanding the provisions of Subparagraph (a) of this Paragraph or R.S. 18:1903 to the contrary, if the legislature has completed the reapportionment required by Article III, Section 6 of the Constitution of Louisiana following the latest federal decennial census and has received preclearance pursuant to the Voting Rights Act of 1965, the parish governing authority may merge precincts upon the parish governing authority's certifying in writing to the office of the secretary of state that the parish governing authority and all school boards within the parish have completed all redistricting that is required following the latest federal decennial census and have received preclearance pursuant to the Voting Rights Act of 1965.

(i) A certified copy of the ordinance describing such precinct mergers, a written description of proposed new precinct boundaries, and a copy of a map clearly detailing the precinct boundaries within the parish shall be sent to the secretary of the Senate, and the clerk of the House of Representatives, the secretary of state, the clerk of court, and the registrar of voters of the parish within fifteen days after the adoption of the ordinance.

(ii) No precinct merger shall become effective without prior review and approval by the secretary of state, the secretary of the Senate, and the clerk of the House of Representatives, or their designees. The secretary of state, the secretary of the Senate, and the clerk of the House of Representatives, or their designees shall send a report of the findings of the review to the parish governing authority within forty-five days after receipt of the proposed precinct changes. If the secretary of state, the secretary of the Senate, or the clerk of the House of Representatives, or their designees fail to respond within forty-five days after receipt of the proposed precinct changes, the proposed precinct changes shall be deemed to be approved by the official or designee who failed to respond.

(2)(a) Notwithstanding the provisions of Paragraph (1) of this Subsection or R.S. 18:1903 to the contrary, if after the release of the federal decennial census data a parish governing authority is unable to comply with applicable law regarding redistricting and reapportionment, including adherence to traditional redistricting principles, in the creation of its redistricting or reapportionment plan using the whole precincts submitted to the United States Bureau of the Census, the parish governing authority may divide a precinct into two or more precincts; any such division shall be by a visible feature which is a census tabulation boundary. Upon dividing a precinct, the parish governing authority shall notify the secretary of state of such precinct division in writing.

(b) Any such parish governing authority shall include the precinct changes in its ordinance establishing its redistricting or reapportionment plan.

(c) Within fifteen days after the adoption of the ordinance, the parish governing authority shall send to the secretary of the Senate and the clerk of the House of Representatives a certified copy of the ordinance and a copy of a map showing the new precinct boundaries together with a written description of such boundaries. If the precinct changes were the result of action in a court of competent jurisdiction, the parish governing authority shall include a certified copy of the court order, and the secretary and the clerk shall likewise be notified of appeals filed or other actions that pertain to any such order or ordinance.

(d) The provisions of this Paragraph shall not be construed as authority for a parish governing authority which has adopted or accomplished redistricting or reapportionment or is able to redistrict or reapportion itself in accordance with applicable law using the whole precincts submitted to the United States Bureau of the Census to divide precincts. Any plan adopted by a parish governing authority in contravention of this Subsection shall be null and void, and no election shall be conducted using any ballot based on such a null and void plan. Any declaration of nullity of a plan pursuant to this Paragraph shall be by a court of

competent jurisdiction. In the event a plan is declared null, such declaration shall not affect the validity or legality of any actions taken by, ordinances or regulations adopted by, or contracts entered into by the governing authority elected pursuant to the null plan.

E.(1) A precinct shall not be changed, and no precinct shall be established or altered in any way, including alphabetical division by voter surname, and no annexation shall be implemented during the period commencing on the tenth business day prior to the date the qualifying period opens and ending on the date of the general election.

(2) No precinct change or annexation that is made prior to the tenth business day prior to the date the qualifying period opens shall become effective for the election unless the information required in Subsection A of this Section, including notice of preclearance if required pursuant to the Voting Rights Act of 1965, is received by the secretary of state prior to 4:30 p.m. on the tenth business day prior to the date the qualifying period opens.

F. Within fifteen days after the adoption of the ordinance as provided in this Section, the parish governing authority shall send to the secretary of the Senate and the clerk of the House of Representatives, the secretary of state, the clerk of court, and the registrar of voters a certified copy of the ordinance and a copy of a map showing the new precinct boundaries together with a written description of such boundaries.

§533. Establishment and location of polling places; responsibility for acts or omissions

A. Establishment. (1) The governing authority of each parish shall establish one polling place for each precinct. Each polling place shall be equipped with proper electric current, fixtures, and outlets necessary to properly operate the voting machines and otherwise to conduct the election. Each polling place shall have sanitary facilities available. The governing authority shall complete a survey form prepared by the secretary of state for each polling place in its parish and shall certify to the secretary of state that each polling place meets the accessibility standards for individuals with disabilities adopted by the secretary of state.

(2) The parish governing authority shall, to the extent possible, locate multiple precincts in a polling location, if it determines after due consideration that to locate multiple polling places within the same polling location would be efficient, cost-effective, and convenient to voters.

B. Location. (1) Except as otherwise provided in this Subsection, the polling place for a precinct shall be located in the precinct in a suitable public building and all public bodies are hereby required to allow the use of public buildings as voting precincts without cost or charge when the parish governing authority requires it. If no public building is available, then a precinct may be located on private property. The parish governing authority shall inform the secretary of state as to whether the parish polling places are located in public buildings or on private property.

All other laws relating to the establishment and location of a polling place shall be complied with. The governing authority shall take all reasonable steps to notify the residents of the precinct of the location of the polling place.

C. Prohibited locations. A polling place shall not be located in or on the grounds of:

(1) A place where beverages of high or low alcoholic content are dispensed to the public, but this prohibition shall not prevent the location of a polling place on premises housing a nonprofit organization whose principal business is not the dispensing of beverages of high or low alcoholic content, but no such alcoholic beverages shall be dispensed on such premises during election day or for three hours before the polls open.

(2) A jail, penitentiary, or other penal institution.

Such lease shall be recorded in the office of the clerk of court for the parish wherein such property is located and in addition shall be prominently posted in the office of the registrar of voters. After July 1, 1986, the lease shall also be filed with the secretary of state. The secretary of state shall not pay precinct rental for a polling place if a copy of the lease thereon has not been properly filed at least thirty days prior to the election, unless a change in the location of the polling place was necessitated immediately prior to the election and the governing authority lacked sufficient time to transmit a copy of the lease to the secretary of state prior to the election. Lease contracts entered into immediately prior to the election shall be filed with the secretary of state not later than ten days after the election for payment to be made by the secretary of state. Payments on leases filed later than ten days following an election will not be made by the secretary of state except for subsequent elections.

The parish president shall submit written notice of the change as soon as practicable to the secretary of state.

§542. Termination of voting

A person who is in line to vote when the polls close on election day shall be allowed to vote. SUBPART D. PREPARATION FOR VOTING

§551. Ballots

A. Preparation. The secretary of state shall prepare and certify the absentee by mail ballots, the early voting ballots, and the ballots to be used on the voting machines in primary and general elections.

B. Titles of offices. (1) The titles of the offices to be voted on in a primary or general election shall be listed on the ballot in capital letters in the following order:

(a) President and vice president.

(b) Presidential nominees in a presidential preference primary.

(c) State offices--governor, lieutenant governor, secretary of state, attorney general, treasurer, commissioner of agriculture, commissioner of insurance, United States senator, United States representative, justice of the supreme court, judge of a court of appeal, member of the public service commission, member of another state board or commission, and any other state office.

(d) Local offices--state senator, state representative, district judge, district attorney, judge of a parish court, sheriff, clerk of court, assessor, coroner, police juror, judge and marshal of a city court, member of a school board, member of other local boards and commissions, justice of the peace, and other local offices.

(e) Municipal offices--mayor, chief of police or marshal, alderman or member of a city council, member of a municipal board or commission, and other municipal offices.

(f) Political party offices--member of a state central committee, member-at-large of a parish executive committee, and member of a parish executive committee from a political subdivision. If an election for a political party office appears on the same ballot with an election for presidential nominees in a presidential preference primary election, the secretary of state may place the political party office immediately following the office of presidential nominees of the same political party.

(2) When a special election to fill a newly created office or a vacancy in an existing office is held at the same time as a regularly scheduled election, the secretary of state may list the titles of the offices to be voted on in the special election at the end of the ballot. However, when the geographic area of an office in the regularly scheduled election and in the special election are the same and when the candidates in the regularly scheduled election and in the special election for such office are the same, the title of the office and the names of the candidates shall appear only once on the ballot as provided in this Section and the ballot shall state that the election is being held to fill both the vacancy and the full term for the office. Each elector shall cast the same vote for both the regular and the special election for the office, and the candidates who qualify for the general election shall qualify for the general election for both the regular and the special election for the office, and the candidate who is elected shall be elected to fill both the vacancy and the full term for the office.

(3) The titles of offices not specifically provided for in this Section shall be listed on the ballot in the order determined by the secretary of state.

C. Names and numbers of candidates. The names of the candidates in a primary or general election shall be listed on the ballot as follows:

(1)(a) In a primary election only the names of candidates who qualified for election and were not subsequently disqualified by a judgment rendered in an action objecting to candidacy shall be listed on the ballot.

(b) The name of each local candidate shall be listed on the ballot as certified to the secretary of state by the clerk of court, and the name of each state candidate shall be listed on the ballot in the form designated by the candidate in his notice of candidacy on file with the secretary of state.

(c)(i) The names of the candidates for each office shall be arranged alphabetically by surname and shall be listed below the title of the office, in smaller capital letters. The names of the candidates shall be numbered from first to last. Once the secretary of state has assigned numbers to the candidates on the primary election ballot, the numbers shall not be changed.

(ii) If the qualifying period reopens because of the death of a candidate, additional candidates who qualify for the primary election shall be given the numbers following the number assigned to the last candidate on the ballot.

(iii) If two or more candidates have the same surname, the names of the candidates having the same surname shall be arranged alphabetically by first name, regardless of whether a candidate's first name appears on the ballot. The word "Incumbent" shall be listed after the name of each candidate having the same surname who is an incumbent, and the residence address shall be listed after the name of each candidate having the same surname who is not an incumbent.

(2) In a general election only the names of the candidates who qualified for election shall be listed on the ballot, and the names shall be listed in the same form as they were listed on the ballot for the primary election. The names of candidates who were elected in the primary election shall not be listed on the ballot. The names of the candidates for each office shall be arranged alphabetically by surname, and shall be listed below the title of the office, in smaller capital letters. The names of the candidates shall be given the same number assigned to them on the primary election ballot.

D. Political party designation. The political party designation of a candidate who is registered as being affiliated with a recognized political party shall be listed on the primary or general election ballot on the same line and immediately after or below the candidate's name. If a candidate is affiliated with a political party, but such party is not a recognized political party, the word "other" shall be placed after his name. If a candidate is not affiliated with any political party, the words "no party" or an abbreviation thereof shall be placed after his name. The secretary of state shall promulgate and adopt rules as necessary to effectuate the provisions and purposes of this Subsection.

E. Uniformity. The names of the candidates shall be listed on the ballot in type of uniform size and style. The spaces between the names of the candidates for each office shall be uniform, and the names of the candidates for one office shall be separated from the names of candidates for another office by sufficient space to avoid confusion. All propositions and constitutional amendments shall be listed on the ballot in type of uniform size and style.

§552. Election materials

A. Materials furnished. At least twenty-two days before a primary election and as soon as possible for a general election:

(1) The secretary of state shall furnish the ballots to be used on the voting machines;

(2) The secretary of state shall furnish to the parish custodian of voting machines for each parish in which voting shall be conducted in an election two copies of a statement, which has been approved by the attorney general, explaining the scope and nature of any proposed constitutional amendment on the ballot and two sample ballots for each voting precinct at which voting shall be conducted in an election; and

The custodian of voting machines shall distribute the forms to every location in the parish where voting will be conducted, and the forms shall be made available to the public at the polling place at all times when the polling place is open for voting.

B. In the case of a federal election, in addition to the materials provided in Subsection A of this Section, the secretary of state shall supply informational posters as required by the Help America Vote Act of 2002.

§553. Inspection and preparation of voting machines at polling places; precinct registers and supplemental list

A. Delivery of the key envelope. The parish custodian of voting machines shall seal the keys, if applicable, to the voting machines at each polling place in an envelope on which shall be written the ward and precinct number of the polling place, the location of the polling place, and the numbers of the seal and protective counter of each voting machine at the polling place. The parish custodian shall deliver the sealed key envelope to the deputy parish custodian appointed for the polling place, and the deputy parish custodian shall deliver the sealed key envelope to the commissioner-in-charge at the polling place at least thirty minutes before the time for opening the polls on election day.

B. Inspection of the voting machines. After the commissioners take their oath and before the time for opening the polls, the commissioners, in the presence of the watchers, shall prepare the polling place for voting as follows:

(1)(a) Compare the voting machine serial numbers on either side of the machines with the numbers on the envelope containing the keys to the voting machines received from the deputy custodian. Verify that the numbers on the keys also match the serial numbers of the machines. Compare the protective counter numbers on the key envelope with the protective counter numbers on the machines. Compare numbers on the key envelope with the seal numbers on the machines.

(b) If the numbers do not agree, the commissioners shall notify the parish custodian, and the commissioners shall not proceed further in the preparation of the voting machine for voting until a representative of the parish custodian has reexamined the voting machine and certified that it is properly arranged. If the numbers agree, the commissioners shall open the envelope, take out the keys, and open the door.

(2) The commissioners shall cause each machine to produce a zero proof sheet. Determine from the zero proof sheet that each counter on that machine is set at zero. Sign and certify to the correctness of each zero proof sheet. Immediately post each zero proof sheet within the polling place. If any zero proof sheet is

illegible or damaged, immediately notify the parish custodian who will take action necessary to make the machine operative. If any zero proof sheet indicates that any candidate or question counter does not register zero, immediately notify the parish custodian, who will, if practical, readjust the counters. If it is impractical to readjust the counters before the polls open, immediately make a written statement of the letter and number designation on each counter and the number registered on the counter. Post this statement at the polling place throughout the election and preserve the statement as part of the election returns.

(3) Check the ballot on the face of each voting machine against the sample ballot supplied by the custodian of voting machines to make certain it is correct. If the ballot is not correct, the commissioners shall notify the parish custodian, and the machine shall not be used until the ballot has been corrected under supervision of the parish custodian or his representatives.

(4) Post the instructions, informational posters, if required, the statement of proposed constitutional amendments on the ballot, and a sample ballot in a conspicuous place at the principal entrance to the polling place, where they shall remain posted throughout the election day.

(5) Leave the voting machines locked against voting until the polls are formally opened and thereafter they shall be operated only by the voters in casting their votes.

(6) Complete in triplicate Certificate No. 1 of the composite certificate designated "Machine Certificates", which shall be prepared and furnished by the secretary of state. This certificate shall state:

- (a) The exact time when the keys to the voting machines were delivered.
- (b) The serial number on each voting machine.
- (c) The number of the seal on each voting machine or cartridge, if applicable.
- (d) The number shown on the protective counter on each voting machine.
- (e) That the public counter on each machine numbered zero.

C. Disposition of the keys. When the voting machines at the polling place are unlocked for voting, the commissioners shall place the keys to the voting machines in the envelope provided for that purpose. The commissioners, in the presence of the watchers, shall seal and sign the envelope containing the voting machine keys, and the sealed envelope shall be kept with the other election materials until the termination of voting. The keys to the voting machines shall not be used during the election except by mechanics or experts repairing or adjusting a voting machine under the supervision and control of the parish custodian.

D. Operation of voting machines. During the election, the voting machines shall only be operated by voters casting their votes.

E. Maintenance of precinct registers.

(1) The parish custodian of voting machines shall be responsible for delivering a supplemental list of absentee voters who voted absentee by mail and whose ballots were received after the last day for early voting and before election day, if necessary.

(2) For each name appearing on the supplemental list, the commissioners shall mark "Absentee" in the place where the voter usually signs the precinct register and initial the precinct register adjacent to the word "Absentee".

(3) The parish custodian of voting machines shall be responsible for delivering to the precinct a supplement to the official list of voters, if necessary.

(4) Upon receipt of any supplement to the official list of voters, the commissioners shall add the supplement to the precinct register behind the "supplemental" divider.

§562. Prerequisites to voting

A. Identification of voters.

(1) A person who desires to vote in a primary or general election shall give his name and address to a commissioner, who shall announce the applicant's name and address to the persons at the polling place.

(2) Each applicant shall identify himself, in the presence and view of the bystanders, and present to the commissioners a Louisiana driver's license, a Louisiana special identification card issued pursuant to R.S. 40:1321, or other generally recognized picture identification card that contains the name and signature of the applicant. If the applicant does not have a Louisiana driver's license, a Louisiana special identification card, or other generally recognized picture identification card that contains the name and signature of the applicant, the applicant shall complete and sign an affidavit, which is supplied by the secretary of state, to that effect before the commissioners, which affidavit shall include the applicant's date of birth and mother's maiden name. If the applicant is unable to read or write or is otherwise unable to complete the affidavit due to disability, the applicant may receive assistance in completing the affidavit and the commissioner shall make a notation on the affidavit. The applicant may receive the assistance of any person of his choice, including a commissioner, except a candidate, commissioner-in-charge, the applicant's employer or employer's agent, or the applicant's union agent. The commissioners shall place the affidavit in the envelope marked "Registrar of Voters" and attach the envelope to the precinct register. However, an applicant who is allowed to vote without the picture identification required by this Paragraph is subject to challenge as provided in R.S. 18:565.

B. Review of precinct register. The commissioners shall then determine:

(1) If the applicant's name is found in the precinct register on the official list of voters and he has not voted absentee by mail or during early voting, one of the commissioners shall announce the applicant's name again.

(2) If the applicant's name is found in the precinct register on the inactive list of voters and has not voted absentee by mail or during early voting, the applicant may vote after complying with provisions of R.S. 18:196(B). After such compliance, one of the commissioners shall announce the applicant's name again and shall preserve the address confirmation card received from the voter by placing the address confirmation card in the envelope marked "Registrar of Voters" and attaching the envelope to the precinct register.

(3) If the name of a qualified voter was omitted from or incorrectly printed on the precinct register, the commissioner shall:

(a) Contact the registrar of voters to ascertain whether or not the person applying to vote is registered to vote in that precinct.

(b) In the absence of a valid challenge of the voter, allow the applicant to sign an affidavit before a commissioner attesting that he is a qualified registered voter and describing the error or omission in the voter records.

(c) Preserve the applicant's original affidavit as part of the election records by placing it in the envelope marked "Put in Voting Machine" and place the duplicate affidavit in the envelope marked "Registrar of Voters" and attach the envelope to the precinct register.

C. Handwritten signature of the applicant. If the applicant is able to sign his name, he shall sign his handwritten signature in ink in the space for his signature on the precinct register. When the applicant has submitted picture identification to the commissioners, the applicant's signature shall be compared to his signature on the picture identification. If the applicant is unable to sign his name, he shall make his mark in ink in the proper space on the precinct register.

D. Procedure after identification. If satisfied that the applicant has identified himself as the voter named on the precinct register and that he is qualified to vote, a commissioner shall initial the precinct register opposite the voter's signature or mark. The voter then shall be allowed to vote.

A. The commissioners shall not allow more voters to approach the voting machines than there are vacant machines available for voting. Except as otherwise provided by law, the commissioners shall not allow more than one person to enter a voting machine at a time.

B. A pre-teen child may accompany his parent or legal guardian into the voting machine.

C.(1) A voter shall not remain in a voting machine longer than three minutes. If a voter fails to leave a voting machine promptly after a commissioner has notified him that three minutes have elapsed, the commissioners shall have the voter removed from the voting machine.

(2) Notwithstanding Paragraph (1) of this Subsection, a voter receiving assistance in voting pursuant to R.S. 18:564 or a voter using the audio ballot shall be allowed to remain in a voting machine for up to twenty minutes. If such a voter fails to leave a voting machine promptly after a commissioner has notified him that twenty minutes have elapsed, the commissioners shall have the voter removed from the voting machine.

D.(1) In order to cast a vote on a voting machine, a voter shall make at least one selection in a candidate or proposition election. Voting is completed by activating the cast vote mechanism. If the voter has made any selection in a candidate or proposition election but has failed to activate the cast vote mechanism, a commissioner observed by at least one other commissioner shall activate the cast vote mechanism for the fled voter without altering any selections made by the voter.

(2)(a) In order to cast a vote on a paper ballot, a voter must make a selection for a candidate or for or against a proposition by completely filling in the oval to the right of a selection and returning the ballot to the appropriate election official within the applicable deadline set forth by law. If a voter makes selections

for more than the number of candidates to be elected for an office or makes selections for and against the same proposition, the selections for that office or proposition will be void.

(b) If a voter determines that his ballot is spoiled because he wants to change or correct his vote on the ballot before it is cast and counted but is unable to do so, he may obtain a replacement ballot upon returning the spoiled ballot to a commissioner. The voter shall cast his vote as provided in Subparagraph (a) of this Paragraph using the replacement ballot. The commissioner shall write the words "spoiled and replaced" on the ballot and shall place it in the envelope marked "Registrar of Voters".

E. A voter shall promptly leave the polling place after voting and shall not reenter a voting machine.

A. Voters entitled to assistance. A voter shall not receive assistance in voting unless he is unable to read, or is unable to vote without assistance because of a physical disability, including being visually impaired. If a voter who is entitled to receive assistance in voting chooses to vote using the audio ballot instead of receiving assistance, and the audio ballot equipment fails, the voter shall be entitled to assistance in voting as provided in this Section.

B. Persons prohibited from assisting voters. (1) No candidate in any election shall assist any voter in casting his ballot in that election.

(2) No commissioner-in-charge can assist a voter.

The person, including a commissioner, assisting the voter shall sign his name behind the tab for Assistance to Voters.

C. Procedure when voter receives assistance. The person or commissioners assisting the voter shall enter the voting machine with the voter and assist him in voting. No other person shall enter the voting machine or assist the voter in voting. No person selected by the voter to assist him shall reveal the name of any person for whom the voter has voted, any proposition upon which he voted, or anything that took place while the voter was being assisted. When a precinct is equipped with a voting machine which provides an audio ballot, the commissioner shall offer the option of voting using the audio ballot to a visually impaired voter or a voter who is unable to read. If the voter elects to vote using such method, the commissioner shall assist the visually impaired voter or the voter who is unable to read with the headset and instruct the voter and the person selected to assist the voter on the use of the audio ballot.

D.(1)(a) Prior to receiving assistance under this Section due to a disability, including visual impairment, the voter shall file with the registrar in person or by mail a statement setting forth the necessity and reasons for this assistance and shall furnish the registrar one of the following:

(iv) A completed and signed voter registration application attesting that the voter has a physical disability and requires assistance in voting.

(b) If the voter is submitting the information required by this Paragraph by mail, he shall also submit to the registrar a copy of his Louisiana driver's license, his Louisiana special identification card issued pursuant to R.S. 40:1321, or other generally recognized picture identification card that contains the name and signature of the voter.

(c) If such statement with such documentation, if applicable, is filed with the registrar as provided in this Paragraph or if a statement with such documentation, if applicable, is presented to the commissioner-in-charge on election day pursuant to Paragraph (2) of this Subsection, the registrar shall indicate such facts in the registrant's information on the state voter registration computer system and, if the original application is available in hard copy in the registrar's office, on the original application for registration. The registrar shall retain the statement and documentation, if applicable. Thereafter, the voter shall not be required to present evidence of any kind at the polls or during early voting.

(2)(a) A voter shall also be entitled to assistance without having filed with the registrar a statement setting forth the necessity and reasons for this assistance if, on election day, the voter presents to the commissioner-in-charge one of the following as proof of disability:

A. Upon receipt of the "Provisional Ballot" envelope, the registrar of voters shall compile a list of the names of individuals who voted a provisional ballot, including the names of individuals who voted an early voting provisional ballot. On or before the date prescribed for the date of tabulation and counting of provisional ballots set forth in Subsection C of this Section, the registrar of voters, secretary of state, and other state and local agencies shall compile and provide available registration documentation to the parish board of election supervisors for the purposes of determining whether the individual casting a provisional ballot is a registered voter and eligible to vote in the election.

B. The parish board of election supervisors in each parish shall be responsible for the counting and tabulation of all provisional ballots for federal office. The board may utilize parish board commissioners to count the provisional ballots in the parish. If the board determines that parish board commissioners are necessary to count and tabulate the provisional ballots, it shall select parish board commissioners in accordance with the provisions of R.S. 18:1314(D). In a parish where no parish board commissioners are utilized during the counting and tabulation of absentee by mail and early voting ballots, the board may utilize commissioners to count the provisional ballots. The selection and compensation of such commissioners to count and tabulate provisional ballots shall be in the same manner as parish board commissioners as provided for in R.S. 18:1314(D) and (E).

C. Provisional ballots shall be counted prior to the compilation of returns pursuant to R.S. 18:574 at the office of the registrar of voters or at a public facility within the parish designated by the parish board of election supervisors.

D. Candidates, their representatives, and qualified electors may be present during the counting and tabulation of provisional ballots.

E. The board shall count and announce the results of the provisional ballots as the total number of provisional votes cast in the election for each candidate for federal office.

F. The procedure for counting provisional ballots shall be as follows:

(1) A member of the board shall remove the envelopes containing the provisional ballots from the envelopes marked "Provisional Ballot" and "Early Voting Provisional Ballot".

(2) The board shall announce the name of each provisional voter and shall compare the name on the flap of the provisional ballot envelope with the name on the list of provisional voters.

(3) The board shall confirm each of the following with the registrar:

(b) The provisional voter voted on the federal office or offices for which the provisional voter was eligible to vote.

(c) The provisional voter did not vote early, absentee by mail, or at his precinct on election day.

(4) If the board has determined that a provisional ballot shall be counted, a member of the board shall write the provisional ballot number and the word "counted" adjacent to the provisional voter's name on the list of provisional voters. A member of the board shall tear the flap from the envelope containing the provisional ballot, attach the provisional voter's registration documentation to the envelope flap, and leave the envelope sealed.

(5) If the board has determined that a provisional ballot shall not be counted, the members of the board shall leave the flap on the envelope containing the provisional ballot, leave the envelope sealed, and shall write the word "rejected", together with the reason for rejecting the provisional ballot across the envelope containing the ballot. A member of the board shall write the provisional ballot number and the word "rejected" adjacent to the provisional voter's name, together with the reason for rejecting the provisional ballot, on the list of provisional voters. The rejected provisional ballots shall be placed in the special provisional ballot envelope. No rejected provisional ballot shall be counted.

(6) After the validity of all provisional ballots has been determined, the members of the board shall place the original signed list of provisional voters, the flaps removed from the valid provisional ballots, and the attached registration documentation in the envelope provided for that purpose and seal the envelope. Two of the members of the board shall execute the certificate on the envelope and transmit the envelope to the registrar of voters.

(7) The members of the board shall open the envelopes containing the valid provisional ballots and remove the ballots.

(8) The provisional votes cast for a candidate for federal office shall be counted by hand, and the total number of provisional votes cast for a candidate shall be announced in the order the offices and candidates are listed on the provisional ballot. The members of the board shall enter the total number of votes on the final provisional ballot vote report and certify the results.

(9) The original of the final provisional ballot vote report prepared by the parish board of election supervisors shall be transmitted to the clerk of court upon completion of the tabulation of the provisional ballots.

(10) A copy of the signed list of provisional voters and a copy of the final provisional ballot vote report shall be transmitted immediately to the secretary of state.

G. When the flaps of the provisional ballots that were counted and the attached registration documentation have been returned to the registrar of voters, the registrar shall add the name of each provisional voter whose ballot was counted to the list of those who have voted.

H. Upon completion of the tabulation and counting of the provisional ballots, the parish board of election supervisors shall return the provisional ballots and a copy of the final provisional ballot vote report to the special provisional ballot envelope, shall seal the envelope, and shall deliver the envelope to the registrar of voters. The registrar shall preserve the envelope and its contents inviolate and, except upon order of a court of competent jurisdiction, shall not allow the provisional ballot documents to be inspected by anyone until the delay for filing an action contesting the election has lapsed. If an action contesting the election is commenced timely, the registrar shall continue to preserve the envelope and its contents inviolate, subject to the orders of the court, until the final judgment in the action has become definitive.

§573. Evidence of election results

A. Opening the voting machines. (1) The voting machines used in a primary or general election shall remain locked or otherwise secured and, if applicable, sealed until the third day after the election unless the election is in judicial controversy and a court of competent jurisdiction has ordered the machines opened at an earlier time. However, if the third day falls on a Saturday, Sunday, or other legal holiday, the machines shall be opened and, if applicable, the seals broken on the second day following the election.

(2) On the day immediately preceding the election, the clerk of court shall prominently post in his office a notice of the time and place where the voting machines will be opened after the election. If no order requiring an earlier opening has been issued, then at the time and place designated in the notice, the clerk of court, assisted by at least one member of the parish board of election supervisors, in the presence of the candidates or their representatives who desire to be present, shall open the voting machines and, if applicable, break the seals. Public and protective counter numbers shall be recorded. Verification of the election results on each machine, as provided for in Subsection B and subject to Subsection C of this Section, shall be completed before another machine is opened.

(3) Each voting machine shall be relocked or otherwise secured and, if applicable, resealed after the candidates or their representatives have had a reasonable opportunity to inspect the machine, which shall not be less than thirty minutes after the time designated for opening the machines by the clerk of court in the notice posted in his office. The clerk of court, in the presence of a majority of the parish board of election supervisors, shall reopen any voting machine for reinspection by a candidate or his representative after receipt of a written request for reinspection by the candidate. All reinspections shall be held at 10:00 a.m. on the fifth day after the election and at any time ordered by a court of competent jurisdiction. If the fifth day after the election falls on a holiday or weekend, such reinspection shall be held at 10:00 a.m. on the next working day. Any written request for reinspection of voting machines shall be filed with the clerk of court. The deadline for filing a request for reinspection shall be the last working day prior to the date of the reinspection. Immediately upon receiving any request, the clerk of court shall prominently post in his office a notice of the time and place where the voting machines will be reopened and the name of the candidate requesting that the machines be reopened. The candidate requesting the reinspection shall be responsible for all reasonable costs associated with such reinspection, which shall be payable to the clerk of court. The costs shall be paid at the time the written request for reinspection of voting machines is filed with the clerk of court and shall be paid in cash or by certified or cashier's check on a state or national bank or credit union, United States postal money order, or money order issued by a state or national bank or credit union. The parish board of election supervisors shall be entitled to reimbursement for attending the reinspection at the rate established in R.S. 18:423(E); however, such reimbursement shall not be counted toward the six-day limitation provided in R.S. 18:423(E). If it is necessary to reopen a voting machine which has been relocked or otherwise secured and, if applicable, resealed to conduct a reinspection thereof, the clerk of court shall relock or otherwise secure and, if applicable, reseal the machine after the reinspection is completed.

(4) The vote totals shown on the machines shall be retained as provided in R.S. 18:1376.

B. Verification of election results. After the machines are opened, the clerk of court, in the presence of the parish board of election supervisors or the members of the board selected by the board as its representatives and the candidates or their representatives, shall immediately verify the total votes cast for each candidate and the total votes cast for and against each proposition as shown on the voting machines or voting machine election result sheets and the total number of absentee by mail and early voting votes cast for each candidate and the total number of absentee by mail and early voting votes cast for and against each proposition as shown by the final absentee by mail and early voting report filed with the clerk by the parish board of election supervisors. The machine votes cast shall be shown separately by each precinct, and the absentee by mail and early voting votes cast shall be shown as the total number of votes cast for each candidate and the total number of votes cast for and against each proposition.

C. The clerk of court may utilize deputy clerks and other employees of his office to assist him in opening the voting machines and verifying the election results as required in Subsections A and B of this Section. Nothing in this Section shall prohibit the clerk from utilizing more than one team of his deputies or employees to perform the duties required of him. To facilitate the verification of election results, two or more voting machines may be opened simultaneously and the results thereon verified.

D. Preservation of election records. At the opening of the voting machines, the clerk of court shall immediately remove the envelope marked "Put in Voting Machine" and shall preserve the envelope and its contents inviolate and, except upon order of a court of competent jurisdiction, shall not allow them to be

inspected by anyone until the delay for filing an action contesting any election to office has lapsed. If an action contesting any election to office is commenced timely, the clerk shall continue to preserve these records inviolate, subject to the orders of the court, until the final judgment in the action has become definitive.

E. Transmission and disposition of duplicate challenges, duplicate voters' affidavits, and address confirmation cards.

(1) At the opening of the voting machines, the sealed precinct registers shall be immediately returned to the registrar of voters. Upon receipt of the sealed precinct registers, the registrar shall remove any attached duplicate record of challenges of voters made during the election, any duplicate voters' affidavits made pursuant to R.S. 18:562(B), and any address confirmation cards.

(2) The registrar shall utilize the procedures set forth in Part V of Chapter 4 of this Code to determine the validity of the registration of each challenged voter who did not submit an address confirmation card. In any instance where an address confirmation card was received that stated an address different from the address on file in the registrar's office for a registrant, the registrar shall change or cancel the registration. If an address confirmation card was received that affirmed the address on file in the registrar's office, the registrar shall reinstate the registrant to the official list of voters if he appears on the inactive list of voters. If the address confirmation card was a result of a valid challenge, the registrar shall so inform the district attorney and shall transmit to him the address confirmation card of that person.

(3) The registrar also shall proceed to determine if each voter submitting an affidavit attesting that he is a qualified registered voter and alleging an error or omission on the precinct register is in fact a registered voter qualified to vote in the election. If the registrar determines that any person who has voted in the election by virtue of his submission of such an affidavit was not a registered voter qualified to vote in the election, the registrar shall so inform the district attorney and shall transmit to him the affidavit of that person.

§574. Compilation and promulgation of returns

A.(1) The parish board of election supervisors or the members of the board selected by the board as its representatives shall meet at the time and place designated by the clerk of court for the voting machines to be opened. The board or its representatives shall observe the verification of the votes by the clerk of court.

(2) Immediately after the completion of the verification by the clerk of court and the counting and tabulation of provisional ballots for federal office, if applicable, the board shall publicly prepare two compiled statements of the election returns as shown by the record of the votes made by the clerk of court. The compiled statements shall separately show the machine votes for each candidate and for and against each proposition in each precinct, the total absentee by mail and early voting votes for each candidate and for and against each proposition in the parish, the total provisional votes for each candidate for federal office, and the total of all votes for each candidate and for and against each proposition in the parish.

(3) The board shall complete the compilation of the election returns and file one copy of the compiled statement with the clerk of court no later than 4:00 p.m. on the fourth day after the election. One copy of the compiled statement shall be postmarked no later than 12:00 noon on the fifth day after the election and mailed to the secretary of state. The clerk of court shall transmit the election returns as shown by the compiled statement from the parish board of election supervisors to the secretary of state no later than 12:00

noon on the fifth day after the election. In a parish containing a municipality with a population of three hundred thousand or more, the parish board of election supervisors shall transmit the election returns as shown by their compiled statement to the secretary of state no later than 12:00 noon on the fifth day after the election. Failure to comply with these time limits shall not void the election.

B. By a majority vote of the members, the parish board of election supervisors may attach to the compiled statements a notation of any irregularities observed by the board with respect to:

- (1) The security of the place in which the voting machines are located;
- (2) The security of the voting machines;
- (3) The physical condition of the voting machines;
- (4) The physical condition of the election materials in the voting machines;
- (5) The substantive contents of the election materials in the voting machines; and
- (6) Any other matter affecting the verification of the vote totals by the clerk of court.

C. The compiled statements made by the parish board of election supervisors shall be admissible in court in an action contesting a primary or general election as prima facie proof of the number of votes received by the candidates in the election.

D.(1) The secretary of state shall compile the results of the election for all candidates, proposed constitutional amendments, and recall elections based upon the compilation of the votes transmitted to him by the clerks of court from the compiled statements by the parish boards of election supervisors. In a parish containing a municipality with a population of three hundred thousand or more, the secretary of state shall compile the results of the election for all candidates, proposed constitutional amendments, and recall elections based upon the compilation of the votes transmitted to him by the parish board of election supervisors. The compilation shall be completed and the results thereof shall be announced not later than 12:00 noon on the sixth day after the election.

(2) The secretary of state shall announce the results for state candidates, proposed constitutional amendments, and recall elections and that the results of elections for candidates other than state candidates are available in his office. The results thus announced shall be deemed to be the tentative results of the election and shall not be deemed to be the official results of the election.

E.(1) On or before the twelfth day after the primary or general election, if no action has been timely filed contesting the election to the office of a state candidate, the secretary of state shall promulgate the returns for state candidates, proposed constitutional amendments, and recall elections by publishing in the official journal of the state the names of the state candidates for each office in the election, the text of the proposed constitutional amendment, and recall elections and the number of votes received by each such candidate, proposed constitutional amendment, and recall elections as shown by the returns transmitted by the clerks of court from the compiled statements by the parish boards of election supervisors. In a parish containing a municipality with a population of three hundred thousand or more, the promulgation shall be from the returns transmitted by the parish board of election supervisors. On or before the twelfth day after the primary or general election, if no action has been timely filed contesting the election to office of a candidate other than a state candidate, the secretary of state shall promulgate the returns for the election for candidates other than state candidates by transmitting to the clerk of court for the parish wherein the state capital is located a notice containing the results of the elections for candidates other than state candidates. The clerk of court shall post this notice in a prominent place in his office.

(2) However, if the twelfth day after the primary or general election falls on a Saturday, Sunday, or other legal holiday, and the secretary of state does not promulgate said returns prior to the twelfth day after the primary or general election, he shall promulgate said returns on the next day which is not a Saturday, Sunday, or other legal holiday.

F. Computation of all time intervals in this Section shall include Saturdays, Sundays, and other legal holidays. However, if the final day in a time interval falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day of the time interval. B. Contested elections. If an action contesting a primary or general election is commenced timely, the final judgment in the action contesting the election shall determine the result of the election for that office. The result of a contested election shall not be official until the final judgment in the action contesting the election becomes definitive. The secretary of state shall promulgate results of a contested election in accordance with the final judgment of the court as soon as practicable after the final judgment becomes definitive.

(2) "Political subdivision" means a parish, municipality, and any other unit of local government, including a school board and a special district, authorized by law to perform governmental functions.

(3) "Vacancy" occurs in an elective office when the office is or will be unoccupied by reason of the death of the official who was elected to the office, or by reason of his retirement or resignation, removal from office by any means, failure to take office for any reason, or when it becomes certain that the person elected to the office will not take the office on the day when the term for which he was elected commences, or when the person elected to or holding the office no longer meets the residence or domicile requirements of that office, any declaration of retention of domicile to the contrary notwithstanding, or when an office is created due to a reclassification of a municipality.

Acts 1976, No. 697, §1, eff. Jan. 1, 1978. Acts 1984, No. 672, §1; Acts 2004, No. 526, §2, eff. June 25, 2004.

§582. Applicability

The provisions of this Title shall apply to the filling of vacancies for all offices in this state and its political subdivisions, except those offices for which specific provision otherwise is made or provided for in the constitution.

Acts 1976, No. 697, §1, eff. Jan. 1, 1978.

§583. Procedure for anticipated vacancies

A.(1) The authority required by law to call a special election to fill a vacancy in an office shall issue a proclamation ordering a special election to be held to elect a person to fill the full term of an office when it becomes certain, after the election for the term but prior to its commencement, that a vacancy will exist on the day when the term of the office commences as provided by the constitution or by law. The proclamation ordering the special election shall state the dates, in accordance with R.S. 18:402, on which the primary and general elections will be held.

(2) It shall become certain that a vacancy will exist on the day the term of office commences when the person elected to the office dies, makes a declaration to the secretary of state that he will not accept the office, or is disqualified by a court of competent jurisdiction.

B.(1) The declaration provided for herein shall be in writing and shall be signed by the official-elect and duly acknowledged by him before an officer authorized to administer oaths.

(2) The secretary of state shall immediately transmit notice of such declarations to the authority required by law to make the appointment to fill the vacancy and to the authority required by law to call the election to fill the vacancy if said authority is not the same as the authority required to make the appointment.

(3) Such declaration shall become irrevocable when received by the secretary of state, at which time an anticipated vacancy shall be deemed to have occurred.

C. When an elected official has properly tendered a notice of retirement or resignation which specifies a prospective effective date, an anticipated vacancy shall be deemed to have occurred on the date the notice of retirement or resignation becomes irrevocable. However, no special election shall be called to fill the anticipated vacancy if there is one year or less, or with respect to the office of state legislator six months or less, remaining between the prospective effective date contained in the notice of retirement or resignation and the end of the term of office of the resigning official.

D.(1) An appointment to fill an anticipated vacancy shall be made at the time the office is actually vacated and such appointment shall be made in accordance with the provisions of law applicable to the filling of vacancies in the affected office. An appointment to fill an anticipated vacancy that is made prior to the time the office is actually vacated is premature and without effect.

(2) A special election to fill an anticipated vacancy shall be called in accordance with the provisions of law applicable to the filling of vacancies in the affected office except the proclamation calling the special election shall be issued after an anticipated vacancy is deemed to have occurred. In determining the dates to be used to call the special election, the provisions of R.S. 18:402 shall apply.

(2) Notwithstanding the provisions of Paragraph (1) of this Subsection or R.S. 18:402, if a vacancy in the office of state legislator occurs and if six months or more of the term remains unexpired and in the discretion of the presiding officer of the house of the legislature in which the vacancy occurs a person may be elected and serve during a session of the legislature which occurs prior to the next regularly scheduled election dates provided in R.S. 18:402, then within ten days of the vacancy occurring, the presiding officer of the house in which the vacancy occurs shall determine the dates of the primary and general elections and the dates of the qualifying period for the election and shall issue a proclamation advising of the vacancy and setting forth the election dates and dates of the qualifying period for candidates. However, if the deadline for issuing the proclamation falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for issuing such proclamation. The speaker of the House of Representatives or the president of the Senate shall immediately forward such information to the secretary of state, who shall within twenty-four hours after receipt of the information notify all election officials having any duty to perform in connection with a special election to fill such vacancy, including the parish boards of election supervisors for the parish or parishes in which the vacancy occurred. The secretary of state shall also publish the proclamation in the official journal of each parish in which the election is to be held.

§602. Vacancies in certain local and municipal offices; exceptions

A. When a vacancy occurs in the office of a member of a parish or municipal governing authority or a combination thereof, a mayor, or any other local or municipal office, except an office covered by Subsections B and C of this Section and except the office of judge, state legislator, or marshal of a city or municipal court, and the office is filled by election wholly within the boundaries of a local governmental subdivision, the governing authority of the local governmental subdivision where the vacancy occurs shall within twenty days appoint a person to fill the vacancy who meets the qualifications of the office. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment. The presiding officer of the governing authority shall not be required to vote on such an appointment to be made by the governing authority of a local governmental subdivision unless a tie vote occurs thereon, in which case he shall vote to break the tie; however, in no case shall the presiding officer vote more than once on the appointment.

B. When a vacancy occurs in the membership of a city or parish school board, the remaining members of the board shall within twenty days declare that the vacancy has occurred and proceed to appoint a person who meets the qualifications of the office to fill the vacancy. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment. For the purposes

of this Subsection, in addition to the definition of "vacancy" provided in R.S. 18:581, a "vacancy" in a city or parish school board office shall be deemed to have occurred when, in the case of a city school board, a member's residence no longer lies within the jurisdiction of the board or when, in the case of a parish school board, a member changes his domicile from the district he represents or, if elected after reapportionment, is domiciled outside the district he represents at the time he is sworn into office, any declaration of retention of domicile to the contrary notwithstanding.

C.(1) When a vacancy occurs in any of the following offices, the duties of the office shall be assumed by the person hereinafter designated: (a) district attorney, by the first assistant; (b) clerk of a district court, by the chief deputy; (c) coroner, by the chief deputy; (d) sheriff, by the chief criminal deputy, except that in a parish that has both a civil sheriff and a criminal sheriff, the civil sheriff by the chief civil deputy, and the criminal sheriff, by the chief criminal deputy, respectively; and (e) tax assessor, by the chief deputy assessor.

(2)(a) If there is no such person to assume the duties when the vacancy occurs, the governing authority or authorities of the parish or parishes affected shall within twenty days appoint a person having the qualifications of the office to assume the duties of the office. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment.

(b) If the vacancy in the office of sheriff occurs after a regularly scheduled election for the office of sheriff but prior to the beginning of the term and there is no chief deputy sheriff as provided in Paragraph (1) of this Subsection to assume the duties of the office, the parish governing authority may appoint the person who was elected to the office of sheriff in the regular election to assume the duties of the office in the manner provided in Subparagraph (a) of this Paragraph.

D. If a vacancy is not filled within the time specified in Subsection A, B, or C of this Section, the governor shall fill the vacancy.

E.(1)(a) If the unexpired term of an office covered by Subsection A of this Section is eighteen months or less, the person appointed to fill the vacancy or designated to assume the duties of the office shall serve for the remainder of the unexpired term.

(b) If the unexpired term of an office covered by Subsection B or C of this Section is one year or less, the person appointed to fill the vacancy or designated to assume the duties of the office shall serve for the remainder of the unexpired term.

(c) If any member of a parish or city school board is removed or suspended from office pursuant to the provisions of R.S. 42:1411, except in the parish of Jefferson, the person appointed to fill the vacancy or to perform the official acts, duties, and functions of that office during the period of suspension shall be eligible in the next election as a candidate for the office to which he is appointed.

(d) If a sheriff is removed or suspended from office pursuant to the provisions of R.S. 42:1411 or 1412 and a person is appointed to assume the duties of the office pursuant to Subparagraph (C)(2)(b) of this Section, the person so appointed shall be eligible in the next election as a candidate for the office to which he is appointed.

(2)(a) If the unexpired term of an office covered by Subsection A of this Section exceeds eighteen months or the unexpired term of an office covered by Subsection B or C of this Section exceeds one year, the governing authority of the local governmental subdivision in which the vacancy occurs, or the school board when the vacancy occurs in its membership, or the governor when a vacancy occurs in the office of district attorney or in an office for which there is not a single governing authority or as provided in Subsection F of this Section, within twenty days after the vacancy occurs, shall issue a proclamation ordering a special election to fill the vacancy and shall specify in the proclamation, in accordance with R.S. 18:402, the dates on which the primary and general elections shall be held and, in accordance with R.S. 18:467, 467.1, and 468, the dates of the qualifying period for candidates in the special election. However, if the deadline for issuing the proclamation falls on a Saturday, Sunday, or other legal holiday, then the next day

which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for issuing such proclamation. In selecting the dates for such special elections, the governing authority or school board as the case may be, may choose a gubernatorial or congressional election date, if such date is available within eighteen months of the occurrence of the vacancy for an office covered by Subsection A of this Section or within a year of the occurrence of the vacancy for an office covered by Subsection B or C of this Section or may select an election date in accordance with R.S. 18:402. In the cases in which the governor has the authority to select the date for such special elections, the governor shall first choose a gubernatorial or congressional election date. If no such date is available within eighteen months of the occurrence of the vacancy for an office covered by Subsection A of this Section or within a year of the occurrence of the vacancy for an office covered by Subsection B or C of this Section, the governor shall then select an election date in accordance with R.S. 18:402. If the governing authority or school board fails to issue the proclamation within twenty days after the vacancy occurs, the governor shall issue the proclamation.

(b) Immediately thereafter the governing authority, the school board, or the governor, as the case may be, shall publish the proclamation in the official journal of each parish in which the election is to be held.

(c) Within twenty-four hours after issuing the proclamation, the authority or authorities ordering the special election shall send a copy of the proclamation, by certified or registered mail, to the clerk of the district court for the parish in which the vacancy occurred. If the vacancy occurred in the parish of Orleans, the copy of the proclamation shall be so mailed to the clerk of the criminal district court. If the vacancy occurs in an office which affects more than one parish, a copy of the proclamation shall at the same time be so mailed to the clerk of each of the parishes. A copy of the proclamation also shall be mailed to the secretary of state at the same time and in the same manner.

(d) Within twenty-four hours after he receives the copy, the secretary of state shall notify all election officials having any duty to perform in connection with a special election to fill such vacancy, including the parish boards of election supervisors for the parish or parishes in which the vacancy occurred.

(3) The special election shall be held, without the necessity of a call by the governor, except in the case of a vacancy in the office of district attorney. When a special election is required, the appointee or person designated to assume the duties of the office shall serve only until the successor is elected and takes office.

(4) If the unexpired term of a parish or municipal office covered by Subsection A of this Section is eighteen months or more, but the vacancy occurs within eighteen months of the regularly scheduled primary election for that office, no special election will be called, and the appointee shall serve for the remainder of the term of office.

F. Whenever multiple vacancies in a local or municipal governing authority or in a school board covered by Subsection A or B of this Section reduce the membership of such governing authority or board below the number of total members required to constitute a quorum to conduct official business, the remaining members shall immediately inform the governor of the existence of the vacancies. Within twenty days after he receives this notice, the governor shall make appointments to fill all the vacancies and shall issue a proclamation calling special elections to fill such vacancies if special elections are required under the provisions of this Section. However, if the deadline for making the appointment or issuing the proclamation, if applicable, falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment or issuing such proclamation.

G. The provisions of this Section shall apply to all local governmental subdivisions, including those operating under the provisions of a legislative charter, but shall not apply where the filling of a vacancy otherwise is provided for by the constitution or by the home rule charter or home rule plan of government of the affected local governmental subdivision. Such constitutional home rule plan provisions shall govern

the filling of the vacancies, except that the provisions of R.S. 18:402 shall apply to the time and manner of calling the special elections to fill the vacancies.

§603. Persons designated to assume duties of vacant offices; salary and emoluments; power to appoint

When a vacancy occurs in an office covered by R.S. 18:602(C), the person designated to assume the duties of the office shall receive the salary and other emoluments of the vacated office until a successor is elected and takes office. A person designated to assume the duties of an office shall take the oath of office and file any bond required for the vacated office. §604. Marshal of city or municipal court; temporary absence; vacancy

A. When a marshal of a city or municipal court is temporarily absent or unable to act, the judge of that court may appoint a person to serve as marshal during the period of temporary absence or inability.

B.(1) When a vacancy occurs in the office of constable or marshal of a city or municipal court and the unexpired term of the office is one year or less, the chief deputy shall assume such duties and position and shall serve for the remainder of the expired term. However, in those cases where there is no such person to assume the duties when the vacancy occurs, the appropriate governing authority shall within twenty days appoint a person having the qualifications of the office to assume the duties of the office for the remainder of the unexpired term. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment. The appointment shall be made by the governing authority of the parish, unless the jurisdiction of the city or municipal court is wholly within the municipal city limits, in which case, such appointment shall be made within twenty days by the municipal governing authority. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for making such appointment. If the appropriate governing authority fails to fill the vacancy within twenty days, the governor shall fill the vacancy. The judge of the city or municipal court which he serves shall fix the amount of the bond.

(2)(a) When the unexpired term exceeds one year, the chief deputy shall assume such duties and position and shall serve until the successor is elected and takes office. If there is no such person to assume the duties when the vacancy occurs, the appropriate governing authority shall within twenty days appoint a person having the qualifications of the office to assume the duties of the office until the successor is elected and takes office. However, if the deadline for making the appointment falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final

day for making such appointment. If the appropriate governing authority fails to fill the vacancy within twenty days, the governor shall fill the vacancy. The appropriate governing authority shall, within twenty days after the vacancy occurs, issue a proclamation ordering a special election to fill the vacancy and shall specify in the proclamation, in accordance with R.S. 18:402, the dates on which the primary and general elections shall be held and, in accordance with R.S. 18:467, 467.1, and 468, the dates of the qualifying period for candidates in the special election. However, if the deadline for issuing the proclamation falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for issuing such proclamation. If the appropriate governing authority fails to issue the proclamation within twenty days after the vacancy occurs, the governor shall issue the proclamation.

(b) The appropriate governing authority or the governor, as the case may be, shall publish the proclamation in the official journal of the parish in which the election is to be held and also shall immediately send a copy of the proclamation by certified or registered mail to the clerk of the district court for the parish in which the vacancy occurred.

(c) A copy of the proclamation shall also be mailed to the secretary of state who shall within twenty-four hours after receipt of the information notify all election officials having any duty to perform in connection with a special election to fill such vacancy, including the parish board of election supervisors. When a special election is required, the appointee shall serve only until the successor is elected and takes office.

(2) If more than twelve months of the term remain unexpired, then within ten days after being notified of the vacancy, the governor shall determine the dates on which the special elections to fill the vacancy shall be held and the dates of the qualifying period and shall issue his proclamation ordering a special election and specifying the dates on which the primary and general elections will be held and the dates of the qualifying period for the election. However, if the deadline for issuing the proclamation falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for issuing such proclamation.

C. For purposes of this Part, "proper official" means the district attorney of the officeholder's designated domicile, except that in the case of an officeholder of a state office, as defined in R.S. 18:452, a state legislator, or a district attorney, the proper official shall be the attorney general, provided that in the case of the attorney general, the proper official shall be the district attorney of the Nineteenth Judicial District.

Acts 1988, No. 550, §1, eff. Aug. 1, 1988.

§672. Filing of complaint

When any voter lawfully registered in the district or geographical area from which an officeholder has been elected, or from which an officeholder has been appointed or otherwise selected to hold an office, has reason to believe that the officeholder no longer meets the residence or domicile requirements of that office, the voter may make a written complaint of that fact to the proper official.

If the candidate is qualifying by paying a fee, the fee shall be paid in cash, by certified or cashier's check drawn on a state or national bank or credit union, by United States postal money order, or by a money order issued by a state or national bank or credit union.

B.(1) The qualifying period for presidential candidates shall open on the first Wednesday in December and shall close at 4:30 p.m. on the following Friday. During the qualifying period, presidential candidates shall file notices of candidacy with the secretary of state.

(2)(a) A notice of candidacy shall be in writing and shall state the candidate's name, the office he seeks, the address of his domicile, and the political party with which he is registered as being affiliated. The political party with which the candidate was affiliated at the time of qualifying is the one which shall appear on the ballot, even if the candidate changes his political party designation after he qualified for the election.

(b) The candidate shall designate in the notice the form in which his name shall be printed on the ballot. The candidate may designate his given, first, and middle name, the initials of his given, first, and middle name, a nickname, or any combination thereof as the form in which his name shall be printed on the ballot. However, he shall not designate a title, designation, or deceptive name, nor shall he designate an occupational or professional description or abbreviation. If the candidate designates a nickname in the place of or in combination with his given name or the initials thereof, the nickname shall be set off with quotation marks and shall be placed immediately preceding his surname. A candidate shall include his surname in his designation of the form in which his name shall be printed on the ballot.

(c) The notice of candidacy also shall include a certificate signed by the candidate, certifying that he has read the notice of his candidacy and that all of the statements contained therein are true and correct. The certificate shall be executed before a notary public. If the candidate is serving outside the state with the armed forces of the United States, his notice of candidacy shall be witnessed by a commissioned officer in the armed forces of the United States.

(d) A notice of candidacy shall be accompanied by the qualifying fee and any additional fee imposed or a nominating petition.

(3)(a) Each sheet of a nominating petition shall set forth the name of the presidential candidate, as it shall appear on the election ballot, the address of the candidate, the political party with which he is affiliated, and the date of the presidential primary.

(b) Each voter who signs a nominating petition shall include his name and residence address.

(c) All persons who obtained signatures shall certify that to the best of their knowledge, information, and belief all of the signatures on the nominating petition are genuine, and all of the statements contained in the petition are true and correct.

(e) The registrar for each parish shall endorse upon the nominating petitions, whether original or supplemental, the date and time of submission and shall promptly certify the nominating petitions, in the order received, by determining and certifying on each nominating petition which of the signers are registered to vote in the parish. A registrar may stop certifying the signatures on a nominating petition when the total number of the signers he has certified as having signed the petition timely and as being registered to vote equals fifteen percent more than the number of registered voters required from the congressional district. A registrar's certification shall be conclusive as to number of qualified voters who timely signed a nominating petition, and evidence to the contrary shall not be admitted in an action objecting to the candidacy of a presidential candidate filing the nominating petition.

C.(1)(a) Any person who qualifies as a candidate for presidential nominee may withdraw his candidacy by filing a notice of his withdrawal that is signed by the candidate and duly acknowledged before an officer authorized to administer oaths. The notice of withdrawal shall be filed prior to 4:30 p.m. on the seventh day after the close of the qualifying period with the secretary of state, who shall note thereon the date it was filed.

(b) The secretary of state shall not accept a statement of withdrawal that does not satisfy the requirements of Subparagraph (a) of this Paragraph. The secretary of state shall endorse the date and time of receipt of such a notice of withdrawal and return the notice forthwith, either personally or by registered or certified mail.

No voter shall be required to sign a ballot or vote assessed valuation of property.

B. The registrar of voters shall furnish to the election commissioners appointed to hold the election the precinct register for each precinct or polling place. However, no recall petition may be submitted for certification to or accepted for certification by the registrar of voters or any other official if less than six months remain in the term of office.

Acts 1992, No. 949, §1, eff. Jan. 1, 1993.

§1300.2. Petition for recall election; campaign finance disclosure

A.(1) Whenever the recall of any public officer is sought, a petition shall be directed to the governor. The petition shall be limited to the request that an election be called and held in the voting area for the purpose of recalling the officer. No recall petition shall seek an election for the recall of more than one public officer, individually, in the same recall petition.

(2) The secretary of state shall provide a form approved by the attorney general to be used for the petition for a recall election. Such form shall be in conformity with the provisions of this Chapter and R.S. 18:3. All recall petitions shall be on an approved form or on a form which contains the same information as required by the approved form and any petition not on such a form shall be invalid.

B. All signatures on recall petitions shall be handwritten. This petition shall be signed by a number of the electors of the voting area as will in number equal not less than thirty-three and one-third percent of the number of the total electors of the voting area wherein and for which a recall election is petitioned; however, where fewer than one thousand qualified electors reside within the voting area, the petition shall be signed by not less than forty percent of said electors.

C.(1) Prior to the entering of any signatures on a petition, the chairman designated to represent the petitioners shall file with the secretary of state a copy of the recall petition which will be used and upon receipt of the recall petition the secretary of state shall endorse thereon the fact and the date of filing. A copy shall be transmitted by the secretary of state to the registrar of voters for each parish in which the recall election is to be held. The chairman shall list on the petition every parish which is wholly or partially within the voting area in which the recall election is to be held. The petition shall be deemed filed when it is received in the office of the secretary of state, or at the time it is postmarked by the United States Postal Service or is receipted on a return receipt request form, if it is subsequently received in the office of the secretary of state.

(2) The signed and dated petition shall be submitted to the registrar of voters for each parish within the voting area not later than one hundred eighty days after the day on which the copy of the petition was filed with the secretary of state; however, where fewer than one thousand qualified electors reside within the voting area, the petition shall be submitted to the registrar of voters not later than ninety days after the day on which the copy of the petition is filed with the secretary of state. If the final day for submitting the signed and dated petition falls on a Saturday, Sunday, or legal holiday, the deadline for filing such petition shall be on the next day which is not a Saturday, Sunday, or legal holiday.

(3)(a) The chairman shall file notice with the registrar on the third day before the petition is submitted to the registrar that he will submit the petition and the date of such submission, unless such submission is made within three days prior to the expiration of the period for submitting such petition. Such notice of submission shall be a public record. If the notice filed with the registrar on the third day before the petition is submitted includes a date for submitting the signed and dated petition which falls on a Saturday, Sunday, or other legal holiday, the registrar shall so inform the chairman and advise the chairman of the next day which is not a Saturday, Sunday, or other legal holiday and on which the petition is to be submitted.

(b) The chairman shall provide written notice by certified mail, return receipt requested, to the public officer whose recall is sought on the third day before the petition is submitted to the registrar.

D. Each elector, at the time of signing the petition, shall enter his address and the date on which he signed beside or underneath his signature; however, if a person is unable to write, as provided in R.S. 18:1300.4, the two witnesses shall date their signatures. In addition, each petition shall be in compliance with the provisions of R.S. 18:3. In determining the number of qualified electors who signed the petition in any parish, the registrar of voters shall not count any signature which is undated or bears a date prior to the date on which the copy of the petition initially was filed with the secretary of state or after the date of the submission of the petition to the registrar except as otherwise provided in R.S. 18:1300.3(B). The registrar shall not receive or certify a petition submitted to him for certification unless it is submitted to him timely.

E. The secretary of state shall notify the Supervisory Committee on Campaign Finance Disclosure of the filing of a copy of a recall petition to be used to seek the recall of a public officer, including the date of such filing, the officer who is the subject of the petition, and the names and addresses of the chairman and vice chairman designated on the petition. The Campaign Finance Disclosure Act shall be applicable to persons supporting or opposing the recall of a public officer as provided in R.S. 18:1486.

A. However, if any parish wholly or partially within the voting area has more than fifty thousand registered voters, the registrar of voters for each parish within the voting area shall complete such certification on the recall petition within twenty working days after it is presented to him for that purpose. If the final day for the registrar to certify the recall petition falls on a Saturday, Sunday, or legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for certifying the recall petition. Each registrar also shall indicate on the petition the names appearing thereon who are not electors of the voting area. Each person who participates in the review of the names on the petition for certification by the registrar as required in this Section shall initial each of those portions of the petition which he reviews for certification by the registrar.

B.(1) The registrar of voters shall honor the written request of any voter who either desires to have his handwritten signature stricken from the petition or desires to have his handwritten signature added to the petition at any time after receipt of the signed petition as provided in R.S. 18:1300.2(C) but prior to certification of the petition or within five days after receipt of such signed petition, whichever is earlier. If the deadline for removing or adding a signature to the petition falls on a Saturday, Sunday, or legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the deadline for removing or adding a signature to the petition. The written request of the voter shall include the name and address of the voter, the signature of the voter, the date of birth of the voter, and the date.

(2) Upon the signature of the voter, the written request of the voter to have his signature stricken or added to the recall petition shall be a public record. Any person in possession of such a written request shall be the custodian thereof. The voter or any other person who is the custodian of the written request shall

transmit the written request to the registrar of voters for each parish within the voting area by mail or directly by hand, immediately upon signature of the voter or upon receipt of the signed, written request.

C.(1) When there is no registrar of voters, or deputy registrar of voters in any parish, or in case of the absence or inability of that officer, the clerk of the district court of the parish shall execute the certificate.

(2) Immediately after the recall petition is certified, a copy of the petition shall be made and the original recall petition shall be sent to the governor by the officer executing the certificate. Such copy shall be retained in the office of the registrar of voters in each parish affected by the petition and shall be a public record.

(3) On the date the recall petition is sent to the governor, the registrar of voters or person who executes the certificate as provided in Paragraph (1) of this Subsection shall provide written notice of the certification to the public officer whose recall is sought. The written notice required by this Paragraph shall be sent by certified mail, return receipt requested, to the registration address of the public officer.

D. When any officer designated in this Chapter refuses to execute the certificates provided for, any signer of a recall petition, or the chairman or vice chairman designated to represent the signers, may compel the execution of the certificates by summary process in the district court having jurisdiction over the officer.

E. The registrar of voters shall comply with the provisions of R.S. 18:3(C) when determining the number of qualified electors of the voting area who signed the petition.

If the required number of qualified electors of the voting area sign the petition for recall, the governor shall issue a proclamation ordering an election to be held for the purpose of voting on the question of the recall of the officer. The total number of registered voters in the voting area and the total number of registered voters in the voting area signing the petition shall be calculated from the totals on the certificates of all of the registrars of voters received by the governor. The governor shall issue such proclamation within fifteen days after he receives the certified petitions from all of the registrars of voters in the voting area who have received petitions for certification. If the final day for the governor to issue the proclamation falls on a Saturday, Sunday, or legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day for issuing the proclamation. Within twenty-four hours after issuing the proclamation, the governor shall send a copy of the petition and proclamation, by registered or certified mail, to the clerk of the district court for each parish in which the election is to be held. If the election is to be held in Orleans Parish, the city of New Orleans, the copy of the petition and proclamation shall be mailed to the clerk of the criminal district court. Any votes cast during early voting in the recall election shall be null and void and shall not be counted for any purpose whatsoever.

(c) If the election day ballot for the recall of the public officer has not been printed, the recall election shall not appear on the election day ballot. If the election day ballot for the recall of the public officer has been printed with the public officer's name on it, the clerk of court of any parish where the ballot will be used shall, to the extent possible, cause notice to be posted of the resignation of the public officer subject to recall at each polling place in the parish where the public officer's name appears on the ballot for recall. Any votes cast in the recall election shall be null and void and shall not be counted for any purpose whatsoever.

CHAPTER 6-D. GAMING ELECTIONS

§1300.21. Discontinuance of certain gaming activities, except as continued by local election

A.(1) All forms of gaming activity as defined in Paragraph (3) of this Subsection shall be discontinued unless a majority of electors voting in the election provided for in this Section permit the continuance of such gaming activity.

(2) At the time of the 1996 congressional general election, a proposition shall appear on the ballot in every parish to determine whether the conducting of gaming activity shall be permitted in the parish.

(3) As used in this Section, "gaming activity" means with respect to what is authorized by law prior to May 9, 1996, in each parish, the operation of video draw poker devices, the conduct of gaming on a riverboat upon a designated river or waterway, or the conducting of land-based casino gaming operations at the official gaming establishment.

B.(1) The ballot for the election shall provide as follows:

"LOCAL OPTION ELECTION

Within _____ (name of parish or other voting area authorized by law):

- (a) Shall the operation of a land-based casino be permitted? YES () NO ()
- (b) Shall riverboat gaming activities be permitted? YES () NO ()
- (c) Shall the operation of video draw poker devices be permitted? YES () NO ()"

(2) The secretary of state shall prepare the ballot for the election by deleting from the ballot for use in each parish the ballot question pertaining to riverboat gaming in each parish not adjoining a river or waterway designated in R.S. 27:43 and by deleting from the ballot the question pertaining to the land-based casino in each parish in which an official gaming establishment is not located as provided in R.S. 27:203.

C. A majority of votes cast on each proposition shall separately determine that issue for each parish.

D. If a majority of the electors voting in the election vote in favor of permitting the continuation of any gaming activity, then such gaming activity may be conducted in such parish as provided by law. If a majority of the electors voting in the election vote not to continue any gaming activity in the parish, then no license or permit shall be issued to conduct such gaming activity and no such gaming activity may be permitted in that parish. If any such gaming activity was, prior to May 9, 1996, authorized, licensed, or permitted, and conducted in any parish in which the voters vote against continuance of such gaming activity, the licensees or permittees for such gaming activity shall discontinue gaming activity in that parish upon expiration of their current gaming license or upon revocation, suspension, or return thereof if such revocation, suspension, or return occurs prior to expiration of the license. Video draw poker licenses may be renewed twice following the election provided the licensee is in compliance with the law and the rules adopted thereunder. The regulatory and licensing agency for the regulation of video draw poker operations, as authorized by R.S. 27:301 et seq., and for the regulation of riverboats upon which gaming may be conducted as authorized by R.S. 27:41 et seq., shall obtain the results of the election and shall not issue any licenses in parishes where a majority of the voters voting in the election have voted against continuance of gaming activities.

E. In any parish where a land-based casino has been authorized by state law, the election provided for in this Section shall also allow the voters of the parish to vote on the conducting of land-based casino gaming operations in the parish. If the voters vote not to allow the conducting of land-based casino gaming operations in the parish, then the licensing and regulatory agency for the conducting of land-based casino gaming operations shall obtain the results of the elections and no license shall be issued and no such gaming operations shall be permitted in the parish. The operation of land-based casino gaming previously existing in the parish shall be discontinued.

F. The provisions of this Section shall not be construed to be an authorization or expansion of any type of gaming or gambling activity. If a majority of the electors voting in the election vote in favor of gaming activity and one or more forms of such gaming were not authorized by law and conducted within the parish, such a vote shall not be interpreted to authorize that gaming activity to be conducted within the parish without a subsequent Act of the legislature which would authorize or permit that type of gambling activity or operation within the parish.

G. Notwithstanding any other provision of law to the contrary, no gaming operations are to be conducted upon a riverboat berthed or docked at a facility on that portion of Lake Pontchartrain or any waterway

connected thereto from the Kenner/Metairie border in Jefferson Parish to the Industrial Canal in Orleans Parish.

H. Notwithstanding any provision of law to the contrary, no more than one riverboat upon which gaming activities are conducted shall be berthed or docked on that portion of Lake Pontchartrain within the city of Kenner. Additionally, no riverboat upon which gaming activities are conducted shall be berthed or docked in the unincorporated portion of Jefferson Parish contiguous to Lake Pontchartrain.

I. Notwithstanding any provision of law to the contrary, no riverboat gaming activities shall be conducted upon a riverboat berthed or docked at a facility on that portion of Lake Pontchartrain or any waterway connected thereto located within St. Tammany Parish.

J. Except as otherwise provided in this Section, the election required in this Section shall be conducted as provided in Chapter 6-B of this Title.*

K. The costs of the election required in this Section shall be borne by the state.

L. Notwithstanding any provision of law to the contrary, no licensee shall berth a riverboat in any parish in which an election was not held pursuant to this Section or in such parish in which such election was held but in which election authority was denied without a favorable vote of the electorate in the parish in which a berth is being sought as provided in this Section.

M. Notwithstanding any provision of law to the contrary, in parishes where riverboats are authorized to conduct gaming activities and a majority of the electors vote not to allow such gaming activities, then the license or permit shall not be reissued nor transferred to another authorized berth in any parish other than in a parish in which a riverboat upon which gaming is conducted is berthed.

§1300.22. Calling of gaming elections as required by the constitution

A. Notwithstanding any other law to the contrary, except as otherwise permitted in Subsection B of this Section, any election required by Article XII, Section 6(C) of the Constitution of Louisiana may be called only by an enactment of the legislature which specifically authorizes each such election.

B. If the election is required by Article XII, Section 6(C)(2) of the Constitution of Louisiana, then such an election may be called either by law or by the adoption of a resolution or ordinance of the governing authority of the parish in which such an election would be required provided the license to conduct such riverboat gaming has been approved, subject to the outcome of the election, by the Gaming Control Board prior to the authorization for the election. The election authorized by this Subsection shall only apply to those parishes in which a majority of the electors of the parish voted to permit riverboat gaming in the election authorized in R.S. 18:1300.21, and conducted at the 1996 congressional general election.

A. A referendum election, as required by Article XII, Section 6(C)(2) of the Constitution of Louisiana, may be called by ordinance or resolution by the parish governing authority and may be held in Bossier Parish on July 19, 1997, or on a succeeding appropriate date selected by the parish governing authority and as provided by law, to consider the proposition of whether to allow additional riverboat gaming, gambling, or wagering operations and activities in Bossier Parish pursuant to a new license to be issued by the Louisiana Gaming Control Board in accordance with the decision of the board entered on March 13, 1997.

B. The proposition on the ballot shall be stated as follows: Shall additional riverboat gaming operations be allowed at a berth or docking facility in Bossier Parish pursuant to a new license to be issued by the Louisiana Gaming Control Board as provided in the board decision entered on March 13, 1997?

Yes () No ()

C. If a majority of those voting thereon vote in favor of allowing such additional riverboat gaming operations and activities, then such additional gaming operations and activities may be conducted in Bossier Parish in accordance with law, subject, however, to the licensing and regulatory authority of the Louisiana Gaming Control Board. No such additional gaming operations and activities shall be conducted unless and until a license is issued by the Louisiana Gaming Control Board.

D. Except as provided in this Section, the election shall be conducted as provided in Chapter 6-B of this Title, including but not limited to those provisions providing for the responsibility of the parish governing authority to provide notice to the public as provided by law.

(6) A designation of the chairman to act for the signers of the petition in all matters, and a vice chairman to act on order of the chairman or in case of the death, disability, absence, or resignation of the chairman, including their full names and residence addresses, each of whom shall be a qualified voter in the subdivision or subdivisions for which the district is proposed to be created.

B.(1) Upon the adoption of a resolution by the appropriate local governing authority authorizing the collection of signatures for such a petition within such area, a petition may be circulated which requests that an election be called and held within the area comprising the proposed district to authorize creation of the district and the levy of the parcel fee.

(2)(a) The secretary of state shall provide a form approved by the attorney general to be used for the petition to request an election to authorize the creation of a neighborhood crime prevention and security district and the levy of a parcel fee for such district. The form shall describe all of the information set forth in Paragraphs (A)(1), (2), and (3) of this Section.

(b) Such form shall be in conformity with the provisions of this Chapter and Chapters 6-A and 6-B of this Title. All such petitions shall be on an approved form or on a form which contains the same information as required by the approved form and any petition not on such a form shall be invalid.

The appropriate local governing authority shall have the authority to call an election as provided in R.S. 18:1300.33 only if the petition is signed by a number of the electors of the subdivision or subdivisions proposing to create the district as will in number equal not less than thirty percent of the number of the total electors of such voting area wherein and for which an election is petitioned.

D.(1) Prior to the entering of any signatures on a petition, the person designated to represent the petitioners shall file with the appropriate local governing authority as provided for in Subsection A of this Section a copy of the petition which will be used, and upon receipt of the petition, the fact and the date of filing with the governing authority shall be endorsed thereon. A copy shall be transmitted by such governing authority to the secretary of state and to the registrar of voters for the parish in which the election is to be held. (3) The chairman shall file notice with the appropriate local governing authority and the registrar on the third day before the petition is submitted to them that he will submit the petition and the date of such submission, unless such submission is made within three days prior to the expiration of the period for submitting such petition. Such notice of submission shall be a public record. If the notice filed with the appropriate local governing authority and the registrar on the third day before the petition is submitted includes a date for submitting the signed and dated petition which falls on a Saturday, Sunday, or other legal holiday, the appropriate local governing authority shall so inform the chairman and the registrar and advise them of the next day which is not a Saturday, Sunday, or other legal holiday and on which the petition is to be submitted.

(2) In addition, each petition shall be in compliance with the provisions of R.S. 18:3.

F. In determining the number of qualified electors who signed the petition in any subdivision or subdivisions comprising a proposed district, the registrar of voters shall not count any signature which is undated or bears a date prior to the date on which the copy of the petition initially was filed with the appropriate local governing authority or after the date of the submission of the petition to the appropriate local governing authority, except as provided for in R.S. 18:1300.32(B). Such copy shall be retained in the office of the registrar of voters and shall be a public record.

The instructions printed on the face of the ballot shall also inform the voter concerning how to change or correct his vote on the ballot before it is cast and counted, including through the issuance of a replacement ballot if the voter is otherwise unable to change or correct his vote on the ballot.

(1) The election or elections for which he requests an absentee ballot.

(2) The reason for his request to vote absentee by mail and attaching any documents in support thereof that are required by law. Any person who is or expects to be temporarily outside the territorial limits of the state or absent from the parish in which he is qualified to vote during the early voting period and on election day and who requests an absentee ballot be mailed to an address within the parish shall indicate in his application the dates he will be outside the territorial limits of the state or absent from the parish.

(3) The address to which the absentee ballot or ballots shall be sent. If the address is within the parish or an adjacent parish, such address shall only be the address at which the applicant is registered to vote, his mailing address on file with the registrar of voters, or an address at which he regularly receives mail.

(4) The ward and precinct in which the person is qualified to vote, if known.

(5) The date of birth of the voter.

(6) The maiden name of the voter's mother or other identifying information provided in the voter's application for registration pursuant to R.S. 18:104(A)(12).

(7) The street address in the parish where the voter resides. A post office box is insufficient.

(8) If the person requests that a ballot for a general election be sent in addition to a ballot for the primary, he shall declare in writing to the registrar that he will be eligible to vote absentee by mail in the general election.

B.(1)(a)(i) An application to vote by mail may be delivered to the registrar by any means, including the United States Postal Service, commercial delivery service, hand delivery, or facsimile.

(ii) If hand delivered by other than a commercial delivery service or the United States Postal Service, the registrar shall require that the person making such delivery sign the application. No person, except the immediate family of any voter, shall hand deliver more than one voter's application to vote by mail to the registrar of voters.

(iii) If sent by facsimile, the person sending the application by facsimile shall sign the application to indicate that he is the sender and shall include the facsimile number from where the facsimile was sent. No person, except the immediate family of any voter, shall send by facsimile more than one voter's application to vote by mail to the registrar of voters. However, the provisions of this Item shall not apply to an application by a person who is entitled to vote pursuant to the Uniformed and Overseas Citizens Absentee Voting Act.

(b) An application to vote by mail transmitted by facsimile to the registrar of voters shall not be sent on a facsimile machine that is owned, operated, or under the control of a candidate or agent of a party or campaign in the election, unless the application is for the candidate.

(c) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, an application to vote by mail may be delivered to the registrar by electronic transmission.

(d) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, with respect to applicants who have a valid Louisiana driver's license or Louisiana special identification card issued pursuant to R.S. 40:1321 who are registered to vote, an application to vote by mail may be made by completing and submitting an electronic application to vote by mail on the secretary of state's website.

(2) Except as provided in Subsections C and D of this Section and R.S. 18:1333(D)(1), an application must be received by the registrar not later than 4:30 p.m. on the fourth day prior to the election for which it is requested, and the date received shall be noted thereon. However, if the deadline falls on a Saturday, Sunday, or other legal holiday, then the next day which is not a Saturday, Sunday, or legal holiday shall be deemed to be the final day of the deadline.

C. If the applicant is a member of the United States Service or resides outside the United States, he may use the federal postcard application or an application electronically transmitted by the registrar or secretary of state, and the application shall be received by the registrar no later than 4:30 p.m. on the day before the election. Such application shall be valid for a period extending at least one year from the date the application is received in the office of the registrar of voters; such period shall include at least one regularly scheduled federal general election. If the registrar rejects the application of an applicant who is a member of the United States Service or resides outside the United States, the registrar shall provide the applicant with written reasons for the rejection.

D. If the applicant is eligible to vote absentee by mail pursuant to R.S. 18:1303(D)(1) and submits with his application documentation showing his hospitalization from his physician or the hospital, the application shall be received by the registrar of voters no later than 4:30 p.m. on the day before the election.

E. A person entitled to vote absentee by mail may request in his application for an absentee ballot for a primary election that an absentee ballot for the succeeding general election be sent to him when such ballots become available for distribution; however, in such case, the applicant shall declare in writing to the registrar that he will be eligible to vote absentee by mail in the general election.

F. The registrar shall not send an absentee ballot to an applicant whose application for an absentee ballot does not meet the requirements of Subsection A or B of this Section. If the registrar rejects an application for an absentee ballot, the registrar shall provide the applicant with written reasons for the rejection.

G. If the applicant is eligible to vote absentee by mail pursuant to R.S. 18:1303(F), (I), or (J), his application, if such application meets the requirements of this Section, may remain valid indefinitely upon request of the applicant, unless an absentee by mail ballot that has been sent to the applicant is returned to the registrar as undeliverable. If the applicant's absentee by mail ballot is returned to the registrar as undeliverable, the registrar shall send notice by forwardable mail to such applicant that his application will no longer be valid, and the applicant shall be required to submit a new application to the registrar that meets the requirements of this Section and provide a current address before the applicant will be eligible to vote absentee by mail again pursuant to this Section.

H. If the applicant is eligible to vote absentee by mail pursuant to R.S. 18:1303(H), his application, if such application meets the requirements of this Section, shall remain valid as long as the applicant is a program participant in the Department of State Address Confidentiality Program pursuant to Part III of Chapter 1 of Title 44 of the Louisiana Revised Statutes of 1950. When the applicant ceases participation in the program, the Department of State shall notify the registrar of the parish where the applicant is registered to vote that the applicant is no longer a participant in the program. Upon receipt of the notification from the Department of State, the registrar shall send notice by forwardable mail to the applicant that his application will no longer be valid, and the applicant shall be required to submit a new application to the registrar that meets the requirements of this Section and provide a current address before the applicant will be eligible to vote absentee by mail again pursuant to this Section.

I. If the registrar of voters has reason to believe that the eligibility of a voter to vote absentee by mail pursuant to R.S. 18:1303(I) is based upon false or fraudulent information, he shall immediately notify the parish board of election supervisors. If, after appropriate hearing and opportunity for the voter to be heard, the parish board of election supervisors finds that the voter's eligibility to vote absentee by mail was based upon false or fraudulent information, the board shall inform the appropriate district attorney and the registrar of voters who shall not allow the voter to vote absentee by mail pursuant to R.S. 18:1303(I).

§1308. Absentee voting by mail

A.(1)(a) Beginning with the date on which the registrar receives the absentee by mail ballots and other necessary paraphernalia from the secretary of state, and thereafter, immediately upon receipt of an application by mail, the registrar shall mail the necessary instructions, certificates, ballots, and envelopes to the applicant at the address furnished by the applicant.

(b) If the voter feels he will not have time to vote timely by mail, the voter may request that the registrar transmit to him by facsimile a ballot, or a second ballot, as the case may be, along with a certificate and waiver of the right to a secret ballot, and the registrar shall do so if he has a facsimile machine in his office. However, the registrar shall not be required to send a second ballot by facsimile if the voter received a ballot by mail. The waiver of the right to a secret ballot shall contain the following statement: "My ballot was transmitted by facsimile to me, and I am voluntarily waiving my right to a secret ballot." The waiver shall also contain spaces for the voter's handwritten signature, the date, and the last four digits of the voter's social security number. The voter may then mail his voted ballot and completed certificate and waiver back to the registrar or transmit the documents by facsimile at the facsimile machine number designated by the registrar. Upon receipt, the registrar shall place the voted ballot along with the completed certificate and waiver in an appropriately marked envelope and seal it. The registrar and his staff shall take the steps necessary to keep the voted ballots as confidential as practicable.

(c)(i) A voter who is eligible to vote absentee by mail pursuant to R.S. 18:1303(D)(1) and who feels he will not have time to vote timely by mail may request that the registrar transmit electronically to him a ballot along with a certificate and waiver of the right to a secret ballot, and the registrar shall do so. Alternatively, an immediate family member of the voter may pick up the necessary instructions, certificate, ballot, and envelope at the registrar's office.

(ii) The waiver of the right to a secret ballot shall contain the following statement: "My ballot was transmitted electronically to me, and I am voluntarily waiving my right to a secret ballot." The waiver shall also contain spaces for the voter's handwritten signature, the date, and the last four digits of the voter's social security number.

(iii) If the materials are transmitted electronically to the voter, the voter shall mark the ballot as provided in R.S. 18:1310 and complete the certificate and waiver and return his voted ballot and completed certificate

and waiver to the registrar by facsimile or any means authorized by Subsection B of this Section. The registrar and his staff shall take the steps necessary to keep the voted ballot as confidential as practicable.

(iv) If an immediate family member of the voter picks up the voter's materials, the voter shall mark the ballot as provided in R.S. 18:1310 and return his voted ballot and completed certificate to the registrar by facsimile or any means authorized by Subsection B of this Section. If the voter returns the voted ballot and completed certificate by facsimile, he shall also include his completed waiver, and the registrar and his staff shall take the steps necessary to keep the voted ballot as confidential as practicable.

(d)(i) Upon request, the registrar shall transmit electronically a ballot, certificate, and waiver of the right to a secret ballot to a voter who is eligible to vote absentee by mail pursuant to R.S. 18:1303(F) or (I) and who is unable to vote an absentee by mail ballot without assistance because of a disability.

(ii) The waiver of the right to a secret ballot shall contain the following statement: "My ballot was transmitted electronically to me, and I am voluntarily waiving my right to a secret ballot." The waiver shall also contain spaces for the voter's handwritten signature or mark, the date, and the last four digits of the voter's social security number.

(iii) The voter shall mark the ballot and complete the certificate and waiver as provided in R.S. 18:1310 and return his voted ballot and completed certificate and waiver to the registrar by facsimile or any means authorized by Subsection B of this Section. The registrar and his staff shall take the steps necessary to keep the voted ballot as confidential as practicable.

(2)(a) With respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials shall be mailed as provided by the Uniformed and Overseas Citizens Absentee Voting Act (39 U.S.C. 3406 and 42 U.S.C. 1973ff et seq.) and shall include both the primary election ballot and the special ballot for the general election. The registrar shall mail the materials for candidates for United States senator or United States representative in congressional primary and general elections, candidates for presidential nominee in presidential preference primary elections, and candidates in presidential elections at least forty-five days prior to the election to those voters who have made application to vote absentee by mail by such time.

(b) Notwithstanding the provision of Subparagraph (a) of this Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials may be electronically transmitted for candidates for United States senator or United States representative in congressional primary and general elections and must include the special ballot or ballots as provided in R.S. 18:1306(A)(4) for the congressional general election. The registrar shall transmit the materials at least forty-five days prior to the election to those voters who have requested electronic transmission by such time.

(c) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials may be electronically transmitted for candidates for presidential nominee in presidential preference primary elections and candidates in presidential elections. The registrar shall transmit the materials at least forty-five days prior to the election to those voters who have requested electronic transmission by such time.

(d) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials may be electronically transmitted for candidates for state, local, and municipal offices and shall include the special ballot or ballots as provided in R.S. 18:1306(A)(4) for the general election.

(e) Notwithstanding the provisions of Subparagraph (a) of this Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials may be electronically transmitted for candidates for political party offices.

(f) Notwithstanding the provisions of Subparagraph (a) of the Paragraph, with respect to members of the United States Service and persons residing outside the United States who are registered to vote, these materials may be electronically transmitted for recall, proposed constitutional amendments, proposition, and question elections.

(g) For mailed ballots, the envelope mailed to the voter shall contain ballot envelopes and a return envelope. The return envelope shall bear the official title and mailing address of the registrar and the name, return address, and precinct or district number of the voter. The voter shall return his voted primary election

ballot and special ballot for the general election to the registrar in the appropriate envelope. The registrar of voters shall mail a regular general election absentee ballot to a member of the United States Service or to persons residing overseas only if the regular general election absentee ballot includes one or more elections that were not included on the special ballot sent, as provided herein, to such voter. The envelope for the special ballot shall contain language on the outside of the envelope that clearly designates which envelope is to be used for return of the general election ballot.

(h)(i) For electronically transmitted ballots, the registrar shall transmit the ballot or ballots, certificate, and waiver of the right to a secret ballot to the voter for each ballot mailing. The waiver of the right to a secret ballot shall contain the following statement: "My ballot was transmitted electronically to me, and I am voluntarily waiving my right to a secret ballot." The waiver shall also contain spaces for the voter's handwritten signature, the date, and the last four digits of the voter's social security number. The voter shall return by facsimile or any means authorized by Subsection B of this Section his voted ballot or ballots and completed certificate and waiver for each ballot mailing. The registrar and his staff shall take the steps necessary to keep each voted ballot as confidential as practicable.

(ii) The voter may use a separate "Security Envelope" and ballot transmittal envelope from the Federal Write-in Absentee Ballot to mail the electronically transmitted presidential preference primary, presidential, congressional primary, or congressional general election ballot or ballots, certificate, and waiver of the right to a secret ballot to the parish registrar of voters for each ballot mailing.

(i) Notwithstanding the provisions of Subparagraphs (a) through (f) of this Paragraph, a voter who is a member of the United States Service or who resides outside the United States and who feels he will not have time to vote timely by mail, may request that the registrar transmit to him by facsimile a ballot, or a second ballot, as the case may be, along with a certificate and waiver of the right to a secret ballot, and the registrar shall do so. The waiver of the right to a secret ballot shall contain the following statement: "My ballot was transmitted by facsimile to me, and I am voluntarily waiving my right to a secret ballot." The waiver shall also contain spaces for the voter's handwritten signature, the date, and the last four digits of the voter's social security number. The voter may then mail his voted ballot and completed certificate and waiver back to the registrar or transmit the documents by facsimile at the facsimile machine number designated by the registrar. Upon receipt, the registrar shall place the voted ballot along with the completed certificate and waiver in an appropriately marked envelope and seal it. The registrar and his staff shall take the steps necessary to keep the voted ballots as confidential as practicable.

(j)(i) The secretary of state as the chief election officer of the state shall take all actions reasonably necessary to allow members of the United States Service and persons residing outside the United States to vote according to the Uniformed and Overseas Citizens Absentee Voting Act or otherwise, whether by mail, facsimile, or other means of transmission of the ballot, notwithstanding any provision of this Code to the contrary.

(ii) The secretary of state as the chief election officer of the state shall take all actions reasonably necessary to allow registered voters who are unable to vote during early voting or at the polling place on election day due to out-of-state work responsibilities relating to a declared emergency to vote, whether by mail, facsimile, or other means of transmission of the ballot.

B. The ballot shall be marked as provided in R.S. 18:1310 and returned to the registrar by the United States Postal Service, a commercial courier, or hand delivery. If delivered by other than the voter, a commercial courier, or the United States Postal Service, the registrar shall require that the person making such delivery sign a statement, prepared by the secretary of state, certifying that he has the authorization and consent of the voter to hand deliver the marked ballot. For purposes of this Subsection, "commercial courier"

shall have the same meaning as provided in R.S. 13:3204(D). No person except the immediate family of the voter, as defined in this Code, shall hand deliver more than one marked ballot to the registrar. Upon its receipt, the registrar shall post the name and precinct of the voter as required by R.S. 18:1311.

C. Except as provided in R.S. 18:1308.1(C) and 1311(D)(1) and (5), all ballots received by the registrar by 4:30 p.m. on the day before election day shall be counted.

A. Immediately upon receipt of an application, the registrar shall deliver the necessary instructions, certificates, ballots, and envelopes to the officer of the court in charge of the sequestered jury on which the applicant is serving, at the address furnished by the applicant. Each envelope delivered to the officer shall contain two envelopes, one of which shall be the ballot envelope and the other shall be a return envelope bearing the official title and mailing address of the registrar and the name, return address, and precinct or district number of the voter. This latter envelope shall be used by each voter to return his ballot.

B. The ballot shall be marked as provided in R.S. 18:1310 and returned to the registrar by the officer of the court in charge of the sequestered jury. Upon its receipt, the registrar shall post the name and precinct of the voter as required by R.S. 18:1311.

C. All ballots of persons serving on a sequestered jury received by the registrar by the time of closing of the polls on the day of the election shall be counted.

§1308.2. Voting absentee by mail for candidates for presidential nominee, presidential candidates, and congressional candidates

A.(1) At least forty-six days before each presidential election, the secretary of state shall deliver to each registrar a sufficient quantity of absentee by mail ballots, envelopes, certificates, and instructions, including those to be electronically transmitted, for the election of the president of the United States to be used only by members of the United States Service and persons residing outside the United States who are registered to vote. The absentee by mail ballot shall be prepared according to law.

(2) At least forty-six days before each congressional primary and general election, the secretary of state shall deliver to each registrar a sufficient quantity of primary election absentee by mail ballots for congressional candidates and special absentee by mail ballots for congressional candidates as provided in R.S. 18:1306(A)(4), envelopes, certificates, and instructions, including those to be electronically transmitted, to be used only by members of the United States Service and persons residing outside the United States who are registered to vote.

B. Voting absentee by mail for candidates for presidential nominee, presidential candidates, and congressional candidates as provided in Subsection A of this Section shall be conducted pursuant to the provisions of this Chapter governing absentee by mail voting generally.

§1308.3. Special provision for temporarily displaced persons

A. The Legislature of Louisiana recognizes that due to the recent common disaster and state of emergency an unprecedented number of persons have been temporarily displaced from their parishes of residence for an indefinite period of time. Because the right to vote is a right that is essential to the effective operation of a democratic government, the legislature finds that the state has a compelling interest in securing the right to vote for any temporarily displaced person who may experience greater difficulty exercising his right due to his displaced status.

(1) The legislature, therefore, enacts this Paragraph to provide for the following provisions, applicable to members of the United States service or persons residing outside the United States, to apply to any registered voter temporarily displaced from his parish of residence when he submits with an application to vote by mail an affidavit attesting that he is temporarily displaced from his parish of residence by reason of the state of emergency, that he is eligible to vote in his parish of residence, and that he expects to be out of his parish of registration during early voting and on election day: R.S. 18:1307(C) and 1311(D)(1)(a), except that the application to vote by mail shall be valid for a period of one year following February 23, 2006. The provisions of this Paragraph shall not apply to any person who has not previously voted in his parish of residence either during early voting in the office of the registrar or at the precinct in which he is registered to vote.

(2)(a) The legislature, therefore, additionally enacts this Paragraph to provide for the following provisions, applicable to members of the United States service or persons residing outside the United States, to apply to any registered voter, who registered to vote by mail on or after October 5, 2004 but prior to September 25, 2005, who is temporarily displaced from his parish of residence when he submits with an application to vote by mail an affidavit attesting that he is temporarily displaced from his parish of residence by reason of the state of emergency, that he is eligible to vote in his parish of residence, and that he expects to be out of his parish of registration during early voting and on election day: R.S. 18:115(F)(2)(a), 1307(C), and 1311(D)(1)(a), except that the application to vote by mail shall be valid for a period of one year following February 23, 2006.

(b) Upon expiration of Subparagraph (a) of this Paragraph, any voter who has voted absentee by mail pursuant to Subparagraph (a) who has not voted during early voting at the registrar's office or at the polls on election day shall not be considered to have previously voted in the parish in which he is registered for purposes of R.S. 18:115(F)(1) and shall be subject to the requirements of R.S. 18:115(F)(1).

B. The provisions of R.S. 18:1308(A)(2) shall not apply to absentee by mail voting conducted pursuant to this Section. The provisions of Subsection B, Paragraph (A)(1), and Subparagraph (A)(2)(a) of this Section shall be effective for a period of one year following February 23, 2006.

C. When a person has submitted an application to vote absentee by mail pursuant to this Section, the registrar shall, prior to sending the absentee by mail ballot, contact the appropriate election official in the jurisdiction where the applicant has requested for his absentee by mail ballot to be sent and attempt to verify that the person has not registered to vote in that jurisdiction, or if such jurisdiction has a statewide voter registration database, in that state. If the registrar finds that the person has registered in that jurisdiction or state, the person shall not be permitted to vote absentee by mail and the registrar shall proceed in accordance with the applicable provisions of Part V of Chapter 4 of this Code.

Acts 2006, 1st Ex. Sess., No. 4, §1, eff. Feb. 23, 2006; Acts 2006, No. 403, §1, eff. June 15, 2006.

§1309. Early voting; verification

A.(1)(a)(i) The period for conducting early voting shall be from fourteen days to seven days prior to any scheduled election.

(ii) The period for conducting early voting shall also include the day added pursuant to Subparagraph (b) of this Paragraph, if applicable.

(b)(i) One day of early voting shall be added to the period specified in Item (a)(i) of this Paragraph if one or more holidays is required to be observed on a weekday during that period pursuant to Paragraph (4) of this Subsection.

(ii) The additional day shall be the first day preceding the period described in Item (a)(i) of this Paragraph that is not a Sunday or a holiday required to be observed pursuant to Paragraph (4) of this Subsection.

(2) During the early voting period, the registrar shall maintain regular office hours, remaining open from 8:30 a.m. to 6:00 p.m. Monday through Saturday. Early voting on each day of the early voting period shall terminate when all persons who were in line to vote at the close of the regular office hours of the registrar's office, as provided in this Paragraph, have been allowed to vote. If the office space of the registrar is insufficient or inconvenient to accommodate early voting, the registrar may provide for an alternate location to conduct early voting, which location shall be in the courthouse or in a public building in the immediate vicinity thereof, and in such case, adequate notice shall be posted at the registrar's office informing the public of the location where early voting is being conducted.

(3) A law enforcement officer shall not interfere with the conduct of the election, the voters, or the election officials. However, a registrar may use law enforcement officers to maintain order at any location where early voting is conducted.

(4) A registrar shall observe the holidays which are provided by law or proclaimed by the governor for state departments during any period for conducting early voting.

B.(1) For the purpose of facilitating early voting, the registrar may designate, in addition to the location for early voting provided in Subsection A of this Section, one branch office wherein early voting may be conducted. Any such branch office shall be located in a public building, and the hours during which early voting may be conducted therein shall be fixed by the registrar as provided in Subsection A of this Section. However, if a branch office of a registrar is destroyed, inaccessible, or unsafe during or following a gubernatorially declared state of emergency, the registrar may utilize a temporary building as a branch office to discharge his duties until an office that meets the requirements of this Section becomes available. Such temporary office shall be located within the parish, or if there is no appropriate location within the parish due to the emergency, then in an immediately adjacent parish, or if there is no appropriate location in any immediately adjacent parish due to the emergency, then in the nearest parish in which there is an appropriate location.

(2) The registrar shall provide or post the instructions, informational posters, if required, the statement of proposed constitutional amendments on the ballot, and a certified screenshot as a sample ballot in a conspicuous place at the principal entrance to the early voting polling place, where they shall remain posted throughout early voting.

C. In parishes which extend in one direction more than fifty miles and which are interspersed with navigable waters, the registrar may designate, in addition to the locations for early voting provided for in Subsections A and B of this Section, one additional branch office wherein early voting may be conducted. Any such branch office shall be located in a public building and the hours during which early voting may be conducted therein shall be fixed by the registrar.

D.(1) Before any voter is allowed to vote during early voting, the registrar or his deputy shall establish the voter's identity by requiring him to submit a Louisiana driver's license, a Louisiana special identification card issued pursuant to R.S. 40:1321, or other generally recognized picture identification card that contains the name and signature of the voter. If the voter does not have a Louisiana driver's license, a Louisiana special identification card, or other generally recognized picture identification card that contains the name and signature of the voter, the voter shall complete and sign, in the presence of the registrar or his deputy, a voter identification affidavit to that effect provided by the secretary of state, which affidavit shall include

the voter's date of birth and mother's maiden name. If the voter is unable to read or write or is otherwise unable to complete the affidavit due to disability, the voter may receive assistance in completing the affidavit, and the registrar or his deputy shall make a notation on the affidavit. The voter may receive the assistance of any person of his choice, including the registrar or his deputy, except a candidate, the voter's employer or employer's agent, or the voter's union agent. The registrar or his deputy shall retain the affidavit in the office of the registrar of voters. If satisfied that the voter has identified himself as the voter registered in the state voter registration computer system or named on the precinct register and that he is qualified to vote, the registrar or his deputy shall initial the precinct register or early voting list kept by the registrar opposite the voter's signature or mark. The voter then shall be allowed to vote. A voter who votes without the picture identification required by this Paragraph is subject to challenge as provided in R.S. 18:1315.

(2) If the voter's name is found in the state voter registration computer system or precinct register on the inactive list of voters, the voter shall be required to complete an address confirmation card to determine his eligibility to vote.

E.(1) The voter's identity having been established as provided in Subsection D of this Section, the voter shall sign or make his mark in the precinct register or early voting list kept by the registrar prior to voting.

(2) The registrar or deputy registrar shall electronically generate an early voting confirmation sheet for each voter using the state voter registration computer system or a form prepared by the secretary of state and retain the confirmation sheet in the office of the registrar to be used by the registrar to verify each early voter at the end of the early voting period. If a paper ballot is used for early voting in lieu of a voting machine, the registrar or deputy registrar shall write "early voting paper ballot voter" across the early voting confirmation sheet for the voter and attach it to the paper ballot envelope.

(3) The voter then shall be allowed to cast his vote in an area and in a manner that protects the secrecy of his vote.

(4)(a) A voter shall not remain in a voting machine longer than three minutes. If a voter fails to leave a voting machine promptly after the registrar or deputy registrar has notified him that three minutes have elapsed, the registrar or deputy registrar shall have the voter removed from the voting machine.

(b) Notwithstanding Subparagraph (a) of this Paragraph, a voter receiving assistance in voting pursuant to R.S. 18:1309.3 or a voter using the audio ballot shall be allowed to remain in a voting machine for up to twenty minutes. If such a voter fails to leave a voting machine promptly after the registrar or deputy registrar has notified him that twenty minutes have elapsed, the registrar or deputy registrar shall have the voter removed from the voting machine.

(5)(a) In order to cast a vote on a voting machine, a voter shall make a selection in a candidate or proposition election. Voting is completed by activating the cast vote mechanism. If the voter has made any selection in a candidate or proposition election but has failed to activate the cast vote mechanism, the registrar or his deputy, observed by a deputy registrar or, in the absence of a deputy registrar, a witness, shall activate the cast vote mechanism for the fled voter without altering any selections made by the voter. In the case of vote activation in the presence of a witness, the registrar or deputy registrar shall record the name and address of the witness.

(b)(i) In order to cast a vote on a paper ballot, a voter must make a selection for a candidate or for or against a proposition by completely filling in the oval to the right of a selection and returning the ballot to the appropriate election official within the applicable deadline set forth by law. If a voter makes selections for more than the number of candidates to be elected for an office or makes selections for and against the same proposition, the selections for that office or proposition will be void.

(ii) If the paper ballot envelope contains a certificate on the envelope flap, the voter shall not be required to sign the certificate. The registrar of voters or deputy registrar shall write "early voting ballot" across the envelope flap and include the voter's name, ward, precinct, and registration number and attach it to the early voting confirmation sheet so that the ballot may be identified for purposes of a challenge filed pursuant to R.S. 18:1315.

(iii) If a voter determines that his ballot is spoiled because he wants to change or correct his vote on the ballot before it is cast and counted but is unable to do so, he may obtain a replacement ballot upon returning the spoiled ballot to the registrar or deputy registrar. The voter shall cast his vote as provided in Item (i) of this Subparagraph using the replacement ballot. The registrar or deputy registrar shall write the words "spoiled and replaced" on the ballot and attach it to the early voting confirmation sheet.

(6) If a person who votes during early voting at the registrar's office casts his vote on an incorrect ballot as provided to him by the registrar or his deputy and the time for early voting has not expired, the registrar or his deputy shall write "void, challenge removal" and the reason for the challenge on the confirmation sheet, retain the confirmation sheet, and permit the voter to vote the correct ballot using a paper ballot. The confirmation sheet shall be attached to the paper ballot envelope for review by the parish board of election supervisors on election day and for use by the secretary of state's office in removing the voided ballot from the voting machine as a challenged ballot on election day.

F.(1) At the end of each day during early voting, the registrar shall document on the early voting verification form provided by the secretary of state for each early voting location each of the following:

- (a) The total number for the public counters of all early voting machines for the day.
- (b) The total number of early voting confirmation sheets for the day.
- (c) The total number of early voters from the state voter registration computer system for the day.

(d) Any discrepancies or irregularities observed that prevent the total public counter number from matching the total early voting confirmation sheet number for the day and the total number of early voters from the state voter registration computer system for the day.

(2) Each day, the registrar shall compare the information in the early voting confirmation sheets to the information contained in the state voter registration computer system. If the registrar finds any discrepancies, he shall make a note thereof on the early voting verification form or on a notice of irregularity form provided by the secretary of state that he shall attach to the early voting verification form.

(3) At the end of the early voting period, the registrar shall complete the early voting verification form for each location and sign and certify to its correctness and print an early voter report from the state voter registration computer system listing all early voters from the parish. All early voting verification forms, early voting machine public counter logs, early voting confirmation sheets, early voter reports, and paper ballots voted during early voting shall be placed in the special absentee by mail and early voting envelope or container for delivery to the parish board of election supervisors on election day for the tabulation and counting of early voting ballots.

G. By no later than the day before an election, the registrar shall have received from the branch office and all early voting locations all early voting machine results cartridges, early voting confirmation sheets, early voting verification forms, early voting machine public counter logs, paper ballot envelopes, certificates, early voting lists or duplicate precinct registers, and other election paraphernalia.

H. Prior to delivery of the precinct register to the parish custodian, the registrar shall ensure that the precinct register reflects for each voter whether the voter voted during early voting or voted timely absentee by mail using the words "voted by mail" and, if the register was not used during early voting, "voted early" in the signature line for the voter in the precinct register.

I. In the event of the inability to utilize voting machines for early voting within a parish, the registrar may utilize paper ballots for early voting.

J. Upon approval of the secretary of state, a registrar of voters may utilize commissioners selected and trained by the registrar of voters to assist the registrar during the early voting period in the conduct of early voting by his office. A registrar of voters shall, in seeking the approval of the secretary of state, indicate to the secretary the number of commissioners that is required for such assistance. A commissioner who assists the registrar in the conduct of early voting shall take an oath of office as a deputy registrar for the early voting period and shall complete an affidavit prepared by the secretary of state that contains the name, address, and last four digits of the social security number of the early voting commissioner and an acknowledgment that the law prohibits the disclosure of confidential voter information listed in the precinct register or early voting list kept by the registrar. The affidavit shall be retained in the office of the registrar of voters. A commissioner who assists the registrar in the conduct of early voting shall be paid in accordance with R.S. 18:426.1(3) for each day of such assistance.

K.(1) Only a certified commissioner may be selected to serve as an early voting commissioner.

(2) A person to whom one or more of the following applies shall not serve as an early voting commissioner:

- (a) The person is a candidate in the election.

(b) An immediate family member of the person is a candidate for election to public office in the election.

(c) The person is marked for assistance in voting in the precinct register or requires the use of the audio ballot in voting.

(d) The person has been convicted of an election offense enumerated in Chapter 10 of this Title.

L. During early voting the registrar of voters shall make available to the public at each location where early voting is conducted copies of the state mail voter registration application forms.

M.(1)(a) In a parish where early voting is conducted at an additional location pursuant to R.S. 18:1309.2, the registrar may fix the hours and days during which early voting shall be conducted at the additional location during the early voting period if such hours and days of voting are approved by the secretary of state no later than twenty-five days prior to the election.

(b) The registrar shall ensure that adequate notice is posted at the office of the registrar informing the public of the hours and days during which early voting will be conducted at the additional location, and the secretary of state shall post such notice on the secretary of state's website.

(2) The provisions of Paragraph (1) of this Subsection shall not apply to early voting for gubernatorial or congressional elections.

§1309.1. Preparation of machines for early voting; examination by candidate or his representative; sealing machines

A. At the time of qualifying, the parish custodian shall notify each candidate to contact the registrar of voters for the time and place at which the voting machines will be prepared for early voting. The candidate or his representative may be present to observe the preparation of the machines by the registrar of voters with the assistance of the secretary of state's technicians and to observe the testing and sealing of the machines by the registrar of voters in the presence of the parish board of election supervisors. Each candidate or his representative shall be afforded a reasonable opportunity to view the test vote tape for each machine to see that they are in the proper condition for use in the election, which opportunity shall not be less than thirty minutes beginning at the time designated by the registrar of voters to begin preparation of the machines for sealing. However, no candidate, representative, or citizen shall interfere with the registrar of voters, secretary of state's technicians, parish board of election supervisors, or any employee or technician or assume any of their duties.

B. Each candidate or representative shall identify to the registrar of voters the candidate whom he is representing. In addition, any citizen of this state may be present to observe the preparation, testing, and sealing of the machines by the registrar of voters and shall be afforded an opportunity to inspect the test vote tape for each machine to see that they are in proper condition for use for early voting.

C. After the machines have been examined by each candidate, or representative, or citizen who is present, the parish board of election supervisors shall generate a zero tally to ensure that the voting machine's public counter is set at zero and that no votes have been cast for any candidate or for or against any proposition. The registrar of voters shall then seal the voting machine.

D. The registrar of voters shall record the public and protective counter numbers for each early voting machine on a form prepared by the secretary of state for use in verifying the early voting results on election day.

§1309.2. Program for the conduct of early voting at additional locations

A. Notwithstanding any other provision of law to the contrary, the secretary of state may develop and implement a program for the conduct of early voting at additional locations within any parish of the state.

B. The secretary of state shall select additional locations for the program based on feasibility, accessibility, and the number of registered voters.

C. In developing the program, the secretary of state shall specifically solicit the input, recommendations, and advice of the registrars of voters and clerks of court on issues such as: the procedures for the conduct of early voting; the tabulation of votes cast at the program locations; the selection of the additional locations and the requirements for such locations; ensuring the integrity and security of the early voting process; and how to ensure that a voter does not vote during early voting in an office of the registrar and at one of the program locations. The registrars of voters and clerks of court in each parish in which an additional location is selected for the program shall assist the secretary of state, as necessary, to implement the program in those parishes.

D.(1) After the development of the program and after any change to the program, the secretary of state shall submit the details of the program and any change to the program, including the locations selected for the program, to the House Committee on House and Governmental Affairs and the Senate Committee on Senate and Governmental Affairs for review and approval at a joint meeting called for such purpose. No action shall be taken by the joint committee except by the favorable vote of a majority of the members thereof from each house present and voting, each house voting separately.

(2) If approved by the House Committee on House and Governmental Affairs and the Senate Committee on Senate and Governmental Affairs, the program and any change to the program shall be implemented.

E. Not later than March first of each year, the secretary of state shall provide a written report to the House Committee on House and Governmental Affairs and the Senate Committee on Senate and Governmental Affairs. Such report shall provide a review of the program and shall include a description of the types of technology utilized, the costs involved, whether any problems arose, an examination of voter turnout during the program, and any recommendations for legislation.

A. Voters entitled to assistance during early voting. A voter shall not receive assistance in voting unless he is unable to read or is unable to vote without assistance because of a physical disability, including visual impairment. If a voter who is entitled to receive assistance in voting chooses to vote using the audio ballot instead of receiving assistance and the audio ballot equipment fails, the voter shall be entitled to assistance in voting as provided in this Section.

B. Persons prohibited from assisting voters during early voting. (1) No candidate in any election may assist any voter in casting his ballot in that election.

(2) No employer or employer's agent may assist an employee in voting.

(3) No union agent may assist a union member in voting.

(4)(a) Except as provided in Paragraphs (1) through (3) of this Subsection, a voter entitled to assistance in voting may receive the assistance of any person of his choice, including a registrar or deputy registrar.

(b) The registrar or deputy registrar shall write the voter's name in the precinct register or early voting list kept by the registrar and the name of the person assisting the voter behind the tab for Assistance to Voters. The person assisting the voter, including a registrar or deputy registrar, shall sign his name behind the tab for Assistance to Voters.

C. Procedure when voter receives assistance during early voting. The person assisting the voter shall enter the voting machine with the voter and assist him in voting. No other person shall enter the voting machine or assist the voter in voting. No person assisting the voter shall reveal the name of any person for whom the voter has voted, how he voted on any proposition upon which he voted, or anything that took place while the voter was being assisted. When an early voting location is equipped with a voting machine which provides an audio ballot, the registrar or deputy registrar shall offer the option of voting using the audio ballot to a visually impaired voter or a voter who is unable to read. If the voter elects to vote using the audio ballot, the registrar or deputy registrar shall assist the voter with the headset and instruct the voter or the person selected to assist the voter concerning the use of the audio ballot.

(iv) A completed and signed voter registration application attesting that the voter has a physical disability and requires assistance in voting.

(v) A completed and signed voter assistance form provided by the secretary of state wherein the voter attests that he has a physical disability and requires assistance in voting.

(b) If the voter is submitting the information required by this Paragraph by mail, the voter shall include a copy of his Louisiana driver's license, his Louisiana special identification card issued pursuant to R.S. 40:1321, or other generally recognized picture identification card that contains the name and signature of the voter.

(2) If such statement with such documentation, if applicable, is filed with the registrar as provided in this Subsection or presented to the registrar or deputy registrar during early voting, the registrar shall document those facts in the voter's information on the statewide voter registration system and, as appropriate, on the voter's original application for registration and on any other official registration records. The registrar shall retain the statement and documentation, if applicable. Thereafter, the voter shall not be required to present evidence of any kind during early voting or at the polls.

§1310. Execution of certificate; marking of ballot; casting vote; assistance

A.(1) When a voter receives the absentee voting materials by mail, he first shall fill in all blanks on the certificate on the ballot envelope flap. The voter then shall mark the ballot according to the printed instructions on its face. Then the voter shall place the voted ballot in the envelope, seal the envelope, and sign the certificate on the ballot envelope flap.

(2) When absentee by mail voting materials are electronically transmitted to a voter pursuant to the provisions of this Chapter, the voter first shall mark each ballot according to the instructions on the ballot, either by marking the ballot electronically and then printing it, or by printing the ballot first and then marking it by hand. The voter shall then print all remaining documents and fill in all blanks on the certificate and the waiver of the right to a secret ballot for each ballot mailing. The voter shall then place the voted ballot or ballots, completed certificate, and waiver of the right to a secret ballot for each ballot mailing in a separate envelope, seal the envelope, mark "Absentee Ballot Enclosed" on the envelope, and mail the envelope and its contents to the registrar of voters.

B.(1) No candidate in any election shall assist any voter in casting his ballot in that election.

(2) Except as otherwise provided in Paragraph (1) of this Subsection, a person otherwise qualified to vote by absentee by mail who is visually impaired or physically disabled or who is unable to read or write may receive assistance in voting absentee by mail from any person selected by him. The failure of a voter to furnish notice and proof during the time that the registration records are closed shall not deprive the voter of his right to receive assistance in voting if he complies with the requirements of the laws governing the conduct of elections with respect to assistance to voters in casting their votes as required by R.S. 18:564 or 1309.3.

(3) A person who is eligible for assistance in voting absentee by mail or early voting may, in the same manner, seek assistance in the signing of his name or making of his mark. Any person who assists a voter in signing his name or making his mark shall explain to the voter that a signature or mark so made certifies that all statements in the certificate, if applicable, are true and correct and that any person who knowingly provides false or incorrect statements is subject to a fine or imprisonment, or both.

C.(1) Any person who assists a voter in voting absentee by mail shall execute the acknowledgment on the ballot envelope flap prepared by the secretary of state, verifying that the person providing the assistance has marked the ballot in the manner dictated by the voter.

(2) The registrar or deputy registrar shall follow the procedures contained in R.S. 18:1309.3 when paper ballots are used for early voting.

D.(1) If a voter determines that his ballot is spoiled because he wants to change or correct his vote on the ballot before it is cast and counted but is unable to do so, he may obtain a replacement ballot from the registrar of voters in his parish.

(2) Upon receiving the replacement ballot, the voter shall mark the ballot and return it to the registrar as provided in this Section. The voter shall not return the spoiled ballot to the registrar, but shall destroy it. If the voter sends both the spoiled ballot and the replacement ballot to the registrar and the board can determine which is the spoiled ballot and which is the replacement ballot, the board shall count the replacement ballot. If the board cannot determine which is the spoiled ballot and which is the replacement ballot, each of such ballots shall be void.

§1311. List of absentee by mail and early voters; posting; delivery of alphabetized list to precincts; supplements; absentee by mail voter report

A. *Repealed by Acts 2012, No. 213, §1, eff. May 22, 2012.*

B. The registrar shall keep a list containing the names of all persons who vote by early voting ballot during early voting and of those whose absentee ballots by mail he has received. He shall post this list in

a conspicuous place accessible to the public at the entrance to his office. After the last day for early voting, the registrar shall prepare a list, arranged alphabetically by precinct, of the names of all persons who have voted during early voting or from whom absentee ballots by mail were received on or before the last day for early voting. The registrar shall retain a copy of the list for use by the parish board of election supervisors on election night and shall post a copy of the list in a conspicuous place accessible to the public at the entrance to his office.

C.(1) The registrar shall prepare a supplemental list, arranged alphabetically by precinct, of the names of all persons from whom absentee ballots by mail have been received after the last day for early voting and before election day. The registrar shall deliver the supplemental list for each precinct to the parish custodian. The parish custodian shall then deliver the supplemental list for each precinct to the deputy parish custodian appointed for that precinct when the key envelopes are delivered as provided in R.S. 18:553(A). The registrar shall retain a copy of the supplemental list for use by the parish board of election supervisors on election night and shall post a copy of the supplemental list in a conspicuous place accessible to the public at the entrance to his office.

(2) The registrar shall include the first absentee ballot received from a person voting by mail, if timely received, with those to be counted by the board. Any second or subsequent ballot received from such person shall be considered not timely received.

(3) The registrar shall print an absentee by mail voter report from the state voter registration computer system listing all voters from whom he has received absentee by mail ballots before election day; he shall certify to the correctness of the report and deliver the report to the parish board of election supervisors on election day for use in the tabulation and counting of absentee by mail ballots.

D.(1)(a) Any absentee ballot submitted by a member of the United States Service or person who resides outside of the United States who has made application to vote absentee by mail timely and which ballot is received by the registrar on election day shall be endorsed with the day and hour of receipt and shall be segregated from and kept separately from any other absentee by mail ballot received on or after election day.

(b) For any voter hospitalized who has made timely application to vote absentee in accordance with R.S. 18:1303(D)(1) and whose absentee ballot is received by the registrar on election day, either by hand delivery or facsimile transmission, such absentee ballot shall be endorsed with the day and hour of receipt and shall be segregated from and kept separately from any other absentee by mail ballot received on or after election day.

(2) Upon receipt of any such absentee by mail ballot, the registrar shall include, on a separate list prepared for this purpose, in alphabetical order and by precinct, the name of any such voter in each precinct.

(3) The registrar shall immediately notify the commissioner-in-charge at each precinct for which a name appears on the list.

(4)(a) If the voter has not voted in person at the precinct, the registrar shall instruct the commissioner-in-charge to mark "voted by mail" in the place where the voter would ordinarily sign the precinct register and to initial the precinct register opposite the words "voted by mail". The registrar shall then include the first absentee by mail ballot received, if received timely, with those to be counted by the board, or, if the counting and tabulation of absentee by mail and early voting ballots has commenced, shall transmit such ballot to the board to be counted. Any second or subsequent ballot received from such person shall be considered as not timely received. Accompanying any such absentee by mail ballot shall be a statement certified by the registrar that he has verified that such voter has not voted in person at the precinct where he is registered to vote.

(b) If the voter has voted in person at the precinct, the registrar shall write across the ballot the words "rejected, voted at precinct" and shall include such ballot with all other mail ballots received on or after election day, to be kept unopened for six months, and destroyed.

(5)(a) Upon receipt of the special ballot for members of the United States Service and persons residing outside of the United States, the registrar shall endorse the day and hour of receipt on said ballots and place those received on the day of the election for which the ballot is cast, in an envelope separate from any other

mail ballot. The registrar shall include, on a separate list for this purpose, in alphabetical order and by precinct, the name of each voter submitting such special absentee by mail ballot.

(b) Each envelope containing such ballot shall remain sealed until the registrar, after the close of polls on election day, has verified with the commissioner-in-charge at each precinct for which a name appears on the list whether or not such voter has voted in person at that precinct.

(c) If the voter has not voted in person at the precinct, the first special ballot received from the voter by the registrar, if timely received, shall be counted and tabulated in accordance with the provisions of this Chapter relative to absentee mail ballots.

E. The commissioners at the polling place shall use the supplemental list provided for in Subsection C of this Section to insure that persons who have voted absentee by mail do not vote in person at the polls on election day.

§1312. Retention of ballots at registrar's office

A. All absentee by mail ballots, early voting machine results reports, early voting verification forms, early voting machine public counter logs, and early voting confirmation sheets, shall be retained in the office of the registrar of voters except as otherwise provided in this Chapter.

B. All absentee by mail ballots which are received timely shall be removed from the mail return envelope, if applicable, shall be arranged by ward and precinct and placed and retained in a special absentee by mail and early voting ballot envelope or container designated and used only for that purpose, and shall be delivered to the parish board of election supervisors to be counted and tabulated as provided in R.S. 18:1313.

C. After the tabulation of the absentee by mail and early voting ballots on election night, the board shall replace the absentee by mail ballots, early voting machine results reports, early voting verification forms, early voting machine public counter logs, absentee by mail and early voter reports, and early voting confirmation sheets in the special absentee by mail and early voting ballot envelope or container and return the envelope or container to the registrar of voters. The registrar shall retain the special absentee by mail and early voting ballot envelope or container inviolate until the delay for filing an election contest has lapsed, or, if an action contesting the election has been filed, until the judgment in the action becomes definitive.

D. Except as otherwise provided in R.S. 18:1308.1(C) and 1311(D)(1) and (5), all mail ballots received on or after election day shall not be counted, but shall be endorsed with the day and hour of receipt, shall be kept unopened for six months, and then shall be destroyed. Any absentee ballot received by mail or facsimile not the first received from the voter shall be treated as provided in this Subsection.

E. Absentee by mail ballots, early voting machine results reports, early voting verification forms, early voting machine public counter logs, early voting confirmation sheets, absentee by mail and early voter reports, applications for absentee by mail ballots, certificates, and other absentee by mail and early voting ballot paraphernalia associated with an election shall be retained as provided in R.S. 18:403, unless litigation is pending relative to such election. §1313. Tabulation and counting of absentee by mail and early voting ballots

A. The parish board of election supervisors shall be responsible for the counting and tabulation of all absentee by mail and early voting ballots in the parish. The board may utilize parish board commissioners to count the absentee by mail and early voting ballots in the parish. If the board determines that parish board commissioners are necessary to count and tabulate the absentee by mail and early voting ballots, it shall select parish board commissioners in accordance with the provisions of R.S. 18:1314. If a majority of the members of the board are not present to count the absentee by mail and early voting ballots and no parish board commissioners were previously selected, the members present may select a sufficient number of parish board commissioners on election day to assist in the counting of absentee by mail and early voting ballots.

B.(1) Absentee by mail and early voting ballots shall be counted at a public facility within the parish designated by the registrar of voters at a time fixed by the parish board of election supervisors, which time shall be on election day no later than 8:00 p.m.

(2) Prior to the counting of absentee by mail and early voting ballots on election day, any person authorized by the secretary of state may assist the registrar of voters in the challenge removal process on the early voting machines, in the reading of the early voting machine results cartridges on the secretary of state's equipment, and in producing the early voting machine results report. All early voting machine results reports shall be placed in the special absentee by mail and early voting envelope or container.

C.(1) If the counting and tabulation of absentee by mail and early voting ballots begins prior to the closing of the polls, such counting and tabulation shall be conducted in a location and manner to prevent disclosure of the results prior to the closing of the polls. Each person except a person providing security to the parish board of election supervisors or a person providing technical assistance pursuant to Paragraph (2) of this Subsection who enters the location in which the absentee by mail and early voting ballots are being counted and tabulated shall remain in that location and shall not be allowed to leave except temporarily, and then only when accompanied by a law enforcement officer, and shall not communicate with any person outside until the polls are closed. The parish board of election supervisors may take any action necessary to ensure that no information with respect to the counting and tabulation of absentee by mail and early voting ballots is transmitted from the location where the absentee by mail and early voting ballots are being counted and tabulated prior to the close of the polls on election day.

(2) Any person authorized by the secretary of state may provide security or technical assistance including advice, analysis, diagnosis, or repair for voting machines at the location where absentee by mail and early voting votes are being counted and tabulated. Such security or technical assistance shall be provided only upon the request of the parish board of election supervisors or a team of parish board commissioners, and may be made in person at the location where absentee by mail and early voting votes are being counted and tabulated, or by telephone, or both. Any authorized person providing such security or technical assistance may enter and leave the location where absentee by mail and early voting votes are being counted and tabulated before the closing of the polls and during the process of counting and tabulation. No such person shall disclose any information with respect to the counting and tabulation of absentee by mail and early voting ballots prior to the close of the polls on election day.

D. Candidates, their representatives, and qualified electors may be present during the counting and tabulation of absentee by mail and early voting ballots. If the counting and tabulation of absentee by mail and early voting ballots begin prior to the closing of the polls, the board shall give notice reasonably calculated to inform any person who wants to be present during the counting and tabulation that no person will be allowed to leave or to communicate with any other person outside, until such time as the polls are closed, nor shall any person who is present during the counting and tabulation of absentee by mail and early voting ballots possess a cellular telephone or electronic communication device.

E. The board shall count the absentee by mail and early voting ballots and announce the results after the closing of the polls as the total number of absentee by mail and early voting votes cast in the election for each candidate and the total number cast for and against each proposition.

F. The procedure for counting absentee by mail ballots shall be as follows:

(1) A member of the board shall remove the certificates and special absentee by mail ballots and envelopes containing the absentee by mail ballots from the special absentee by mail and early voting ballot envelope or container.

(2) The board shall announce the name of each absentee by mail voter and the ward and precinct where he is registered to vote, and shall compare the name on the certificate or on the flap of the envelope containing the absentee by mail ballot with the names on the absentee by mail voter report.

(3) The board shall determine the validity of challenges filed in accordance with R.S. 18:1315.

(4) If the board determines that an absentee by mail ballot is valid, a member of the board shall write the words "voted by mail" and his initials on the absentee by mail voter report beside the name of the voter as it appears on the report. If applicable, a member of the board shall tear the flap from the envelope containing the absentee by mail ballot and leave the envelope sealed.

(5) If a majority of the members of the board determine that an absentee by mail ballot is invalid, the members shall leave the flap on the envelope containing the absentee by mail ballot, leave the envelope sealed, and a member of the board shall write the word "rejected", together with the reasons for rejecting the ballot, across the envelope containing the ballot or across the certificate attached to the special absentee by mail ballot. He shall also write the word "rejected" and his initials on the absentee by mail voter report beside the name of the voter as it appears in the report. The rejected absentee by mail ballots and certificates shall be replaced in the special absentee by mail and early voting ballot envelope or container. No rejected absentee by mail ballot shall be counted.

(6) After the validity of all absentee by mail ballots has been determined, the members of the board shall place the valid certificates and the flaps removed from the valid absentee by mail ballots in the envelope or container provided for that purpose and seal the envelope or container. Two of the members shall execute the certificate on the envelope.

(7) The members shall open the envelopes containing the valid absentee by mail ballots and remove the ballots.

(8) The board shall, in accordance with the requirements of R.S. 18:1316, reject any ballot which contains a distinguishing mark or feature making the ballot susceptible of identification. However, a ballot shall not be rejected as containing a distinguishing mark if the ballot was transmitted electronically to a member of the United States Service, as defined in R.S. 18:1302, or a person residing outside the United States.

(9) If a ballot is physically damaged or cannot properly be counted by the counting equipment and the vote cast by the voter is clearly discernible from a physical inspection of the defective ballot, the ballot may be counted by hand or a true duplicate may be made of the defective ballot in the presence of witnesses and substituted for the ballot. Any duplicate ballot shall be clearly labeled "duplicate", bear a ballot number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot shall be placed in the special absentee by mail and early voting ballot envelope or container, and the duplicate ballot shall be counted with the other valid ballots.

(10) The special absentee ballots cast by members of the United States Service or persons who reside outside of the United States shall be counted by hand.

(11) *Repealed by Acts 2017, No. 176, §5, eff. June 14, 2017.*

G. The procedure for counting early voting machine ballots and paper ballots voted during early voting shall be as follows:

(1) A member of the board shall remove the early voting verification forms, early voting machine public counter logs, early voting confirmation sheets, paper ballots voted during early voting, early voter report, and all early voting machine results reports from the special absentee by mail and early voting ballot envelope or container.

(2) The board shall review the early voting verification forms and early voting machine public counter logs and, if found to be acceptable to the board, sign each early voting verification form. If the board does not find an early voting verification form to be acceptable, it may review any early voting confirmation sheet and shall document its correction to the early voting verification form and then sign it.

(3) The board shall announce the results from each early voting machine results report for the early voting ballots.

(4) For each paper ballot voted during early voting, the board shall announce the name of the person who voted by paper ballot during early voting and the ward and precinct where he is registered to vote and shall

compare the name on the flap of the envelope containing the early voting ballot with the names on the early voter report.

(5) The board shall determine the validity of challenges made in accordance with R.S. 18:1315.

(6) If the board determines that a paper ballot voted during early voting is valid, a member of the board shall write the words "voted early" and his initials on the early voter report beside the name of the voter as it appears on the report. A member of the board shall tear the flap from the envelope containing the paper ballot voted during early voting and leave the envelope sealed.

(7) If a majority of the members of the board determine that a paper ballot voted during early voting is invalid, the members shall leave the flap on the envelope containing the ballot, leave the envelope sealed, and a member of the board shall write the word "rejected" together with the reasons for rejecting the ballot across the envelope containing the ballot. He shall also write the word "rejected" and his initials on the early voter report beside the name of the voter as it appears on the report. The rejected ballot shall be placed in the special absentee by mail and early voting ballot envelope or container. No rejected paper ballot voted during early voting shall be counted.

(8) After the validity of all paper ballots voted during early voting has been determined, the members of the board shall place the valid early voting confirmation sheets and flaps removed from the valid paper ballots voted during early voting in the envelope or container provided for that purpose and seal the envelope or container. Two of the members shall execute the certificate on the envelope or container.

(9) The members shall open the envelopes containing the valid paper ballots voted during early voting and remove the ballots.

(10) The board shall, in accordance with the requirements of R.S. 18:1316, reject any ballot which contains a distinguishing mark or feature making the ballot susceptible of identification.

(11) If a ballot is physically damaged or cannot properly be counted by the counting equipment and the vote cast by the voter is clearly discernible from a physical inspection of the defective ballot, the ballot may be counted by hand or a true duplicate may be made of the defective ballot in the presence of witnesses and substituted for the ballot. Any duplicate ballot shall be clearly labeled "duplicate", bear a ballot number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. After a ballot has been duplicated, the defective ballot shall be placed in the special absentee by mail and early voting ballot envelope or container, and the duplicate ballot shall be counted with the other valid ballots.

(12)(a) Prior to utilizing any absentee by mail and early voting counting equipment, the parish board of election supervisors shall generate a zero tally to ensure that the equipment's candidate and question counters are set at zero and that no votes have been cast for any candidate or for or against any proposition.

(b) The board shall sign and certify to the correctness of each zero proof sheet and place all zero proof sheets in the special absentee by mail and early voting envelope or container.

(13) The absentee by mail and early voting votes cast for a candidate and those cast for and against a proposition shall be counted and the total number of absentee by mail and early voting votes cast for a candidate and those cast for and against a proposition shall be announced in the order the offices and candidates and propositions are listed on the ballot. The members of the board shall enter the total number of votes on the final absentee by mail and early voting vote report and shall certify the results.

H. The final absentee by mail and early voting vote report prepared by the parish board of election supervisors shall be transmitted to the clerk of court immediately upon completion of the tabulation of the absentee by mail and early voting ballots on election night. A copy of the record shall be transmitted immediately to the secretary of state, and a copy of the record shall be placed in the special absentee by mail and early voting envelope or container.

I. When the absentee by mail and early voter reports have been returned to the registrar of voters, the registrar, based on the information contained in the reports, shall confirm that the words "voted by mail" or "voted early" are written in the proper space on the precinct register for each voter who voted early or absentee by mail.

J.(1) Upon completion of the tabulation and counting of the absentee by mail and early voting ballots, the parish board of election supervisors shall return the absentee by mail and early voting ballots and electronic results report to the special absentee by mail and early voting ballot envelope or container, shall

seal the envelope or container, and shall deliver the envelope or container to the registrar of voters. The registrar shall preserve the envelope or container and its contents inviolate and, except upon order of a court of competent jurisdiction, shall not allow the absentee by mail and early voting documents to be inspected by anyone until the delay for filing an action contesting the election has lapsed. If an action contesting the election is commenced timely, the registrar shall continue to preserve the envelope or container and its contents inviolate, subject to the orders of the court, until the final judgment in the action has become definitive.

(2)(a)(i) Notwithstanding the provisions of Paragraph (1) of this Subsection, if the number of absentee by mail and early voting ballots cast for all candidates for an office could make a difference in the outcome of the election for such office, upon the written request of a candidate for such office, the board shall recount the absentee by mail ballots by hand or scanning equipment and early voting ballots electronically, unless paper ballots were used for early voting and in such case, the ballots shall be recounted by hand for such office.

(ii) Notwithstanding the provisions of Paragraph (1) of this Subsection, if the number of absentee by mail and early voting ballots cast for and against a proposition could make a difference in the outcome of the election, upon the written request of a person who voted in the proposition election, the board shall recount the absentee by mail ballots by hand or scanning equipment and early voting ballots electronically, unless paper ballots were used for early voting and in such case, the ballots shall be recounted by hand for such election.

(b) All recounts of absentee by mail and early voting ballots shall be held at 10:00 a.m. or following the reinspection of voting machines on the fifth day after the election and at any time ordered by a court of competent jurisdiction. If the fifth day after the election falls on a holiday or weekend, such recount shall be held on the next working day at 10:00 a.m. or following the reinspection of voting machines. Any written request for recount of absentee by mail and early voting ballots shall be filed with the clerk of court. The deadline for filing a request for recount of absentee by mail and early voting ballots shall be 4:30 p.m. on the last working day prior to the date of the recount. Immediately upon receiving any request, the clerk of court shall prominently post in his office a notice of the time and place where the absentee by mail and early voting ballots will be recounted and the name of the candidate or the voter in the proposition election requesting the recount.

(c) Upon completion of the recount of the absentee by mail and early voting ballots, the board shall return the absentee by mail and early voting documents to the special absentee by mail and early voting ballot envelope or container, shall reseal the envelope or container, and shall deliver the envelope or container and its contents to the registrar of voters who shall preserve the envelope or container and its contents in the manner provided for in Paragraph (1) of this Subsection.

(d)(i) The candidate or the voter in the proposition election requesting the recount shall be responsible for all reasonable costs associated with such recount which shall be payable to the clerk of court. The costs shall be paid at the time the written request for the recount is filed with the clerk of court and shall be paid in cash or by certified or cashier's check on a state or national bank or credit union, United States postal money order, or money order issued by a state or national bank or credit union.

(ii) If the recount changes the outcome of the election, the costs paid by the candidate or voter in the proposition election shall be refunded by the clerk of court, and the costs of the recount shall be a reimbursable election expense as provided in Chapter 8-A of this Title.

(3) A candidate or his representative, in the presence of a majority of the parish board of election supervisors, shall be allowed to inspect the flaps removed from the valid absentee by mail ballots and the flaps removed from the valid early voting ballots when paper ballots are used for early voting. All such inspections shall be held at 10:00 a.m. or following the recount of absentee by mail and early voting ballots on the fifth day after the election and at any time ordered by a court of competent jurisdiction. If the fifth day after the election falls on a holiday or weekend, such inspection shall be held on the next working day at 10:00 a.m. or following the recount of absentee by mail and early voting ballots. Any written request for inspection shall be filed with the clerk of court. The deadline for filing a request for inspection shall be the last working day prior to the date of the inspection. Immediately upon receiving any request, the clerk of court shall prominently post in his office a notice of the time and place where the inspection will occur and the name of the candidate requesting the inspection. The candidate requesting the inspection shall be responsible for all reasonable costs associated with such inspection which shall be payable to the clerk of

court. The costs shall be paid at the time the written request for the inspection is filed with the clerk of court and shall be paid in cash or by certified or cashier's check on a state or national bank or credit union, United States postal money order, or money order issued by a state or national bank or credit union.

(4) The parish board of election supervisors shall be entitled to reimbursement at the rate established in R.S. 18:423(E) for attending the recount of absentee by mail and early voting ballots and inspection, but not both if they are conducted on the same day. However, such reimbursement shall not be counted toward the six-day limitation provided in R.S. 18:423(E). No member of the parish board of election supervisors shall be reimbursed for attending a recount of absentee by mail and early voting ballots or inspection if such member received reimbursement for attending the reinspection of voting machines which was conducted on the same day as the recount of the absentee by mail and early voting ballots or inspection.

§1314. Parish board commissioners

A. Qualifications. A parish board commissioner shall be a registered voter of the parish in which he is selected to serve and shall have the other qualifications of a commissioner as otherwise provided by law.

B. Selection for primary election. (1) The parish board of election supervisors shall determine the number of parish board commissioners necessary to count the absentee by mail and early voting ballots in the parish. The parish board of election supervisors shall select a maximum of six such commissioners. If the parish board of election supervisors determines that the number of parish board commissioners should be increased to more than six, the parish board shall make a request to the secretary of state for the additional parish board commissioners. If the secretary of state or his designee determines that there is a need for the additional parish board commissioners, the parish board shall select the parish board commissioners.

(2) The parish board of election supervisors shall meet at 10:00 a.m. on the fifth day before a primary election and shall select the parish board commissioners and alternate parish board commissioners for the parish in the manner provided by law for the selection of commissioners and alternate commissioners. If there are not enough certified commissioners to select the appropriate number of parish board commissioners and alternate parish board commissioners, the board of election supervisors may select a qualified elector of the parish to serve; however, no such elector shall serve as a parish board commissioner if a certified commissioner has been selected as an alternate parish board commissioner.

(3) Parish board commissioners and alternate parish board commissioners shall be issued commissions, take the oath of office, be replaced, and be disqualified, all in the manner provided by law for commissioners and alternate commissioners.

C. Selection for general election. (1)(a) The parish board of election supervisors shall determine if the number of parish board commissioners necessary to count the absentee by mail and early voting ballots in the general election can be reduced or should be increased from the number which counted absentee by mail and early voting ballots in the primary election.

(b) If it determines that the number cannot be reduced or should be increased, those persons who served as parish board commissioners and alternate parish board commissioners for the parish in the primary election shall serve in the general election, unless replaced or disqualified in the manner provided by law for commissioners and alternate commissioners. If the parish board of election supervisors determines that the number of parish board commissioners should be increased to more than the number of such commissioners who served in the primary election, the parish board shall make a request to the secretary of state for the additional parish board commissioners. If the secretary of state or his designee determines that there is a need for the additional parish board commissioners, the parish board shall select the additional parish board commissioners.

(2)(a) If the parish board determines that the number of parish board commissioners can be reduced, it shall notify each person who served as a parish board commissioner or alternate parish board commissioner in the primary election of its decision to reduce the number of parish board commissioners and of the date and time of the meeting to select the parish board commissioners for the general election. The parish board shall meet at 10:00 a.m. on the fifth day before a general election and shall select the parish board commissioners and alternate parish board commissioners to serve in the general election for the parish.

(b)(i) The parish board shall prepare a list containing the names of all persons who served as parish board commissioners in the primary election. The parish board commissioners and alternate parish board commissioners for the general election shall be selected from that list in the manner provided by law for the selection of commissioners and alternate commissioners. The parish board commissioners so chosen shall then serve as needed for the general election.

(ii) If the list does not contain sufficient names to select the number of parish board commissioners and alternate parish board commissioners determined by the board to be needed for the general election, the board shall fill any remaining alternate commissioner positions from a list of those persons who were selected as alternate parish board commissioners for the primary election, such list to be prepared and the selection made in the same manner provided in this Section for selection of parish board commissioners for the general election.

(3) If the parish board and the secretary of state or his designee determine that the number of parish board commissioners should be increased, the parish board shall meet at 10:00 a.m. on the fifth day before a general election and shall select the additional parish board commissioners and alternate parish board commissioners to serve in the general election for that parish from the list of certified commissioners who have not been chosen to serve in the general election as a commissioner-in-charge, commissioner, or, if applicable, parish board commissioner in the manner provided by law for the selection of commissioners and alternate commissioners. If there are not enough certified commissioners to select the appropriate number of parish board commissioners and alternate parish board commissioners, the board of election supervisors may select a qualified elector of the parish to serve; however, no such elector shall serve as a parish board commissioner if a certified commissioner has been selected as an alternate parish board commissioner.

D. Selection for provisional ballot counting for a primary or general election. (1) The parish board of election supervisors shall determine if parish board commissioners are necessary to assist the board in counting and tabulating provisional ballots in the parish. If necessary, the parish board of election supervisors shall select the number of parish board commissioners and present the number of parish board commissioners to the secretary of state for approval, either in writing or by telephone.

(2) Upon approval by the secretary of state or his designee, the parish board of election supervisors shall appoint the approved number of parish board commissioners for assistance to the board in counting and tabulating the provisional ballots.

(3) Parish board commissioners for provisional ballot counting shall meet the qualifications set forth in Subsection A of this Section and shall be issued commissions, take the oath of office, be replaced, and be disqualified, all in the same manner as provided for by law for commissioners and alternate commissioners.

E. Compensation. A parish board commissioner who serves on election day or during the counting and tabulating of provisional ballots shall receive fifty dollars or one hundred dollars for each day he serves as provided below:

(1) He shall receive one hundred dollars for elections for which the secretary of state has approved such compensation. The secretary of state may provide such approval upon application by the parish board of election supervisors when it is reasonably expected that a large number of persons will vote prior to election day.

(2) He shall receive fifty dollars for elections other than those provided for in Paragraph (1) of this Subsection.

F. For an election held within one year following the date of the issuance of any gubernatorial proclamation declaring a state of emergency, if a parish board of election supervisors determines that there is a parishwide shortage of parish board commissioners because a significant number of parish board commissioners have been temporarily displaced due to such emergency, the board may submit a written request to the secretary of state for additional parish board commissioners from other parishes in the same

manner as provided in R.S. 18:425(A)(4). Approval, selection, training, and reimbursement of expenses of such parish board commissioners shall be in the same manner as provided in R.S. 18:425(A)(4). Nothing in Subsection A of this Section shall prohibit a parish board commissioner from serving in another parish pursuant to this Subsection.

§1315. Challenge of absentee by mail or early voting ballot

A.(1) A candidate or his representative, a member of the board, or a qualified elector may challenge an absentee by mail or early voting ballot for the grounds specified in R.S. 18:565(A), by personally filing his written challenge with the registrar no later than the fourth day before the election for which the ballot is challenged. Such challenge shall be on a form provided by the secretary of state.

(2) The form shall include:

(a) The ground, specified in R.S. 18:565(A), on which the challenge is made.

(b) The election involved.

(c) The specific reason for which the challenge is made.

(d) The name, address, and telephone number, if any, of the person challenging the ballot, all of which shall be written by the person challenging the vote.

(3) The form shall also include information about the date and place where the board will determine the validity of the challenge, which information shall be included by the registrar. Within twenty-four hours after the challenge has been filed, the registrar shall mail a copy of the challenge to the voter whose absentee by mail or early voting ballot is being challenged at the address shown on the registrar's roll of electors. The registrar shall retain the original challenge form and shall transmit it to the place where the absentee by mail or early voting ballot will be counted and tabulated for the use of the board on election day.

B. During the counting of absentee by mail and early voting ballots, any candidate or his representative, member of the board, or qualified elector may challenge an absentee by mail or early voting ballot for cause, other than those grounds specified in R.S. 18:565(A).

(3)(a) If a challenge in accordance with the provisions of Subsection B of this Section is sustained, the vote shall not be counted, the board shall write "rejected" and the cause therefor across the ballot envelope or early voting confirmation sheet, and shall place the ballots and early voting confirmation sheets so rejected in the special absentee by mail and early voting ballot envelope or container. §1333. Nursing home early voting program; voting by persons residing in a nursing home

A. For purposes of this Section, the term "nursing home" shall have the meaning ascribed to it in R.S. 40:2009.2(1) and, with respect to a person with a physical disability who resides in a hospital for an extended period of time by reason of a physical disability that makes it improbable that he will be able to vote in person at the polls on election day or during early voting, the term also shall mean a hospital. "Nursing home" for the purpose of this Section shall also mean a veterans' home, operated by the state or federal government, where a person, with a physical disability who is unable to vote in person at the polls or during early voting because of a physical disability, resides.

B. A qualified voter who resides in a nursing home within the parish in which he is entitled to vote and who is unable to vote in person at the polls on election day or during early voting as otherwise provided by this Code due to a physical disability may vote early as provided in this Section during the period extending at least one week prior to the beginning day for early voting through the last day for early voting established by R.S. 18:1309.

C. The following voters shall be eligible to vote pursuant to this Section:

(1) A voter who prior to January 1, 2010, was approved by a parish board of election supervisors as being eligible to participate in the Special Program for Handicapped Voters as such program existed prior to January 1, 2010, and who is a resident or has become a resident of a nursing home.

(2) A voter who is a resident of a nursing home who provides to the registrar of voters current proof of disability from a physician along with a certification from the physician which indicates that by reason of the voter's disability the voter is unable to appear in person to vote either during early voting or at the polling place on election day.

D.(1) A voter qualified to vote under this Section shall make application to vote pursuant to this Section to the registrar of voters by letter. An application to vote as provided in this Section shall be submitted to and received by the registrar of voters at least thirty days prior to the election. Such request may be submitted by mail, commercial carrier, or hand delivery. The request shall be submitted over the voter's signature or mark if the voter is unable to sign his name, signed by the registrar, deputy registrar, or one witness; provide the name of the voter and the address of the nursing home; and if qualified pursuant to Paragraph (C)(2) of this Section, provide current proof of disability from a physician along with a certification from the physician which indicates that by reason of the voter's disability the voter is unable to appear in person to vote either during early voting or at the polling place on election day.

(2) Upon receipt of a valid request, the request shall serve as an application to vote pursuant to this Section. The application to vote in the nursing home early voting program as provided in this Section shall remain valid indefinitely unless the voter submits a written request to the registrar to be removed from the program or the voter no longer resides in the nursing home listed in his application. However, if the voter has become a resident of a different nursing home in the parish and has notified the registrar of voters in writing of the change of nursing home address, his application shall remain valid.

E. The registrar shall notify the applicant by letter, at the return nursing home address shown on the request, the day on which a deputy registrar or other qualified person selected by the registrar will be present at the nursing home to permit the applicant to cast his ballot. The registrar shall assign a number to the applicant, that shall be stamped or entered in ink on the upper right side of the letter and also shall be entered in clearly distinguishable figures on the flap of the absentee by mail ballot envelope that will contain the absentee by mail ballot to be delivered to that applicant on the day designated in the letter. If the letter is mailed by the registrar prior to his receipt of the absentee by mail ballots for the election, he shall enter the name of the applicant, his address, ward and precinct, and the number assigned to the applicant on a list that he shall keep for the purpose and, upon receipt of the absentee by mail ballots for the election, he shall enter the number on the absentee by mail ballot envelope as provided in this Subsection.

F.(1) On the day within the period fixed by law for nursing home early voting specified in the letter to the applicant as provided in Subsection E of this Section, the registrar shall go to each nursing home within the parish wherein reside one or more voters who are eligible to vote pursuant to this Section and to whom the registrar mailed the letter provided for in Subsection E of this Section.

(2) The registrar shall have in his possession such materials and supplies as are needed to permit each of such voters to cast an absentee by mail ballot, including but not restricted to absentee by mail ballot envelopes, each of which bears the number corresponding to the number entered on the letter mailed to the applicant as provided by Subsection E of this Section, instructions, certificates, envelopes, acknowledgment forms required by Paragraph (G)(4) of this Section, and a portable metal box equipped with an open slot in its top surface of sufficient size to permit a completed ballot envelope to be deposited in the box. The registrar shall lock the box before he removes it from his office and shall retain the keys in his office.

G. The voting by each voter shall be accomplished in the following manner:

(1) The voter shall present to the registrar the letter he received from the registrar that bears the reply number assigned as provided in Subsection E of this Section. The registrar shall compare the number on the letter with the number on the absentee by mail ballot envelope in his possession and, if they are identical, he shall hand the envelope containing the absentee by mail ballot to the voter. However, if the voter is on the inactive list of voters, the voter must complete an address confirmation card prior to receiving the envelope containing the absentee by mail ballot.

(2) Unless requested by the voter to assist him in voting as provided in Paragraph (4) of this Subsection, the registrar shall retire from the presence of the voter while the voter marks his ballot and completes his ballot envelope.

(3) The voter shall mark his ballot as provided in R.S. 18:1310(A). The voter then shall place the absentee by mail ballot in the absentee by mail ballot envelope, seal the envelope, and sign the certificate on the absentee by mail ballot envelope flap.

(4)(a) The voter may receive assistance from any person selected by him, except a person who is prohibited from assisting a voter pursuant to R.S. 18:1309.3 and the owner, operator, or administrator of the nursing home or an employee of any of them. However, no person except a spouse, blood relative, or the registrar may assist more than one voter in voting.

(b) Any person who assists the voter in signing his name or marking his ballot shall explain to the voter that a signature or mark so made constitutes certification that all statements in the certificate are true and correct and that any person who knowingly provides false or incorrect statements is subject to a fine or imprisonment, or both.

(c) Any person who assists the voter shall execute an acknowledgment, on a form which shall be prescribed and furnished to the registrar of voters by the secretary of state and made available by the registrar of voters through the deputy registrar who appears at the nursing home, verifying that he has marked the ballot in the manner dictated by the voter.

(5) The voter shall notify the registrar when he has completed his voting, and the voter shall place the sealed absentee by mail ballot envelope in the locked metal box.

(6)(a) The registrar shall proceed in the above described manner and using the same procedure for each voter in the nursing home who is qualified to vote in that election.

(b) Upon returning to the registrar's office, the registrar shall unlock the metal box containing the absentee by mail ballots, remove them from the box, and otherwise follow the procedures for the posting of the name, ward, and precinct of the voter, and other procedures as required by R.S. 18:1311 and other applicable provisions of the Election Code relating to absentee by mail and early voting ballots.

(7) Upon receipt of an address confirmation card, the registrar shall reinstate the voter to the official list of voters.

H. Notwithstanding the provisions of this Section, the registrar may utilize the same voting procedures, voting machines, and equipment used for early voting to conduct voting under this Section.

I. The secretary of state may adopt such rules and regulations as are necessary to effectuate the provisions of this Section.

(7) Permit all unused vote indicators or devices to be locked out against use.

(8) Correctly register and record and accurately count all votes cast for each candidate and for or against each question.

(9) Be provided with a protective counter or tabulator or protective devices which will prevent any operation of the machine before or after the election.

(10) Be provided with a counter or tabulator which at all times during the election shall show the number of persons who have voted.

(11) Contain one or more automatic locks which, upon exposure of the vote count at any time after the polls are opened on election day, will automatically lock the machine against further operation.

(12) Contain a gong or other sound creating device which will audibly indicate that a voter has left the machine after casting his vote.

(13) Contain, for elections for president and vice president, those devices needed in order to comply with R.S. 18:1259.

(14) Have a lighting device which provides sufficient light to enable voters to read the ballot and to enable the election commissioners to examine the counters or tabulators.

(15) Be provided with a screen, hood, or curtain which is so made and can be so adjusted as to protect the privacy of the voter while voting.

PART II. ACQUISITION AND ALLOCATION OF VOTING MACHINES

§1361. Approval of machines and equipment; certificate; expenses of examination

A. The secretary of state may examine any type or make of voting machine upon the request of a representative of the maker or supplier thereof, and if he determines that the machine complies with the requirements of this Chapter and that it meets standards acceptable to him as to durability, accuracy, efficiency, and capacity, he shall approve that type or make of machine for use in this state and shall issue his certificate of approval thereof. In addition, any electronic voting machine procured or used in the state must have been certified by NASED Independent Testing Authorities according to the voting systems

standards adopted by the Federal Election Commission. This certificate, together with any relevant reports, drawings, and photographs, shall be a public record.

B. Any absentee by mail and early voting counting equipment to be procured for use in this state shall be certified by the secretary of state as meeting standards acceptable to him as to durability, accuracy, efficiency, and capacity.

C. The secretary of state may employ experts to assist him in making the examination provided for in this Section. The expenses of the services of such experts, not to exceed a total of five hundred dollars, shall be paid prior to the examination by the person requesting examination of the machine. Experts employed in the examination shall sign the certificate of approval made by the secretary of state. No machine shall be used at any election which has not been approved by the secretary of state as herein provided.

§1362. Method of procuring voting machines; parts and supplies; and of contracting for the maintenance of voting machines

A.(1) All voting machines used in this state shall be procured by the secretary of state, out of state funds appropriated for that purpose, on the basis of a competitive request for proposals process or public bids submitted to the secretary of state in accordance with specifications prepared by him. The specifications may require tests and examinations of the operation of the machines, and the secretary of state, for that purpose, may employ experts to report thereon and charge the expense thereof to the responders or bidders. Advertisement and letting of contracts for the procurement of voting machines shall be in accordance with the Louisiana Procurement Code contained in Chapter 17 of Title 39 of the Louisiana Revised Statutes of 1950.

(2) Notwithstanding any provision of law to the contrary, particularly the provisions of Chapter 17 of Title 39 of the Louisiana Revised Statutes of 1950, the secretary of state is authorized to procure directly from the supplier, through the Department of State, voting machine parts, supplies, and other election paraphernalia and to contract with the manufacturer through the Department of State for the maintenance of the voting machines.

B. Title to all voting machines purchased by the secretary of state shall vest in the state.

§1363. Number of machines; allocation to precincts; exception; reserve machines

A. In determining the number of voting machines to be purchased and allocated for each voting precinct in each parish or municipality, the minimum number to be allocated shall be as follows:

(1) One machine for each precinct where three hundred or less voters were registered to vote thirty days prior to the election.

(2) Two machines for each precinct where more than three hundred but not more than one thousand voters were registered to vote thirty days prior to the election.

(3) Three machines for each precinct where more than one thousand voters but not more than fourteen hundred voters were registered to vote thirty days prior to the election.

(4) Four machines for each precinct where more than fourteen hundred voters were registered to vote thirty days prior to the election.

(5), (6) Repealed by Acts 2001, No. 1181, §4, eff. June 29, 2001.

B. The parish board of election supervisors may reduce the number of voting machines to be allocated and used in elections called under the provisions of Chapter 6-A or 6-B of this Code when the election is not held at the same time as the election of any public official. In such case, the parish board of election supervisors shall notify the parish custodian of voting machines and the secretary of state at least four weeks prior to such election of the number of machines to be prepared and delivered for the polling places.

C. The number of voting machines to be allocated and used in an election, including the election of any public official, where more than one polling place is within the same location and the parish board of election supervisors has consolidated polling places in that location may be reduced for that election in accordance with the provisions of R.S. 18:425.1.

D. The parish board of election supervisors may reduce the number of voting machines to be allocated and used in an election called under the provisions of Part III of Chapter 6 of this Title where the only other election on the ballot is for the election of political party committee members. Not less than twenty-nine days prior to such an election, the parish board of election supervisors shall notify the parish custodian of voting machines and the secretary of state of the number of voting machines to be prepared and delivered to each polling place.

E. If any voting machines remain unallocated for an election, the secretary of state first shall reserve a sufficient number, not to exceed five percent of the total available, for use at precincts where a machine is disabled, damaged, or unavailable during election day. The remaining machines shall be allocated by the parish custodian, after consultation with the secretary of state, to the various precincts. As far as practicable the machines shall be distributed so that the precincts having equal or nearly equal numbers of registered voters shall have the same number of machines. If the secretary of state and a parish custodian agree that the use of the remaining machines is unnecessary for the proper and orderly conduct of the election, it shall not be necessary to allocate and use such machines.

F. Notwithstanding the provisions of this Section, if the secretary of state determines that a voting machine shortage exists in a parish, the secretary of state shall first reallocate and move any available voting machines of like type in excess of the requirements of Subsection A of this Section to the parish where the shortage exists. However, if a shortage continues to exist after relocation, the secretary of state may reduce the allocation of voting machines for each precinct and polling place in order to ensure that each polling place is allocated at least one voting machine. Prior to any reduction in allocation of voting machines the secretary of state shall immediately notify the parish board of election supervisors in each affected parish of the reduction of the allocation of voting machines and the parish board of election supervisors shall take whatever action is necessary consistent with the Louisiana Election Code to accommodate the reduced allocation. In addition, the secretary of state shall notify in writing the standing committees of each house of the legislature which have oversight over elections of the shortage and the reasons therefor.

G. The parish board of election supervisors may submit a written request to the secretary of state for additional voting machines for overcrowded precincts. The written request shall be submitted on or before the twenty-ninth day prior to the election and shall include the number of additional voting machines requested and an explanation of the need for additional voting machines. If the secretary of state determines that there is a need for additional voting machines and that the provision of additional voting machines is feasible, he may allocate additional voting machines.

H. The parish board of election supervisors may submit a written request to the secretary of state to reduce the number of voting machines to be allocated and used in an election other than an election provided for in Subsection B or D of this Section. The written request shall be submitted on or before the twenty-ninth day prior to a primary election and at least four weeks prior to a general election and shall include the proposed reduced number of voting machines and an explanation of the need for the reduction in the number of voting machines. If the secretary of state determines that the reduction in the number of voting machines is feasible, he may reduce the number of voting machines.

§1364. Placement and sufficiency of voting machines and counting equipment for absentee by mail and early voting

A. The secretary of state shall determine the sufficiency of the voting machines and absentee by mail and early voting counting equipment necessary to conduct absentee by mail and early voting in an election. He shall ensure that the number of voting machines and the absentee by mail and early voting counting equipment placed within a parish for an election is adequate and sufficient to process and count the absentee by mail and early voting ballots cast in the election within a reasonable period.

B. Following an election, the secretary of state shall determine whether such voting machines and absentee by mail and early voting counting equipment shall remain with the registrar of voters, whether it shall be transferred to a voting machine warehouse or other storage facility, or whether it shall be relocated to another parish.

§1365. Procedures; direct record electronic voting machines

Notwithstanding any other provision of the Louisiana Election Code to the contrary, the secretary of state may utilize any procedure necessary to accommodate the use of paging direct record electronic voting machines for voting where possible. Any such procedure shall require the approval of the attorney general. The secretary of state shall immediately notify the presiding officers of the legislature and the standing committees of each house of the legislature which have oversight over elections regarding the procedure to be utilized and the circumstances which caused the need for such procedure. Such notification shall be in writing.

§1371. Delivery and return of machines and supplies; contract; time of delivery

A.(1) The secretary of state shall contract for the delivery to the voting precincts of the machines and other election equipment and supplies for which he is responsible and for their return to the storage warehouses. The specifications for the contract shall be prepared by the secretary of state after consultation with and approval by the parish custodian of the parish in which the contract is to be performed. The contract shall be advertised and let in accordance with the Louisiana Procurement Code. The governing authority of the parish or municipality in which the voting machines are to be used may submit bids and be awarded contracts for the drayage of the voting machines.

(2) In addition to all other notices and advertisements for bids required, the secretary of state shall furnish notice of the invitation for bids at least thirty days prior to the opening of bids for each contract for the delivery of machines to the voting precincts for a parish in the following manner:

(a) Publish notice of the invitation for bids in a newspaper of general circulation printed in such parish or, if there is no newspaper printed in such parish, in a newspaper printed in the nearest parish that has a general circulation in the parish covered by the contract.

(b) Send such notice to the clerk of court for such parish who shall prominently post such notice in his office.

(c) Notify the parish governing authority for such parish of the contract and that such parish governing authority is allowed to bid on such contract.

(3) Contracts for the delivery of voting machines to the voting precincts in a parish may be entered into on a parish or regional basis. If a single contract provides for the delivery of voting machines to the voting precincts in more than one parish then the notices required by this Subsection shall be provided in each parish covered by such contract in accordance with this Subsection.

B. No later than 11:59 p.m. on the day before an election, the contractor, under the supervision of the parish custodian or his representative, shall deliver the proper number of voting machines, a seal for sealing each voting machine after termination of voting, and other election equipment, supplies, and paraphernalia to the polling places of each precinct and shall place the machines in the polling place for use in voting. Each machine shall remain sealed until examined by or under the supervision of the commissioner-in-charge immediately before the polls are opened as required by R.S. 18:553.

§1373. Notice of preparation of machines for election; preparation of machines for election; testing and adjusting; examination by candidate or his representative; securing and sealing machines

A.(1) The secretary of state shall notify each parish custodian of the time and place at which he will begin preparing and testing the voting machines for an election. The qualifying official shall at the time of qualifying provide each candidate in the election with a chronological table of procedures for the election that instructs the candidate to contact the parish custodian for the time and place at which the preparation and testing of the machines will be conducted and when the machines will be sealed and states that the candidate or his representative may be present to observe the preparation, testing, and sealing of the machines by the parish custodian.

(2) The secretary of state shall prepare the voting machines for the election by placing them in order, inserting the proper ballots, and testing and adjusting the voting machines for the election. A test vote report shall be produced by each machine. In preparing the machines, the secretary of state shall lock out against use on each machine those vote indicators or devices that are not to be used at the election. In preparing and adjusting machines, the secretary of state shall use the mechanics and technicians authorized by R.S. 18:1353.

(3) Each candidate or his representative shall be afforded a reasonable opportunity to inspect and review the test vote of the machines to see that they are in the proper condition for use in the election, which shall not be less than thirty minutes beginning at the time designated by the parish custodian to seal the machines.

(4) No candidate, representative, or citizen shall interfere with the secretary of state or any employee or technician or assume any of their duties during the preparation and testing of the voting machines. Each candidate or representative shall identify to the secretary of state and parish custodian the candidate whom he is representing. In addition, any citizen of this state may be present to observe the preparation, testing, and sealing of the machines by the parish custodian and shall be afforded an opportunity to inspect and review the test vote report of the machines.

(5) After the machines have been prepared and tested by the secretary of state and examined by each candidate or representative, citizen, or parish board member who is present, the parish custodian shall enclose the registration books or lists and other paraphernalia and shall forthwith seal each machine with a

numbered seal. At that time, the parish custodian, in the presence of the candidates or their representatives, parish board members, and any citizens who are present, shall certify to the numbers of the machines; that all of the public, candidate, and question counters are set at zero; and as to the number registered on the protective counter of the machine.

B. After each voting machine has been properly secured, sealed, and locked, the keys, if applicable, shall be placed in the key envelope on which shall be written the precinct number and the assigned precinct location of the voting machine, the number of the seal, and the number registered on the protective counter or device. The envelope shall be sealed in the presence of the candidates or their representatives then present and shall be held by the parish custodian or his representative until turned over for delivery to the election commissioners at the polling place on election day.

C. The preparation, testing, inspection, sealing, and locking of the machines and all duties required pursuant to this Part shall be completed as scheduled by the secretary of state and the parish custodian, but in no case later than thirty-six hours prior to the time fixed by law for the opening of the polls.

The parish custodian shall ensure that all voting machines used at the polls within the parish are returned to the appropriate warehouse no later than forty-eight hours after the polls close on election day. Proper provisions shall be made for safeguarding machines after the polls close.

B.(1) For all elections subject to the provisions of this Title, the parish custodian shall ensure that the vote totals on any election result cartridges and the voting machines are retained and that the voting machines are secured and, if applicable, sealed until the secretary of state directs that the voting machines and any election result cartridges be cleared in accordance with Paragraph (2) of this Subsection.

If an action contesting such an election is timely filed, the secretary of state shall direct that the voting machines and any election result cartridges be cleared when the trial judge certifies to him that the court has obtained all the information from

the machines or cartridges necessary for the trial of the action. The trial judge shall so certify no later than the end of the sixth day after the day on which the suit was filed.

CHAPTER 8-A. ELECTION EXPENSES

§1400.1. Election costs paid by secretary of state; governing authorities; reimbursement

A. The cost of ballots and election materials used in gubernatorial and congressional elections, whether or not a gubernatorial or congressional candidate appears on the ballot, shall be paid by the state from funds appropriated to the secretary of state for that purpose, except that when a local or municipal candidate or a local bond, debt, tax, proposition, or question also appears on the ballot, the state shall be required to pay one-half of the cost of ballots and election materials. The remaining one-half shall be prorated between the state and all local or municipal entities participating in such election. In the case of the offices of justice of the peace and constable of a justice of the peace court, the costs shall be prorated to the parish governing authority. The pro rata share of a local or municipal entity shall be determined by dividing the number of

that entity's offices, propositions, or questions on the ballot by the total number of all offices, propositions, or questions on the ballot within that local jurisdiction.

B.(1) The cost of ballots and election materials used in any special election when any of the following appear on the ballot shall be paid by the state from funds appropriated to the secretary of state for that purpose:

(a) A state candidate, as defined in R.S. 18:452(1).

(b) A candidate for the state legislature.

(c) A candidate for judge of a judicial district court or juvenile court or a candidate for judge of the criminal district or civil district court for Orleans Parish.

(d) A candidate for the office of district attorney.

(e) A proposed constitutional amendment.

(2) Notwithstanding the provisions of Paragraph (1), when a local or municipal candidate or a local bond, debt, tax, proposition, or question also appears on the ballot, the state shall be required to pay one-half of the cost of ballots and election materials. The remaining one-half shall be prorated between the state and all local or municipal entities participating in such election. In the case of the offices of justice of the peace and constable of a justice of the peace court, the costs shall be prorated to the parish governing authority. The pro rata share of a local or municipal entity shall be determined by dividing the number of that entity's offices, propositions, or questions on the ballot by the total number of all offices, propositions, or questions on the ballot within that local jurisdiction.

C.(1) The cost of ballots and election materials used in any election not provided for in Subsections A and B of this Section shall be paid by the appropriate governing authority that relates to the character of the office or the issue involved in such election. In the case of the offices of justice of the peace and constable of a justice of the peace court, the costs shall be prorated to the parish governing authority.

(2) In any special election called only by a local governing authority or only by a parish or city school board solely for the purpose of voting on a proposition under Chapter 6-A of this Title, a fee of ten dollars per certificate and two dollars per page shall be paid to the secretary of state for recording the proces verbal as required by R.S. 18:1293.

(3) To administratively facilitate the payment of costs as provided in this Subsection, the secretary of state may initially pay such costs; however, the appropriate governing authority shall reimburse all such costs to the secretary of state, and all monies so received by the secretary of state shall be remitted to the state treasurer. If more than one governing authority is involved in an election, the secretary of state shall prorate the reimbursable costs among the governing authorities as equitably as possible.

If the court determines that legal votes cast in the election were excluded in the total votes cast on a candidate, proposition, or recall, then these excluded legal

(2) If the trial judge in an action contesting an election for the recall of a public officer determines that: it is impossible to determine the result of election, or the number of qualified voters who were denied the right to vote by the election officials was sufficient to change the result in the election, if they had been allowed to vote, or the number of unqualified voters who were allowed to vote by the election officials was sufficient to change the result of the election if they had not been allowed to vote, or a combination of these factors would have been sufficient to change the result had they not occurred, the judge may render a final judgment declaring the election void and ordering a new recall election, or, if the judge determines that the appropriate remedy is the calling of a restricted election, the judge may render a final judgment ordering a restricted election, specifying the date of the election, and indicating which voters will be eligible to vote.

B. Notwithstanding the provisions of R.S. 18:1432, if a discrepancy sufficient to change the result of the election between the total votes cast at an election and the votes counted for the candidates in the election or for or against the recall of a public officer occurs as a result of the malfunction of a voting machine used for early voting, and an accurate count of the votes cast on the malfunctioning machine cannot be determined by the offering of circumstantial evidence or any other evidence, the court shall order a revote of electronic early voting ballots in the parish where the voting machine used for early voting malfunctioned, which shall be limited to those persons who voted during early voting in the election.

C. Those persons who cast their votes by paper absentee by mail or early voting ballots in that election shall not be eligible to vote in the revote election. The votes cast by paper absentee by mail or early voting

If a discrepancy sufficient to change the result of the election between the total votes cast in an election and the number of eligible voters voting in an election district occurs as a result of any precinct containing multiple election districts in which votes were cast and counted in the wrong election district, the court shall order a revote for that election in the precinct or precincts containing multiple election districts where such a discrepancy occurred.

B. The revote shall include all candidates listed on the ballot in the challenged election for the disputed office. The revote shall be limited to those persons listed on the poll list as having cast their ballots in person at the polls in the election in which the discrepancy occurred.

C. Those persons who cast their votes by absentee by mail or early voting ballots in that election shall not be eligible to vote in the revote election. Acts 2010, No. 797, §1, eff. Jan. 1, 2011.

A. The Legislature of Louisiana recognizes that the right to vote is a right that is essential to the effective operation of a democratic government. Due to a past, longstanding history of election problems, such as multiple voting, votes being recorded for persons who did not vote, votes being recorded for deceased persons, voting by non-residents, vote buying, and voter intimidation, the legislature finds that the state has a compelling interest in securing a person's right to vote in an environment which is free from intimidation, harassment, confusion, obstruction, and undue influence. The legislature, therefore, enacts this Subsection to provide for a six hundred foot campaign-free zone around polling places to provide to each voter such an environment in which to exercise his right to vote. Except as otherwise specifically provided by law, it shall be unlawful for any person, between the hours of 6:00 a.m. and 9:00 p.m., to perform or cause to be performed any of the following acts within any polling place being used in an election on election day or during early voting, or within a radius of six hundred feet of the entrance to any polling place being used in an election on election day or during early voting:

(1) To solicit in any manner or by any means whatsoever any other person to vote for or against any candidate or proposition being voted on in such election.

(2) To remain within any such polling place or within a radius of six hundred feet of the entrance of any such polling place, except when exercising the right to vote, after having been directed by an election commissioner, law enforcement officer, registrar, or deputy registrar to leave the premises or area of a polling place.

(3) To hand out, place, or display campaign cards, pictures, or other campaign literature of any kind or description whatsoever.

(4) To place or display political signs, pictures, or other forms of political advertising.

(5) To circulate a recall petition or seek handwritten signatures to a recall petition.

B. The provisions hereof shall not apply to the placing and displaying, either by the owner, lessee, or lawful occupant thereof, or with the consent of such owner, lessee or occupant, of political signs or pictures on private property which is not being used as a polling place.

C. The provisions of this Section shall not be construed as prohibiting any appointed election commissioner or any official watcher from remaining in and about the polling place in which he was selected to serve.

D. No election official shall wear any badge, button, pin, or other insignia identifying him with any political candidate or faction.

E. No election official shall in any manner attempt to influence any voter to vote for or against any candidate or proposition being voted on in the election being held in that polling place.

F. The duly constituted law enforcement officers of the political subdivision in which any such election is being held shall enforce the provisions of this Section when requested to do so by a registrar, deputy registrar, commissioner-in-charge or commissioner. The registrar, deputy registrars, commissioners-in-charge and commissioners likewise shall enforce the provisions of this Section at the polling places. The law enforcement officers, commissioners-in-charge, commissioners, deputy registrars and registrar are authorized to seize, remove, and destroy any political cards, signs, pictures, or literature being used or displayed in violation of any of the provisions hereof.

G. Whoever violates any provision of this Section shall be fined not more than five hundred dollars or be imprisoned for not more than six months, or both. On a second offense or any succeeding offense, the penalty shall be a fine of not more than one thousand dollars or imprisonment for not more than one year, or both.

§1463. Political material; ethics; prohibitions

A. The Legislature of Louisiana finds that the state has a compelling interest in taking every necessary step to assure that all elections are held in a fair and ethical manner and finds that an election cannot be held in a fair and ethical manner when any candidate or other person is allowed to print or distribute any material which falsely alleges that a candidate is supported by or affiliated with another candidate, group of candidates, or other person, or a political faction, or to publish statements that make scurrilous, false, or irresponsible adverse comments about a candidate or a proposition. The legislature further finds that the state has a compelling interest to protect the electoral process and that the people have an interest in knowing the identity of each candidate whose number appears on a sample ballot in order to be fully informed and to exercise their right to vote for a candidate of their choice. The legislature further finds that it is essential to the protection of the electoral process that the people be able to know who is responsible for publications in order to more properly evaluate the statements contained in them and to informatively exercise their right to vote. The legislature further finds that it is essential to the protection of the electoral process to prohibit misrepresentation that a person, committee, or organization speaks, writes, or acts on behalf of a candidate, political committee, or political party, or an agent or employee thereof.

B.(1) No person shall cause to be printed or assist in the distribution, transportation, or transmission by any means of any facsimile of an official ballot or cause to be printed, distributed, transported, or transmitted any unofficial sample ballot with the number of a candidate unless the name of the candidate to whom the ballot number was assigned is correctly listed on the ballot.

(2) No person shall cause to be printed or assist in the distribution, transportation, or transmission by any means of any facsimile of an official ballot, or cause to be printed, distributed, transported, or transmitted any unofficial sample ballot containing a photograph, or likeness of any person which falsely alleges, with an intent to misrepresent, that any person or candidate, or group of candidates in an election is endorsed by or supported by another candidate, group of candidates or other person.

C.(1) No person shall cause to be distributed, or transmitted, any oral, visual, or written material containing any statement which he knows or should be reasonably expected to know makes a false statement about a candidate for election in a primary or general election or about a proposition to be submitted to the voters.

(2) Whenever any person, political committee, entity or organization makes a disbursement for the purpose of the financing of any electioneering communication, such communication shall comply with the following items under the following circumstances:

(a) If the communication is paid for and authorized by a candidate, an authorized political committee of a candidate, or its agents, it shall clearly state that the communication has been paid for by such authorized political committee. The name of the political committee paying for the communication shall be given in full and no acronyms shall be used.

(b) If the communication is paid for by other persons, but authorized by a candidate, an authorized political committee of a candidate, or its agents, it shall clearly state that the communication is paid for by such other persons and authorized by such authorized political committee. The name of the authorized political committee shall be given in full and no acronyms shall be used.

(c) If the communication is not authorized by a candidate, a political committee of a candidate, or its agents, it shall clearly state the (i) name, (ii) physical address (not post office box), and (iii) telephone number and the world-wide web address if available of the person, committee, entity or organization who paid for the communication and state that the communication is not authorized by any candidate or candidate committee. The name of the payer shall be given in full and no acronyms shall be used.

(3) If an individual, association, organization, committee, or corporation is responsible for or causes the distribution or transmission of any statements relative to candidates or propositions which do not fully disclose the name of the individual or the name of the association, organization, committee, or corporation,

and the full and correct name and address of its chairman or other chief administrative officer and whether or not such individual, association, organization, committee, or corporation supports or opposes such candidate or proposition, such individual, association, organization, committee, or corporation shall report all expenditures incurred in relation to the publication, distribution, transportation, or transmission in accordance with R.S. 18:1491.7, 1495.5, or 1501.1.

(4)(a) No person shall misrepresent himself or any committee or organization under his control as speaking, writing, or otherwise acting for or on behalf of any candidate, political committee, or political party, or any employee or agent thereof.

(b) No person shall willfully and knowingly participate in or conspire to participate in a plan, scheme, or design to misrepresent himself or any committee or organization under his control or under the control of any other participant in the plan, scheme, or design as speaking, writing, or otherwise acting for or on behalf of any candidate, political committee, or political party, or any employee or agent thereof.

(c) A radio or television broadcaster who broadcasts a paid political announcement or advertisement, the content of which the broadcaster had no input in or control over, is not subject to the provisions of this Paragraph.

(5) For purposes of Paragraph (2) of this Subsection, the term "electioneering communication" means any broadcast, cable, or satellite communication that refers to a legally qualified candidate for elected office and is broadcast within sixty days before any election in which such candidate is on the ballot.

D.(1) An affected candidate or voter shall be entitled to an injunction to restrain future violations of Subsections B and C of this Section.

(2) In the event a permanent injunction is granted, reasonable attorney fees shall be allowed the petitioner by the court which shall be taxed as costs to be paid by the defendant.

E. No person shall cause to be distributed or transmitted for or on behalf of a candidate for political office any oral, visual, or written material constituting a paid political announcement or advertisement, which is paid for by a third-party entity, without providing the name of the third-party entity on the face of the advertisement. The name of the third-party entity shall be included on written material, political announcements, and advertisements so that it is clear and understandable. The name of the third-party entity in visual and oral political announcements or advertisements shall be included so that it is clearly understandable as well as audible and visible for not less than three seconds. If the advertisement is placed by a public relations firm, advertising agency, media buyer, or other person who purchases media advertising or time or space for such advertising, such person shall provide the information required by this Section. For the purposes of this Subsection, "person" means any individual, partnership, association, labor union, political committee, corporation, or other legal entity, including its subsidiaries; however, "person" shall not mean any radio station, television broadcast station, cable television company, or newspaper.

F. Whoever violates any provision of this Section shall be fined not more than two thousand dollars or be imprisoned, with or without hard labor, for not more than two years, or both.

§1463.1. Telephone campaign communications; disclosure

A. The Legislature of Louisiana finds that the state has a compelling interest in protecting the integrity of the electoral process and in assuring that the voters are able to know who is responsible for telephone campaign communications in order to more properly evaluate the statements contained in them and to cast a more informed vote. The legislature further finds that it is essential to the protection of the electoral process to prohibit misrepresentation that a person, committee, or organization speaks on behalf of a candidate, political committee, or an agent thereof.

B.(1) No person shall make or cause to be made any telephone call or automated call expressly advocating support or opposition of a candidate, or elected public official, or ballot proposition unless the call identifies the source of the call as provided in this Section.

(2) The source of a call shall be identified as follows:

Such designation shall be in writing and a copy thereof shall be filed with the supervisory committee no later than ten days after such designation is made. Any committee which designates subsidiary committees shall be a principal campaign committee and shall file a self-designation as a principal campaign committee with the supervisory committee at the time it first files a designation of a subsidiary committee. No candidate shall file a statement that a committee is not his subsidiary committee or a subsidiary committee of his principal campaign committee if the candidate, his principal campaign committee, or a subsidiary committee of the candidate or of his principal campaign committee makes an expenditure, a loan, or a transfer of funds to or receives a contribution, a loan, or a transfer of funds, from the committee.

D. No committee organized primarily for the purpose of supporting a single candidate shall nominally support an additional candidate or candidates for the purpose of avoiding designation as a subsidiary committee and the requirements of this Part relating to the records and reports of subsidiary committees. Any committee which violates the provisions of this Subsection shall be subject to the penalties provided in R.S. 18:1505.4, R.S. 18:1505.5, and R.S. 18:1505.6.

E. A designation of a subsidiary committee shall be in writing and a copy thereof shall be filed with the supervisory committee no later than ten days after the designation is made. Any candidate who has designated a principal campaign committee shall also file a copy of the designation of each subsidiary committee with his principal campaign committee no later than ten days after the designation is made.

F. A political committee may not be designated as the principal campaign committee of more than one candidate. No political committee which supports or has supported more than one candidate may be designated as a principal campaign committee and no such committee shall be a subsidiary committee.

G.(1) Each subsidiary committee shall maintain all records required by this Part. Each subsidiary committee designated by a candidate shall furnish such records on a timely basis to the principal campaign committee of the candidate, if any, or if none, to the candidate by whom it was designated as a subsidiary committee. Each subsidiary committee designated by a principal campaign committee shall furnish such records on a timely basis to such principal campaign committee.

(2) Each principal campaign committee of a candidate shall receive records furnished to it by subsidiary committees of the candidate for which it is the principal campaign committee and shall consolidate them with

its own records and records of the candidate and shall file with the supervisory committee a consolidated report for each report required by this Chapter for committees or candidates. B.(1) Any person may solicit contributions for or on behalf of the political committee, or sell political paraphernalia, including such items as buttons, flags and literature, or tickets to a testimonial or other fund-raising event, provided that all contribution(s) or proceeds are transmitted directly to the chairman of the political committee or its designated treasurer or a designated deputy treasurer of the committee together with such information as may be required by this Chapter. No chairman of a political committee or designated treasurer or deputy treasurer shall accept such funds without such information and they shall be responsible under the provisions of this Chapter for any errors and omissions in records or reports of such funds. Any contributions or transfer of funds received by a political committee which has appointed a campaign treasurer shall be transferred to the campaign treasurer.

(2) When any person who is not the campaign treasurer or a deputy treasurer of a political committee makes any expenditure for the committee, he shall transmit directly to the campaign treasurer or a deputy treasurer all information concerning the expenditure required by this Chapter. The campaign treasurer of the committee shall be responsible under the provisions of this Chapter for any errors or omissions in the records or reports of such expenditures.

(3) For purposes of all reports required by this Chapter, all contributions received by or transferred to a campaign treasurer or a deputy treasurer of a political committee, and all expenditures made by a campaign treasurer or a deputy treasurer of a political committee or by any other person on behalf of the committee, shall be considered contributions or expenditures of the political committee.

C. Deputy campaign treasurers of a committee may exercise any of the powers and duties of a campaign treasurer as set forth in this Chapter when specifically authorized to do so by the campaign treasurer and the chairman of the political committee.

The committee chairman, the committee campaign treasurer, and any deputy treasurers shall deposit any contributions received by them into an account or accounts maintained at such depository or depositories. No expenditure shall be made by any committee chairman, committee campaign treasurer, deputy treasurer, or any other person on behalf of the committee, except by check drawn on such account or accounts, except as specifically provided in Paragraph (2) of this Subsection and Subsection E of this Section. Each check drawn on any such account shall be made payable to a specific person, except a check made payable to petty cash. Each check drawn on such an account shall indicate the objects or services for which such check is drawn and such check shall be maintained as part of the records required by R.S. 18:1491.5. The name and address of such campaign depository so designated shall be filed with the supervisory committee in the statement of organization required by R.S. 18:1491.1.

If any additional depositories are designated, they shall be reported within ten days following such designation as required by R.S. 18:1491.1.

(2) An expenditure may be made by a committee chairman, committee campaign treasurer, deputy treasurer, or other authorized person on behalf of the committee by electronic funds transfer provided that the transfer of funds is to a specific person and that records are maintained as to the objects or services for which such transfer of funds was made. Detailed records of each electronic fund transfer shall be maintained as part of the records required by R.S. 18:1491.5.

(3) A political committee, which is not the principal campaign committee or designated subsidiary committee of a candidate, that makes a contribution to a candidate or to the principal campaign committee or designated subsidiary committee of a candidate shall clearly indicate to the candidate or the principal campaign committee or designated subsidiary committee of the candidate that the contribution is from a political committee either by a designation on the check or by a separate notification attached to the contribution.

E. A political committee may maintain a petty cash fund or funds. A petty cash fund shall be maintained on an imprest system, that is, expenditures may be made in cash from the fund and the fund shall from time to time be restored to its original amount by a transfer of funds from other committee funds of a sum equal to the aggregate of the sums expended from the fund. No expenditure in excess of one hundred dollars shall be made from the petty cash fund and no expenditure shall be made from the petty cash fund for any personal services, except for gratuities paid for the serving of food or drink. No expenditure shall be made from the petty cash fund in violation of R.S. 18:1531. A complete record of petty cash expenditures shall be maintained in accordance with the provisions of R.S. 18:1491.5(D).

B.(1) Except as otherwise provided in this Section, the campaign treasurer of each political committee shall keep such records of campaign contributions received and accepted by him or a deputy treasurer as shall be necessary to comply with the provisions of this Part, including the names and addresses of all contributors, and the date of each contribution, the amount or value of the contribution of whatever value, and a description and valuation of all in-kind contributions.

(2) Payments made to purchase campaign paraphernalia, such as campaign pins, buttons, badges, flags, emblems, hats, shirts, banners, literature, and similar items, other than expenditures made by a political committee for its own paraphernalia, and payments for tickets to testimonials and similar fundraising events are contributions, and records thereof shall be maintained, provided that:

(a) In the case of any single transaction involving the sale of items such as campaign pins, buttons, badges, flags, emblems, hats, banners, literature, and similar material which is for an amount not in excess of twenty-five dollars and the proceeds of which are received and deposited by a political committee, no record need be kept by the campaign treasurer for such recipient committee, except the total amount received and deposited from such sale and the fact that such amount was received from such sale.

(b) No person shall sell or buy campaign paraphernalia in successive single transactions for amounts below those for which specific records are required by this Paragraph as a subterfuge to avoid requirements of this Part that names and addresses of contributors and dates and amounts of contributions be recorded, aggregated, and reported. Such transactions shall be considered single transactions and shall be recorded

and reported as provided in this Part. Any person who violates the provisions of this Section shall be subject to the penalties provided in R.S. 18:1505.4, R.S. 18:1505.5, and R.S. 18:1505.6.

(3) The campaign treasurer of each political committee shall also keep such records of campaign expenditures made or contracted as shall be necessary to comply with the provisions of this Part, including the name and address of the person or firm from whom goods or services were purchased or contracted, the date, the amount or value and the purpose of the expenditure, a description of the goods or services purchased or contracted, and a description and valuation of all in-kind expenditures.

(4) All transactions involving the sale of tickets to a testimonial or similar fundraising event shall be evidenced by a record of the names and addresses of the purchasers, the amount of tickets purchased, and the value of the tickets purchased.

C. The valuation of in-kind contributions or expenditures shall be the estimated fair market value thereof at the time received and expended.

D. A record shall be kept of all expenditures made from the petty cash fund for which provision is made in R.S. 18:1491.4, including the name and address of the person or firm from whom goods or services were purchased or contracted, the amount and the purpose of the expenditure, and a description of the goods or services purchased or contracted. In addition, a receipt shall be kept for each such expenditure in any case in which a receipt would normally be provided in the usual course of business.

E. A record shall be kept of each loan made by the committee to or from any person or political committee, together with the full name and address of the lender, of the recipient of the proceeds of the loan, and of any person who makes any type of security agreement binding himself or his property, directly or indirectly, for the repayment of all or any part of the loan. In addition, a record shall be kept of the repayment of each such loan and of the source of funds expended for repayment.

F. *Repealed by Acts 1993, No. 199, §2, eff. June 1, 1993.*

G. A record shall also be kept of:

Each such firm, agency, or agent shall timely furnish to such political committee such information relative thereto as may be required for compliance with this Part. Failure by any such firm, agency or agent to timely furnish a political committee such information required for compliance with this Part shall be grounds for a civil action for damages.

I. A campaign treasurer shall preserve records required by this Part for six years; except a campaign treasurer for a committee which supports only one candidate shall preserve such records for two years after the final report which he is required by this Part to file for the election has been filed, including any supplemental reports required.

J. The accounts and records kept by a campaign treasurer under the provisions of this Part shall be available for inspection or use by the supervisory committee in connection with any investigation pursuant to this Chapter, or by any grand jury or court in connection with any proceeding instituted under the

provisions of this Chapter; however, such accounts and records shall be kept strictly confidential by the supervisory committee and any court, except to the extent any contents thereof may become a public record in any judicial proceeding to enforce the provisions of this Chapter.

(6) Each committee shall file a report no later than the fortieth day after the general election which shall be complete through the thirtieth day after the general election. This report shall be the final report for the election for any committee which participated in the general election, unless supplemental reports are required as provided in Subsection D of this Section.

(7) The final report of a committee that supports or opposes only one candidate who either withdraws as a candidate or is unopposed for election to the office he seeks shall be the next report due as required in this Subsection as of the date that the candidate withdraws or ascertains that he is unopposed, unless supplemental reports are required as provided in Subsection (D) of this Section. The report shall contain a statement that it is the final report and the reasons therefor.

C. During the period beginning at midnight of the twentieth day prior to a primary election and extending through midnight of primary election day, and during the period beginning at midnight of the twentieth day prior to a general election and extending through midnight of general election day, each committee shall file a report with the supervisory committee of:

(b) Such report shall include the amount and date of each such contribution or loan reported, and a brief description and valuation of each in-kind contribution. If a loan is reported, the report shall contain the name and address of the lender, of the recipient of the proceeds of the loan, and of any person who makes any type of security agreement binding himself or his property, directly or indirectly, for the repayment of all or any part of the loan.

(2) Any expenditure in excess of two hundred dollars made to a candidate, committee, or person required to file reports by this Chapter, who makes endorsements, including the full name and address of each person to whom such expenditure is made, the amount, date and purpose of each such expenditure, and a brief description and valuation of an in-kind expenditure.

(3) Each report required by this Subsection shall be filed within forty-eight hours after the time the contribution or loan is received or expenditure made. If such time falls other than during regular working hours, the report shall be filed as soon as possible after the opening of the office of the supervisory committee on the next working day after the time at which the report is otherwise due.

D.(1) If the final report of a political committee for an election, as required by Paragraph (5), (6), or (7) of Subsection B of this Section, or the most recent monthly report of a committee pursuant to Subsection I of this Section shows a deficit or a surplus, the chairman and treasurer of the committee, if any, shall file supplemental reports with the supervisory committee of all information required in R.S. 18:1491.7. Such reports shall be filed annually no later than February fifteenth and shall be complete through the preceding December thirty-first. (c) If the political committee has surplus campaign funds, a report need not be filed under this Subsection if such political committee files an annual report in accordance with Subsection E of this Section which includes such surplus campaign funds.

(3) If the committee has received no contributions, made no expenditures, received or made no loans, and received or made no transfers of funds during the reporting period for such report.

F. The reports required for any regularly scheduled election shall also be filed for any special election to the extent the dates for filing reports occur after the call for the election. The supervisory committee may promulgate rules to effect the provisions of this Subsection. Such rules may waive any report required to be filed within ten days after the call for a special election.

(2) Such monthly reports shall include all of the information required to be included in a report pursuant to R.S. 18:1491.7.

(3) A political committee wishing to file monthly reports may do so upon written notification to the supervisory committee of its intention to do so delivered to the supervisory committee no less than forty-five days prior to the due date for the next report the committee would otherwise be required to file. Such report shall include all information required for reports pursuant to R.S. 18:1491.7 for the period since the committee's last report.

(4) Nothing in this Subsection shall exempt a political committee from filing the reports required by Paragraphs (2) and (3) of Subsection C of this Section.

(b) No person shall sell or buy campaign paraphernalia in successive single transactions for amounts below those for which specific records are required by this Paragraph as a subterfuge to avoid requirements of this Part that names and addresses of contributors and dates and amounts of contributions be recorded, aggregated, and reported. (b) Such report shall include the amount and date of each such contribution or loan reported, and a brief description and valuation of each in-kind contribution. If a loan is reported, the report shall contain the name and address of the lender, of the recipient of the proceeds of the loan, and of any person who makes any type of security agreement binding himself or his property, directly or indirectly, for the repayment of all or any part of the loan.

(2) Any expenditure in excess of two hundred dollars made to a candidate, committee, or person required to file reports by this Chapter, who makes endorsements, including the full name and address of each person to whom such expenditure is made, the amount, date, and purpose of each such expenditure, and a brief description and valuation of an in-kind expenditure.

(3) Each report required by this Subsection shall be filed within forty-eight hours after the time the contribution or loan is received or expenditure made. If such time falls other than during regular working hours, the report shall be filed as soon as possible after the opening of the office of the supervisory committee on the next working day after the time at which the report is otherwise due.

D.(1) If the final report of a candidate for an election, as required by Paragraph (5), (6), or (7) of Subsection B of this Section, shows a deficit or a surplus, the candidate and his treasurer, if any, shall file supplemental reports with the supervisory committee of all information required in R.S. 18:1495.5. Such reports shall be filed annually no later than February fifteenth and shall be complete through the preceding December thirty-first. Such a supplemental report shall be filed each year until a report has been filed which shows no deficit and until any surplus campaign funds have been disposed of in accordance with R.S. 18:1505.2(I). The report on surplus funds shall disclose the disbursement of such funds in the same manner as expenditures are reported.

(2) "Deficit", for purposes of this Subsection, means debts or obligations owed by the candidate which are required to be reported by R.S. 18:1495.5(B)(14).

(3)(a) A report need not be filed under this Subsection if the candidate is not an elected public official and shows either a deficit or a surplus of less than two thousand five hundred dollars. However, if the candidate is not an elected public official and his deficit or surplus is equal to or greater than two thousand five hundred dollars, the candidate shall file supplemental reports with the supervisory committee of all information required in R.S. 18:1495.5. Such report shall be filed annually no later than February fifteenth and shall be complete through the preceding December thirty-first. Such report shall be filed each year for five years or until a report has been filed which shows no deficit or surplus.

(b) However, if after five years a candidate with a deficit receives any contribution or if any repayment occurs on an outstanding debt or loan, such candidate shall file a supplemental report by the following February fifteenth which shall be complete through the preceding December thirty-first.

(c) Any individual who was a candidate and who is elected to or is serving in any elected public office during the reporting period for any supplemental report required by this Paragraph shall be considered to be an elected public official for the purposes of this Paragraph whether or not the office to which he is elected is the office for which his candidacy resulted in the deficit or surplus for which a report is required.

(d) If the candidate or former candidate has surplus campaign funds, a report need not be filed under this Subsection if such candidate or former candidate files an annual report in accordance with Subsection E of this Section which includes such surplus campaign funds.

E. A report shall be filed for each candidate, as defined by R.S. 18:1483(3), of all information required in R.S. 18:1495.5 no later than February fifteenth of each year which shall be complete as of the preceding December thirty-first. The annual report required by this Subsection shall not be required:

(3) If the candidate has received no contributions, made no expenditures, and received or made no loans during the reporting period for such report.

F. The reports required for any regularly scheduled election shall also be filed for any special election to the extent the dates for filing reports occur after the call for the election. The supervisory committee may promulgate rules to effect the provisions of this Subsection. Such rules may waive any report required to be filed within ten days after the call for a special election.

G. The reporting period for all reports of candidates, except the first report for any election, shall be the period from the time through which the preceding report was complete through the closing date for the particular report. The reporting period for the first report of candidate for any election shall be the period from the time when the candidate becomes a candidate through the closing date for the report. Notwithstanding the foregoing, if a candidate is required to file reports in connection with a previous candidacy, the reporting period for the first report for the election shall be the period from the time through which the latest report is complete through the closing date for the particular report.

H. Notwithstanding any other provision of this Section to the contrary, the supervisory committee shall grant any candidate in service in the uniformed services at the time a report is due an automatic extension of thirty days past the deadlines otherwise required by law to file such report if the candidate gives written notice of such service to the supervisory committee prior to the due date of the report. The failure of such a candidate to give such prior notice shall not impair the ability of the candidate to obtain a waiver for good cause pursuant to R.S. 42:1157.2. For purposes of this Subsection, the terms "service in the uniformed services" and "uniformed services" shall have the same meaning as provided in R.S. 29:403.

(d) After January 1, 1989, no person shall make a loan, transfer of funds, or contribution to a candidate including his principal campaign committee with funds loaned to him without disclosing to the candidate or his committee the source of the funds. A candidate or his committee receiving such a loan, transfer of funds, or contribution shall not only report the name of the contributor, but also the source of the funds contributed.

(4) The provisions of this Subsection shall not prohibit a transfer of funds between a candidate or his principal campaign committee and any subsidiary committee thereof, provided that all parties shall comply with applicable reporting requirements.

(5) The provisions of this Subsection shall not apply to any contributions or loans a candidate makes to his own campaign.

(6)(a) For purposes of this Subsection, "loan" shall not include any loan of money by a state bank, a federally chartered depository institution, or a depository institution the deposits or accounts of which are

insured by the Federal Deposit Insurance Corporation, or the National Credit Union Administration, any licensed lender under the Louisiana Consumer Credit Law, or an insurance company, other than any overdraft made with respect to a checking or savings account, made in accordance with applicable law and in the ordinary course of business, but such loan:

(i) Shall be considered a loan by each endorser or guarantor, in that proportion of the unpaid balance that each endorser or guarantor bears to the total number of endorsers or guarantors, and such loan by each endorser and guarantor shall be subject to the contribution limits provided in this Subsection;

(ii) Shall be made on a basis which assures repayment, evidenced by a written instrument, and subject to a due date or amortization schedule; and

(iii) Shall bear the usual and customary interest rate of the lending institution.

(7)(a) The total amount of combined contributions for both the primary and general elections, from political committees, which may be accepted by a candidate and his principal and subsidiary campaign committees, shall not exceed the following aggregate amounts:

(b) The provisions of this Paragraph shall not apply to contributions made by a recognized political party or any committee thereof.

I.(1) On and after January 1, 1991, contributions received by a candidate or a political committee may be expended for any lawful purpose, but such funds shall not be used, loaned, or pledged by any person for any personal use unrelated to a political campaign, the holding of a public office or party position, or, in the case of a political committee, other than a candidate's principal campaign committee or subsidiary committee, the administrative costs or operating expenses of the political committee; except that excess campaign funds may be returned to contributors on a pro rata basis, given as a charitable contribution as provided in 26 USC 170(c), given to a charitable organization as defined in 26 USC 501(c)(3), expended in support of or in opposition to a proposition, political party, or candidacy of any person, or maintained in a segregated fund for use in future political campaigns or activity related to preparing for future candidacy to elective office. However, the use of campaign funds of a candidate or his principal or subsidiary committees to reimburse a candidate for expenses related to his political campaign or his holding of a public office or party position shall not be considered personal use by the candidate. If a candidate is required by state or federal law to pay taxes on the interest earned by campaign funds of the candidate or any political committee of the candidate, the candidate may use the interest on which such tax is paid for such purpose. A payment from campaign funds shall not be considered as having been spent for personal use when the funds are used to replace articles lost, stolen, or damaged in connection with the campaign.

(2) The provisions of this Subsection shall not apply to campaign funds received prior to July 15, 1988.

(3)(a) A candidate or his principal or subsidiary campaign committee shall not make an expenditure of funds derived from contributions for any purpose so long as the candidate owes a fine, fee, or penalty imposed by a final order of a court or the supervisory committee pursuant to the provisions of this Chapter and against which all appeal delays have lapsed. This Paragraph shall apply to all contributions regardless of the date received by the candidate or committee.

(b) Any person who makes an expenditure in violation of Subparagraph (a) of this Paragraph may be assessed a civil penalty not to exceed two hundred percent of the expenditure or one thousand dollars, whichever is greater.

(4) No candidate, political committee, person required to file reports under this Chapter, nor any other person shall use a contribution, loan, or transfer of funds to pay a fine, fee, or penalty imposed pursuant to the provisions of Chapter 15 of Title 42 of the Louisiana Revised Statutes of 1950.

(5)(a) No candidate nor the principal or any subsidiary political committee of a candidate shall use a contribution, loan, or transfer of funds received by such candidate or committee to make any payment or expenditure to any immediate family member of the candidate.

(b) This Paragraph shall not prohibit a payment or expenditure to a business in which an immediate family member has any ownership interest, provided that all of the following apply:

(i) The business is a bona fide business that is doing business and has been doing business regularly in the state for at least twelve months at the time of the payment or expenditure and the business either:

(aa) Has been registered and in good standing with the secretary of state for at least twelve months at that time and provides goods or services related to the payment or expenditure.

(ii) The payment or expenditure is made solely for campaign purposes.

(c) This Paragraph shall not prohibit a candidate nor the principal or any subsidiary political committee of a candidate from using a contribution, loan, or transfer of funds received by such candidate or committee to make a contribution, loan, or transfer of funds to any immediate family member who is a candidate or to any principal or subsidiary political committee of such family member who is a candidate.

(6) No candidate, political committee, or other person required to file reports pursuant to this Chapter, shall use a contribution, loan, or transfer of funds received by such candidate, committee, or person to purchase immovable property or a motor vehicle. For purposes of this Paragraph, "motor vehicle" shall have the same meaning as provided in R.S. 32:781, except that "motor vehicle" shall not include a "trailer" as that term is defined in R.S. 32:1252.

J.(1) Any candidate, treasurer, or chairman of a political committee who violates any provision of Subsection H or I of this Section shall be assessed a penalty of not more than five thousand dollars or the amount of the violation, whichever is greater, except that the penalty for a knowing and willful violation shall not be more than ten thousand dollars or two hundred percent of the violation, whichever is greater. "Knowing and willful", for purposes of this Subsection, means conduct which could have been avoided through the exercise of due diligence. The civil penalties provided for in R.S. 18:1505.5 shall be inapplicable to violations of Subsection H or I. (2) The supervisory committee shall institute civil proceedings to collect the civil penalties provided for in this Subsection as soon as the committee determines, as a result of its review and investigation of any sworn complaint or other document or information received by the supervisory committee, that a violation of Subsection H or I of this Section has occurred. If the supervisory committee makes a determination of such violation at least ten days prior to the election in which the candidate, treasurer, or chairman of a political committee in apparent violation is participating, the supervisory committee shall institute such civil proceedings at least by the fourth calendar day prior to the election.

K.(1) During any four year calendar period commencing January 1, 1991 and every fourth year thereafter, no person shall contribute more than one hundred thousand dollars to any political committee or any subsidiary committee of such political committee, other than the principal or any subsidiary committee of a candidate. Such limitation on a contribution shall not apply to any contribution from a national political committee to an affiliated regional or state political committee.

(2) During the time period provided for in Paragraph (1) of this Subsection, no political committee or subsidiary of such political committee, other than the principal or any subsidiary committee of a candidate, shall accept more than one hundred thousand dollars from any person.

(3) The provisions of this Subsection shall not apply to contributions made by a recognized political party or any committee thereof.

L.(1) The legislature recognizes that it is essential to the operation of effective democratic government in this state that citizens have confidence in the electoral process and that elections be conducted so as to prevent influence and the appearance of influence of candidates for public office and of the election process by special interests, particularly by persons substantially interested in the gaming industry in this state.

This Section shall not prohibit contributions made to any account of a political committee affiliated with a recognized political party organized under the laws of another jurisdiction, where the account is segregated and no funds from such segregated account are used to support or oppose any candidate in this state or any political committee of any candidate in this state, provided that any person to whom this Section applies shall expressly request, prior to making a contribution, that such political committee shall not use such funds to support or oppose any candidate or any political committee of any candidate in Louisiana.

"Interest", as used in this Subparagraph, means ownership by an individual or his spouse, either individually or collectively, of an interest which exceeds ten percent of any legal entity. An indirect interest is ownership through any number of layers of legal entities when twenty-five percent or more of each legal entity is owned by the legal entity ownership beneath it.

Any such contribution, loan, or transfer of funds, or an amount equal thereto, shall be paid over to the state by the recipient candidate, committee, or other person required to file reports within ten business days after the recipient candidate, committee, or person required to file reports is notified by the supervisory committee that the contribution, loan, or transfer of funds was made by a person prohibited by this Subsection from making such contribution, loan, or transfer of funds.

(b) The supervisory committee shall institute civil proceedings to collect the civil penalties provided for in this Subsection as provided in Paragraph (J)(2) of this Section.

Any such contribution, loan, or transfer of funds, or an amount equal thereto, shall be paid over to the state by the recipient candidate, committee, or other person required to file reports within ten business days after the recipient candidate, committee, or person required to file reports is notified by the supervisory committee that the contribution, loan, or transfer of funds was made by a person prohibited by this Subsection from making such contribution, loan, or transfer of funds.

(b) If a publisher or broadcaster of an advertisement which purports to be paid for by a particular candidate or political committee accepts payment for such an advertisement from any source other than such candidate or political committee, the publisher or broadcaster shall require, prior to publishing or broadcasting the advertisement, that the person making the payment provide a written statement containing the following:

"Knowingly and willfully", for purposes of this Subsection, means conduct which could have been avoided through the exercise of due diligence. Such penalties shall be as provided in Subsection A above.

C.(1) Notwithstanding the provisions of Subsection A of this Section and the provisions of R.S. 18:1511.4.1, for a committee that is supporting, opposing, or otherwise influencing the nomination or election of a person to public office, the maximum amount of the penalty that shall be imposed for knowingly failing to file or knowingly failing to timely file any report required by this Chapter for a special election shall be the total of the expenditures made for the purpose of supporting, opposing, or otherwise influencing the nomination or election of a person or persons to public office in such special election or the maximum penalty under the provisions of Subsection A of this Section, whichever is less.

The forfeiture shall take effect no less than twenty days after notice is sent to the elected official pursuant to Paragraph (2) of this Subsection.

(2) The supervisory committee shall notify the elected official in writing when he is subject to the forfeiture provided for in this Subsection. The notice shall provide the name of the elected official, the office he holds, the amount of the outstanding fines, fees, or penalties which are subject to forfeiture, and the date on which the forfeiture is to take effect. The supervisory committee shall send two copies of the notice by certified mail, one to the campaign address of the elected official on file with the supervisory committee and the other to the official address of the office which he holds. Additionally, the supervisory committee shall send a copy of the notice by certified mail to the entity which is responsible for disbursing the elected official's salary, along with instructions as to the proper method for forwarding the forfeited funds.

(3)(a) "Forfeiture" pursuant to this Subsection shall be an alternative means of collecting an outstanding fine, fee, or penalty imposed by a final order of a court or the supervisory committee pursuant to the provisions of this Chapter and against which all appeal delays have lapsed.

(b) On the next payroll date following the effective date of the forfeiture, and each payroll date thereafter so long as the forfeiture remains in effect, the entity which is responsible for disbursing the elected official's salary shall withhold that portion of the elected official's salary which is not exempt from seizure, as provided in R.S. 13:3881. This portion of the elected official's salary shall be forwarded to the supervisory committee, as directed in the notice. The forfeiture shall remain in effect until such time as the supervisory

committee notifies the entity which is responsible for disbursing the elected official's salary that the elected official has complied with the order.

(c) The entity which is responsible for disbursing the elected official's salary may withhold three dollars from the nonexempt portion of the elected official's salary for each pay period during which the forfeiture is in effect to cover the administrative costs of the forfeiture.

(4) The supervisory committee shall treat all sums forwarded to it under this Subsection as payments by the elected official of the outstanding fines, fees, or penalties and shall immediately notify the entity which is responsible for disbursing the elected official's salary when the elected official has complied with the order or when the fines, fees, and penalties have been paid in full from the forfeited funds.

(5) For the purposes of this Subsection, an elected official shall be deemed to have complied with a final order upon paying the fine, fee, or penalty in full or upon entering into and remaining current on an agreement with the supervisory committee providing for a payment schedule. The failure to remain current on a payment schedule shall subject the elected official to forfeiture.
